Forward-Looking Statements

Certain matters discussed in this report include "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. All statements that are not statements of historical facts are, or may be deemed to be, forward-looking statements. Such forward-looking statements are based on historical performance and current expectations, estimates, forecasts and projections about our future financial results, goals, plans, commitments, strategies and objectives, particularly related to future load growth, revenues, expenses, capital expenditures and rate recovery, financial resources, regulatory matters, and the scope and expense associated with future environmental regulation. Such statements involve inherent risks, assumptions and uncertainties, known or unknown, including internal or external factors that could delay, divert or change any of them, that are difficult to predict, may be beyond our control and could cause our future financial results, goals, plans and objectives to differ materially from those expressed in, or implied by, the statements. Words such as "believe," "expect," "anticipate," "estimate," "could," "should," "intend," "will," "commit," "target," "plan," and other similar words, and words relating to goals, targets and projections, generally identify forward-looking statements. Both MGE Energy and MGE caution investors that these forward-looking statements are subject to known and unknown risks and uncertainties that may cause actual results to differ materially from those projected, expressed, or implied.

The factors that could cause actual results to differ materially from the forward-looking statements made by a registrant include (a) those factors discussed in the following sections of the registrants' 2025 Annual Report on Form 10-K: Item 1A. Risk Factors; Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations, as updated by Part I, Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations in this report; and Item 8. Financial Statements and Supplementary Data – Footnote 16, as updated by Part I, Item 1. Financial Statements – Footnote 8 in this report; and (b) other factors discussed herein and in other filings made by that registrant with the Securities and Exchange Commission (SEC).

Readers are cautioned not to place undue reliance on these forward-looking statements, which apply only as of the date of this report. MGE Energy and MGE undertake no obligation to publicly update or revise any forward-looking statement to reflect events or circumstances after the date of this report, whether as a result of new information, future events, changed circumstances or otherwise, except as required by law.

1. Summary of Significant Accounting Policies – MGE Energy and MGE.

a. Basis of Presentation.

This report is a combined report of MGE Energy and MGE. References in this report to "MGE Energy" are to MGE Energy, Inc. and its subsidiaries. References in this report to "MGE" are to Madison Gas and Electric Company.

MGE Power Elm Road and MGE Power West Campus own electric generating assets and lease those assets to MGE. Both entities are variable interest entities (VIE) under applicable authoritative accounting guidance. MGE is considered the primary beneficiary of these entities as a result of contractual agreements. As a result, MGE has consolidated MGE Power Elm Road and MGE Power West Campus in its financial reports. See Footnote 3 of the Notes to the Consolidated Financial Statements under Item 8, Financial Statements and Supplementary Data, of MGE Energy's and MGE's 2025 Annual Report on Form 10-K (the 2025 Annual Report on Form 10-K).

The accompanying consolidated financial statements as of September 30, 2026, and for the three and nine months ended, as applicable, are unaudited but include all adjustments that MGE Energy and MGE management consider necessary for a fair statement of their respective financial statements. All adjustments are of a normal, recurring nature except as otherwise disclosed. The year-end consolidated balance sheet information was derived from the audited balance sheet appearing in the 2025 Annual Report on Form 10-K but does not include all disclosures required by accounting principles generally accepted in the United States of America. These notes should be read in conjunction with the financial statements and the notes thereto located on pages 52 through 105 of the 2025 Annual Report on Form 10-K.

2. New Accounting Standards - MGE Energy and MGE.

In November 2024, the Financial Accounting Standards Board issued authoritative guidance within the codification's Income Statement - Reporting Comprehensive Income topic, which added disclosure requirements for the disaggregation of certain income statement expenses. The authoritative guidance will become effective for annual reporting periods beginning after December 15, 2026, and interim periods beginning after December 15, 2027. MGE Energy and MGE will adopt the standard as of the effective date. The adoption of this standard will not have a material impact on MGE Energy's and MGE's financial statements.

In September 2025, the Financial Accounting Standards Board issued authoritative guidance within the codification's Internal-Use Software topic, which amends certain aspects of the accounting for and disclosure of software costs. The authoritative guidance will become effective for annual reporting periods beginning after December 15, 2027, and interim periods within those annual reporting periods; early adoption is permitted as of the beginning of an annual reporting period. MGE Energy and MGE will adopt the standard as of the effective date. The adoption of this standard is not expected to have a material impact on MGE Energy's and MGE's financial statements.

In May 2026, the Financial Accounting Standards Board issued authoritative guidance within the codification's Environmental Credits topic, which establishes a comprehensive model for the recognition, measurement, presentation, and disclosure of environmental credits and related obligations. The authoritative guidance will become effective for annual reporting periods beginning after December 15, 2027, and interim periods within those annual reporting periods; early adoption is permitted. MGE Energy and MGE will adopt the standard as of the effective date. The adoption of this standard is not expected to have a material impact on MGE Energy's and MGE's financial statements.

3. Investments - MGE Energy and MGE.

ATC and ATC Holdco.

ATC owns and operates electric transmission facilities primarily in Wisconsin. MGE received an interest in ATC when it, like other Wisconsin electric utilities, contributed its electric transmission facilities to ATC, as required by Wisconsin law. That interest is presently held by MGE Transco, a subsidiary of MGE Energy. ATC Holdco was formed by several members of ATC, including MGE Energy, to pursue electric transmission development and investments outside of Wisconsin. The ownership interest in ATC Holdco is held by MGEE Transco, a subsidiary of MGE Energy.

MGE Transco and MGEE Transco have accounted for their investments in ATC and ATC Holdco, respectively, under the equity method of accounting. Equity earnings from investments are recorded as "Other income" on the consolidated statements of income of MGE Energy. MGE Transco recorded the following amounts related to its investment in ATC:

	Three Months Ended September 30,		Nine Months Ended September 30,	
(In thousands)	2026	2025	2026	2025
Equity earnings from investment in ATC	$ 3,907	$ 3,224	$ 11,205	$ 9,280
Dividends received from ATC	2,954	2,403	8,404	8,035
Capital contributions to ATC	3,567	3,214	10,183	8,385

In October 2026, MGE Transco made a $4.3 million capital contribution to ATC.

ATC's summarized financial data is as follows:

	Three Months Ended September 30,		Nine Months Ended September 30,	
(In thousands)	2026	2025	2026	2025
Operating revenues	$ 280,753	$ 245,104	$ 820,060	$ 721,260
Operating expenses	(129,377)	(116,919)	(386,418)	(351,228)
Other income, net	87	188	2,015	821
Interest expense, net	(47,330)	(41,593)	(137,731)	(124,040)
Earnings before members' income taxes	$ 104,133	$ 86,780	$ 297,926	$ 246,813

MGE receives transmission and other related services from ATC. During the three and nine months ended September 30, 2026, MGE recorded $11.2 million and $33.6 million, respectively, for transmission service compared to $10.2 million and $30.6 million for the comparable periods in 2025. MGE also provides a variety of operational, maintenance, and project management work for ATC, which is reimbursed by ATC. As of September 30, 2026, and December 31, 2025, MGE had a receivable due from ATC of $4.0 million and $2.5 million, respectively. The receivable is primarily related to transmission interconnection activities at the renewable generation sites. MGE will be reimbursed for these costs after the new generation assets are placed into service.

Other Investments - MGE Energy.

During the three and nine months ended September 30, 2026 and 2025, certain investments were liquidated for MGE Energy. There were no material liquidations for MGE during these periods. As a result of the liquidations, the following was received:

	Three Months Ended September 30,		Nine Months Ended September 30,	
(In thousands)	2026	2025	2026	2025
Cash proceeds	$ 6,724	$ 4,244	$ 12,133	$ 4,402
Gain on sale	5,346	3,156	9,322	3,233

4. Taxes - MGE Energy and MGE.

Effective Tax Rate.

The effective income tax rates for the period, computed by dividing income tax expense by income before taxes, were as follows:

	MGE Energy		MGE	
Effective income tax rate	2026	2025	2026	2025
Three Months Ended September 30,	14.3 %	14.9 %	11.4 %	13.6 %
Nine Months Ended September 30,	12.4 %	13.2 %	10.3 %	11.7 %

The effective tax rates were different than the federal statutory rate primarily due to state income taxes, net of the related federal tax benefit, federal production tax credits (PTC) and investment tax credits (ITC), the amortization of excess deferred taxes, and the impact of non-taxable income related to the equity portion of Allowance for Funds Used During Construction (AFUDC), net of depreciation. For both MGE Energy and MGE, the decrease in the effective tax rate for the nine months ended September 30, 2026, compared to the prior year period, was driven primarily by additional federal tax credits associated with renewable generation and energy storage projects, as well as increased non-taxable income related to the equity portion of AFUDC on projects under construction.

5. Pension and Other Postretirement Plans - MGE Energy and MGE.

MGE maintains qualified and nonqualified pension plans, health care, and life insurance benefits and defined contribution 401(k) benefit plans for its employees and retirees.

The components of net periodic benefit cost, other than the service cost component, are recorded in "Other income, net" on the consolidated statements of income. The service cost component is recorded in "Other operations and maintenance" on the consolidated statements of income. MGE has regulatory treatment and recognizes regulatory assets or liabilities for timing differences between when net periodic benefit costs are recovered and when costs are recognized.

The following table presents the components of net periodic benefit costs recognized.

	Three Months Ended September 30,		Nine Months Ended September 30,	
(In thousands)	2026	2025	2026	2025
Pension Benefits				
Components of net periodic benefit cost:				
Service cost	$ 595	$ 653	$ 1,797	$ 1,959
Interest cost	3,992	4,285	12,065	12,854
Expected return on assets	(7,679)	(7,254)	(23,205)	(21,761)
Amortization of:				
Actuarial loss	50	75	153	225
Net periodic benefit (credit) cost	$ (3,042)	$ (2,241)	$ (9,190)	$ (6,723)
Postretirement Benefits				
Components of net periodic benefit cost:				
Service cost	$ 176	$ 186	$ 528	$ 557
Interest cost	679	757	2,038	2,271
Expected return on assets	(709)	(678)	(2,128)	(2,036)
Amortization of:

Actuarial gain	(194)	(161)	(583)	(482)
Net periodic benefit (credit) cost	$ (48)	$ 105	$ (145)	$ 312

As approved by the PSCW, MGE is allowed to defer differences between actual employee benefit plan costs and costs reflected in current rates. The deferred costs may be recovered or refunded in MGE's next rate filing. In 2026, MGE is refunding over-collected costs from previous years. For the three months ended September 30, 2025, MGE did not recover any previously deferred pension and other postretirement costs. For the nine months ended September 30, 2025, MGE recovered $0.7 million. These costs have not been reflected in the table above.

6. Equity and Financing Arrangements.

a. Stock Plan Share Issuances - MGE Energy.

MGE Energy sells shares of its common stock through its Direct Stock Purchase and Dividend Reinvestment Plan (the Stock Plan). Those shares may be newly issued shares or shares that are purchased in the open market by an independent agent for participants in the Stock Plan. Sales of newly issued shares under the Stock Plan are covered by a shelf registration statement that MGE Energy filed with the SEC. During the nine months ended September 30, 2026, and 2025, net proceeds from the Stock Plan were approximately $8.6 million and $3.8 million, respectively, which were used for general corporate purposes.

b. At-the-Market Equity Offering - MGE Energy.

In February 2026, MGE Energy filed a prospectus supplement under which it may sell shares of its common stock having an aggregate offering price of up to $100 million, through Guggenheim Securities, LLC, and Morgan Stanley & Co. LLC (each, a Manager) in negotiated transactions that are deemed to be an "at-the-market offering" (ATM). The ATM may be terminated by MGE Energy or, with respect only to itself, any Manager. Unless earlier terminated, the ATM shall automatically terminate on February 23, 2029, if MGE Energy does not file a new shelf registration statement relating to the shares to be sold under the ATM on or prior to such date. Each Manager will be entitled to compensation at a commission equal to up to 2.0% of the gross offering proceeds of the shares of common stock sold under the ATM. MGE Energy expects to use the net proceeds from any issuance of common stock for general corporate purposes, including repayment of short-term debt, repurchases, retirements and refinancing of other securities, funding capital expenditures,

and investments in subsidiaries. As of September 30, 2026, MGE Energy sold an aggregate of 154,321 shares of its common stock under the ATM for aggregate net proceeds of $11.5 million and $0.2 million in transaction fees paid.

c. Common Stock Public Offering and Forward Equity Sale Agreements - MGE Energy.

On May 6, 2026, MGE Energy completed a registered public offering of 3,300,331 shares of its common stock at a public offering price of $75.75 per share, for aggregate gross proceeds of approximately $250 million. Of the shares offered, 990,099 shares were issued and sold by MGE Energy, resulting in net proceeds of approximately $72.2 million after underwriting discounts and commissions. The remaining 2,310,232 shares were sold to Morgan Stanley & Co. LLC, Bank of America, N.A., and JPMorgan Chase Bank, National Association or their respective affiliates pursuant to separate forward sale agreements entered into by MGE Energy with each of these counterparties. Under the forward sale agreements, MGE Energy has the right to elect physical settlement, cash settlement, or net share settlement, in whole or in part, through January 2028, and the agreements are classified as equity instruments. Based on the initial forward sale price of $72.9094 per share, MGE Energy expects to receive net proceeds of approximately $168.4 million upon full physical settlement of the forward sale agreements, subject to adjustments specified in such agreements. MGE Energy intends to use the net proceeds from the offering and any future settlement of the forward sale agreements for general corporate purposes, which may include repayment of short-term debt, repurchase, retirement or refinancing of other securities, funding capital expenditures, and investments in subsidiaries.

d. Changes in Common Shares Outstanding - MGE Energy.

The share issuances discussed above, together with shares issued pursuant to stock-based compensation arrangements, resulted in the following changes in outstanding common stock:

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2026	2025	2026	2025

e. Earnings Per Share - MGE Energy.

Basic earnings per share is calculated by dividing net income attributable to MGE Energy by the weighted-average number of MGE Energy's common shares outstanding during the period. In the calculation of diluted earnings per share, weighted-average shares outstanding are increased for additional shares that would be outstanding if potentially dilutive securities were converted to common stock. Potentially dilutive securities for MGE Energy consist of restricted stock units and shares under the forward equity sale agreements, as discussed above.

f. Third Amended and Restated Credit Agreements - MGE Energy and MGE.

As of September 30, 2026, MGE Energy and MGE had revolving credit facilities with aggregate commitments of $50 million and $130 million, respectively. As of September 30, 2026, no borrowings were outstanding under these facilities.

On October 1, 2026, MGE Energy and MGE entered into third amended and restated credit agreements (collectively, the Third Amended and Restated Credit Agreements), which amended and restated their existing revolving credit facilities to, among other things, (i) extend the maturity dates to October 1, 2031 and (ii) increase the aggregate commitment under MGE's revolving credit facilities from $130 million to $250 million. MGE Energy's revolving credit commitment remained $50 million.

The Third Amended and Restated Credit Agreements contain customary representations and warranties, covenants and events of default. Each of the Third Amended and Restated Credit Agreements requires the borrower thereunder to maintain a ratio of consolidated indebtedness to consolidated total capitalization not to exceed 0.65 to 1.00. The ratio calculation excludes assets, liabilities, revenues, and expenses included in a borrower's financial statements as the result of the consolidation of "variable interest entities."

A change in control constitutes a default under each of the Third Amended and Restated Credit Agreements. Change in control events are defined in each of the Third Amended and Restated Credit Agreements as (i) a failure by MGE Energy to hold 100% of the outstanding voting equity interest in MGE or (ii) the acquisition of beneficial ownership of 30% or more of the voting power of the outstanding voting stock of MGE Energy by one person or two or more persons acting in concert.

7. Share-Based Compensation - MGE Energy and MGE.

During the three and nine months ended September 30, 2026, MGE recorded $0.7 million and $3.4 million, respectively, in compensation expense related to share-based compensation awards compared to $0.8 million and $2.5 million, respectively, for the comparable periods in 2025.

In the first quarter of 2026, participants received cash payments totaling $1.7 million and 22,050 shares of common stock upon settlement of awards granted in 2023 to employees and non-employee directors, and in 2025 to non-employee directors, under the 2021 Incentive Plan.

In March 2026, MGE granted 24,879 performance units and 34,230 restricted stock units under the 2021 Incentive Plan to eligible employees and non-employee directors. In April 2026, MGE granted 25,000 restricted stock units under the 2021 Incentive Plan to eligible employees.

Share-based compensation expense is recognized on a straight-line basis over the requisite service period. Awards classified as equity awards are measured based on their grant-date fair value. Awards classified as liability awards are recorded at fair value each reporting period. The performance units can be paid out in cash, shares of common stock, or a combination of cash and stock and are classified as a liability award. The restricted stock units will be paid out in shares of common stock and therefore are classified as equity awards.

8. Commitments and Contingencies - MGE Energy and MGE.

a. Environmental.

MGE Energy and MGE are subject to frequently changing local, state, and federal regulations concerning air quality, water quality, land use, threatened and endangered species, hazardous materials handling, and solid waste disposal. These regulations affect how we conduct operations and may affect both operating costs and capital expenditures. Several of these environmental rules are subject to legal challenges, reconsideration and/or other uncertainties. Regulatory initiatives, proposed rules, and court challenges to adopted rules could have the potential to have a material effect on capital expenditures and operating costs. Management believes compliance costs will be recovered in future rates based on previous treatment of environmental compliance projects.

These initiatives, proposed rules, and court challenges include:

- The United States Environmental Protection Agency's (EPA) promulgated water Effluent Limitations Guidelines (ELG) and standards for steam electric power plants that focus on the reduction of metals and other pollutants in wastewater from new and existing power plants.

  With the closure of the wet pond system in 2023, Columbia complies with ELG requirements. With the installation of additional wastewater treatment equipment completed in 2023, the Elm Road Units comply with ELG requirements.

  In May 2024, the EPA finalized the Supplemental Effluent Limitations Guidelines and Standards for the Steam Electric Power Generating Point Source Category (2024 ELG Rule) that further regulates the wastewater discharges associated with coal-fired power plants. The rule impacts Columbia and the Elm Road Units. The 2024 ELG Rule focuses on wastewater discharges from flue gas desulfurization, combustion residual leachate, and bottom ash transport water, building upon the prior standards of the 2020 ELG Rule. The 2024 ELG Rule includes reduced requirements for plants that have already installed pollution controls based on previous versions of the rule, and for plants that will be retiring or switching to natural gas by certain dates. The 2020 and 2024 ELG Rules, along with the subsequent 2025 Rule extending compliance deadlines, are currently being challenged in federal court. The litigation is on hold while the EPA undertakes a reconsideration process. The operator of the Elm Road Units is in compliance with the 2024 ELG Rule. The operator of Columbia is in compliance with the 2024 ELG Rule. MGE will continue to monitor the outcomes of the rule challenges and work with our co-owners on their compliance plans.

- The EPA's cooling water intake rules require that cooling water intake structures at electric power plants meet best technology available (BTA) standards to reduce the mortality from entrainment (drawing aquatic life into a plant's cooling system) and impingement (trapping aquatic life on screens of cooling water intake structures).

  Blount received its most recent Wisconsin Pollutant Discharge Elimination System (WPDES) permit from the Wisconsin Department of Natural Resources (WDNR) in October 2023. Blount's latest WPDES permit assumes that the plant meets BTA standards for entrainment for the duration of this permit which expires in 2028. The WDNR included a requirement to conduct an optimization study to demonstrate compliance with impingement BTA standards in the latest permit which needs to be completed by January 2028. Once the WDNR determines the impingement requirements at Blount, MGE will be able to determine any compliance costs of meeting Blount's permit requirements.

  Intakes at Columbia are subject to this rule. In March 2026, Columbia received an updated WPDES permit from the WDNR. The WPDES permit indicates that Columbia's existing intake structure meets BTA standards. MGE does not, based on current information, anticipate any further requirements at Columbia and thus does not expect this rule to have a material effect on Columbia.

- The EPA has set new source performance standards and emission guidelines for greenhouse gas (GHG) emissions from fossil fuel-fired electric generating units.

  In May 2024, the EPA published final performance standards and emission guidelines under Section 111 of the Clean Air Act for carbon dioxide emissions from new combustion turbines and existing fossil fuel-fired boilers used to produce electricity. Preliminary evaluation of the May 2024 rule showed that MGE met the requirements for the gas-fired boilers at Blount. Evaluations done by the owners of Columbia and the Elm Road Units in 2024 indicated that they have a plan for complying with the May 2024 rule.

  In September 2026, the EPA published a final rule repealing the May 2024 rule's carbon dioxide emission guidelines for existing fossil fuel-fired units while retaining the efficiency-based requirements for new natural gas-fired combustion turbines. The September 2026 rule will go into effect on November 16, 2026, after which MGE's existing fossil fuel-fired generating units will no longer be subject to the GHG requirements of the May 2024 rule. Both the September 2026 final rule and the May 2024 rule are under legal challenge.

  Also in September 2026, the EPA published a proposed rule that would rescind the EPA's findings supporting the regulation of GHG emissions from fossil fuel-fired power plants under Section 111 of the Clean Air Act and repeal all remaining Section 111 GHG standards for fossil fuel-fired electric generating units, including the efficiency-based requirements for new natural gas-fired combustion turbines. MGE will continue to monitor this rulemaking.

In February 2026, the EPA finalized a rule rescinding its 2009 findings of contribution and endangerment for GHG emissions under Section 202(a) of the Clean Air Act and repealing all GHG emission standards for light-duty, medium-duty, and heavy-duty vehicles and engines. EPA concluded that it lacks statutory authority to regulate GHG emissions in response to global climate change concerns under Section 202(a)(1). The scope and timing of any impacts of this decision on federal GHG regulation under the Clean Air Act remain uncertain pending litigation and potential further agency action. MGE will continue to monitor developments.

- The EPA's rule to regulate ambient levels of ozone through the 2015 Ozone National Ambient Air Quality Standards (NAAQS).

  The Elm Road Units are located in Milwaukee County, Wisconsin, a nonattainment area for the 2015 Ozone NAAQS. The area was redesignated to serious nonattainment by the EPA in December 2024, effective January 2025, but remains categorized as moderate nonattainment following a stay granted by the U.S. Court of Appeals for the Seventh Circuit in September 2025. At this time, the operator of the Elm Road Units does not expect that the 2015 Ozone NAAQS or the Milwaukee County nonattainment designation will have a direct material effect on the Elm Road Units.

- The EPA's rule to regulate Fine Particulate Matter (PM2.5).

  In March 2024, the EPA published a final rule to lower the average annual PM2.5 NAAQS from 12 ug/m3 to 9 ug/m3 effective May 2024.

  Multiple states and industry groups challenged the March 2024 PM2.5 NAAQS rule in the United States Court of Appeals for the District of Columbia Circuit. In February 2025, Wisconsin's Governor Evers submitted a state-wide attainment recommendation to the EPA. In June 2026, the United States Court of Appeals for the District of Columbia Circuit denied the petitions for review. As a result, absent further judicial relief, EPA action, or other legal developments, the annual PM2.5 standard of 9 μg/m3 remains in effect.

  The new annual PM2.5 NAAQS could impact Milwaukee County, where the Elm Road Units are located, if the county is determined to be in nonattainment. A nonattainment designation would require the State of Wisconsin to develop a plan to get into attainment, which would likely include additional limitations for new and modified plants in the county.

  In October 2026, the EPA notified the State of Wisconsin of its intended approach for area designations under the revised PM2.5 NAAQS. The EPA indicated that Milwaukee County is being considered for designation as a nonattainment area and provided the State an opportunity to submit additional information before final designations are issued. Final area designations are expected by February 2027, unless modified through ongoing administrative or judicial proceedings.

  The final impact of this rule will not be known until the EPA determines the attainment status of Wisconsin counties and the State of Wisconsin develops an attainment implementation plan. MGE will continue to follow the rule's developments.

- Rules regulating nitrogen oxide (NO_x) and sulfur dioxide (SO_2) emissions, including the Good Neighbor Plan and Clean Air Visibility Rule.

  The EPA's Good Neighbor Plan and its progeny are a suite of interstate air pollution transport rules designed to reduce ozone and PM2.5 ambient air levels in areas that the EPA has determined as being significantly impacted by pollution from upwind states. This is accomplished through a reduction in NO_x and SO_2 from qualifying fossil fuel-fired power plants and industrial boilers in upwind "contributing" states. NO_x and SO_2 contribute to fine particulate pollution, and NO_x contributes to ozone formation in downwind areas. Reductions are generally achieved through a cap-and-trade system. Individual plants can meet their caps through reducing emissions and/or buying allowances on the market.

In March 2023 (published June 2023), the EPA finalized its Federal Implementation Plan to address state obligations under the Clean Air Act "good neighbor" provisions for the 2015 Ozone NAAQS (Good Neighbor Plan). The Good Neighbor Plan impacts 23 states, including Wisconsin. For Wisconsin, the Good Neighbor Plan includes revisions to the current obligations for fossil-fuel power generation, which includes Blount, Columbia, the Elm Road Units, WCCF, West Riverside, and West Marinette. Initial obligations under the Federal Implementation Plan were scheduled to begin during the 2023 ozone season. In 2026, additional obligations would have gone into effect if not for a judicial stay, including a further reduction in emissions budgets. Wisconsin would need to submit a State Implementation Plan to meet its obligations or accept the EPA's Good Neighbor Plan.

Multiple legal challenges to the Good Neighbor Plan and related state implementation plan disapprovals are pending, including in the United States Court of Appeals for the District of Columbia Circuit. In June 2024, the Supreme Court of the United States granted a request to stay the Good Neighbor Plan and block its enforcement pending judicial review by the U.S. Court of Appeals for the District of Columbia Circuit on the merits of petitioner's challenges to implementation of the rule. The EPA has temporarily halted the enforcement of the Good Neighbor Plan's requirements for all pollution sources in states affected by the plan, including Wisconsin. While the EPA addresses these concerns, interim rules have been implemented in Wisconsin to address interstate pollution. Based on MGE's current evaluation, if the Good Neighbor Plan goes into effect as-is, the additional emission reductions may impact the Elm Road Units. However, the final impact of the rules will not be known until judicial reviews are completed and/or the EPA takes further action regarding the rule.

- The EPA's Coal Combustion Residuals (CCR) Rule.

  The CCR Rule regulates the disposal of solid waste coal ash and defines what ash use activities would be considered generally exempt beneficial reuse of coal ash. The CCR Rule also regulates landfills, ash ponds, and other surface impoundments used for coal combustion residuals by regulating their design, location, monitoring, and operation. The CCR Rule requires owners and operators of coal-fired power plants to stop transporting CCR and non-CCR wastewater to unlined surface impoundments. At Columbia, the coal combustion residuals system completed in 2023 replaced the unlined surface impoundment, and Columbia complies with this rule.

  Review of the Elm Road Units has indicated that the costs to comply with the CCR Rule are not expected to be significant.

  In May 2024, the EPA published its final CCR Legacy Rule. The CCR Legacy Rule applies to previously closed disposal sites. In 2024, MGE recorded an asset retirement obligation for its estimated share of the legal liability associated with the effect of the CCR Legacy Rule for remediation and groundwater compliance monitoring at Columbia. Actual costs of compliance may be different than the amount recorded due to potential changes in compliance strategies that will be used, as well as other potential changes in cost estimate.

  In February 2026, the EPA finalized the CCR Management Unit Deadline Extension Rule, which provides a one-year extension for the submission of Facility Evaluation Reports and extends the deadline for the implementation of groundwater monitoring systems at legacy CCR management units to February 2031. Columbia continues to evaluate the impact of this extension on its compliance timeline. This update is not expected to materially affect anticipated compliance costs. In April 2026, the EPA published a proposed rule that would amend the CCR regulations by eliminating certain closure requirements that previously applied to legacy surface impoundments and CCR management units. MGE will continue to monitor legal developments and any future updates to this rule.

b. Legal Matters.

MGE is involved in various legal matters that are being defended and handled in the normal course of business. MGE accrues for costs that are probable of being incurred and subject to reasonable estimation. The accrued amount for these matters is not material to the financial statements. MGE does not expect the resolution of these matters to have a material adverse effect on its consolidated results of operations, financial condition, or cash flows.

c. Purchase Contracts.

MGE Energy and MGE have entered into various commodity supply, transportation, and storage contracts to meet their obligations to deliver electricity and natural gas to customers. Management expects to recover these costs in future

customer rates. The following table shows future minimum commitments related to purchase contracts as of September 30, 2026:

(In thousands)	2026	2027	2028	2029	2030	Thereafter
Coal[a]	$ 5,026	$ 12,386	$ 7,907	$ —	$ —	$ —

(a) Total coal commitments for MGE's share of the Columbia and Elm Road Units, including transportation. Fuel procurement for MGE's jointly owned Columbia and Elm Road Units is handled by Wisconsin Power and Light Company and WEPCO, respectively, who are the operators of those facilities.

9. Rate Matters - MGE Energy and MGE.

a. Rate Proceedings.

	Rate increase	Return on Common Equity	Common Equity Component of Regulatory Capital Structure	Effective Date
Approved 2024/2025 rate proceeding[a][b]				
Electric[c]	2.63%	9.7%	56.1%	1/1/2025
Gas	1.32%	9.7%	56.1%	1/1/2025
Approved 2026/2027 settlement[b][d]				
Electric	0.15%	9.8%	56.1%	1/1/2026
Gas	2.77%	9.8%	56.1%	1/1/2026
Electric[e]	3.63%	9.8%	56.1%	1/1/2027
Gas	2.04%	9.8%	56.1%	1/1/2027

(a) The electric rate increase was driven by an increase in rate base including our investments made in West Riverside, local solar, continued investment in grid modernization, as well as higher costs for transmission, pension and other post retirement benefits, and uncollectible costs (including costs previously deferred from prior years). This increase in electric costs is offset by a decrease in fuel costs and benefit from lower tax expense (including impacts from the Inflation Reduction Act). MGE filed an updated 2025 fuel forecast with the PSCW in 2024, which impacted rates in 2025, based on any variance between the forecast submitted as part of the rates and updated forecast. In addition, the PSCW authorized MGE to defer a recovery of and a return on costs associated for any change in the in-service date for Paris and force majeure costs for Badger Hollow II and Paris that were not reflected in this rate filing. The PSCW also approved deferral of any differential in PTC tax credits reflected in rates and actual credits produced. These deferrals will be reflected in MGE's next rate case filing. The gas rate increases were also driven by our investment made in grid modernization and higher pension and other post retirement benefits and uncollectible costs (including costs previously deferred from prior years). This increase in gas costs is offset by a tax benefit related to excess deferred taxes. Included in the gas residential rate is a reduction in the customer fixed charge.

(b) Includes an earnings sharing mechanism, under which, if MGE earns above the authorized Return on Equity (ROE) in the rate order: (i) the utility will retain 100.0% of earnings for the first 15 basis points above the authorized ROE; (ii) 50.0% of the next 60 basis points will be required to be deferred and returned to customers; and (iii) 100.0% of any remaining excess earnings will be required to be refunded to customers. The earnings calculation excludes fuel rules adjustments. See "Fuel Rules" below.

(c) The PSCW approved a 2025 Fuel Cost Plan in December 2024. The plan lowered the 2025 increase in electric rates to 2.63% to reflect lower expected fuel costs.

(d) The electric rate increase reflects growth in rate base, primarily from investments in solar and battery projects, West Riverside, and continued investment in grid modernization, as well as higher costs for transmission. The increase in electric costs is offset by a decrease in fuel costs, changes in pension and other post retirement benefits, updated depreciation rates, and benefit from lower tax expense (including impacts from the Inflation Reduction Act). The gas increase is driven by an increase in rate base including continued distribution infrastructure improvements designed to enhance reliability and safety and system modernization, and updated depreciation rates. The increase in gas costs is offset by changes in pension and other post retirement benefits.

(e) MGE filed a 2027 Fuel Cost Plan with the PSCW in June 2026. The plan would lower the 2027 increase in electric rates to 2.31% to reflect lower expected fuel costs. MGE expects a final decision from the PSCW on the Fuel Cost Plan by the end of 2026.

b. Fuel Rules.

Fuel rules require Wisconsin utilities to defer electric fuel-related costs that fall outside a symmetrical cost tolerance band around the amount approved for a utility in its annual fuel proceedings. Any over- or under-recovery of the actual costs is determined in the following year and is then reflected in future billings to electric retail customers. The fuel rules bandwidth is set at plus or minus 2% in 2026 and 2025. The electric fuel-related costs are subject to an excess revenues test. Excess revenues are defined as revenues in the year in question that provide MGE with a greater return on common equity than authorized by the PSCW in MGE's latest rate order. The recovery of under-collected electric fuel-related costs would be reduced by the amount that exceeds the excess revenue test. These costs are subject to the PSCW's annual

review of fuel costs completed in the year following the deferral. The following table summarizes deferred electric fuel-related costs:

	Fuel Costs (Savings) (*in millions*)	Refund or Recovery Period
2024	($3.0)[(a)]	October 2025
2025	($7.1)[(a)]	October 2026
2026	($7.6)	(b)

(a) There was no change to the refund or recovery in the fuel rules proceedings from the amount MGE deferred.
(b) These costs (savings) will be subject to the PSCW's annual review of 2026 fuel costs, expected to be completed in 2027.

10. Derivative and Hedging Instruments - MGE Energy and MGE.

a. Purpose.

As part of its regular operations, MGE enters into contracts, including options, swaps, futures, forwards, and other contractual commitments, to manage its exposure to commodity prices. To the extent that these contracts are derivatives, MGE assesses whether or not the normal purchases or normal sales exclusion applies. For contracts to which this exclusion cannot be applied, the derivatives are recognized in the consolidated balance sheets at fair value. MGE's financial commodity derivative activities are conducted in accordance with its electric and gas risk management program, which is approved by the PSCW and limits the volume MGE can hedge with specific risk management strategies. The maximum length of time over which cash flows related to energy commodities can be hedged is four years. If the derivative qualifies for regulatory deferral, the derivatives are marked to fair value and are offset with a corresponding regulatory asset or liability depending on whether the derivative is in a net loss or net gain position, respectively. The deferred gain or loss is recognized in earnings in the delivery month applicable to the instrument. Gains and losses related to hedges qualifying for regulatory treatment are refundable or recoverable in gas rates through the Purchased Gas Adjustment (PGA) or in electric rates as a component of the fuel rules mechanism.

b. Notional Amounts.

The gross notional volume of open derivatives is as follows:

	September 30, 2026		December 31, 2025	
Commodity derivative contracts	233,040	MWh	224,360	MWh
Commodity derivative contracts	9,902,500	Dth	8,230,000	Dth
FTRs	3,750	MW	2,413	MW

c. Financial Statement Presentation.

MGE purchases and sells exchange-traded and over-the-counter options, swaps, and futures contracts. These arrangements are primarily entered into to help stabilize the price risk associated with gas or power purchases. These transactions are employed by both MGE's gas and electric segments. Additionally, as a result of the firm transmission agreements that MGE holds on electricity transmission paths in the MISO market, MGE holds financial transmission rights (FTRs). An FTR is a financial instrument that entitles the holder to a stream of revenues or charges based on the differences in hourly day-ahead energy prices between two points on the transmission grid. The fair values of these instruments are offset with a corresponding regulatory asset/liability depending on whether the instruments are in a net loss/gain position. Depending on the nature of the instrument, the gain or loss associated with these transactions will be reflected as cost of gas sold, fuel for electric generation, or purchased power expense in the delivery month applicable to the instrument. As of September 30, 2026, and December 31, 2025, the cost basis of exchange traded derivatives and FTRs exceeded their fair value by $0.7 million and $1.4 million, respectively.

The following table summarizes the fair value of the derivative instruments on the consolidated balance sheets. All derivative instruments in this table are presented on a gross basis and are calculated prior to the netting of instruments with the same counterparty under a master netting agreement as well as the netting of collateral. For financial statement purposes, instruments are netted with the same counterparty under a master netting agreement as well as the netting of collateral.

(a) As of September 30, 2026, and December 31, 2025, collateral of $0.7 million and $1.8 million, respectively, was posted against and netted with derivative liability positions. The fair value of the derivatives disclosed in this table has not been adjusted for the collateral posted.

The following table shows the effect of netting arrangements for recognized derivative assets and liabilities that are subject to a master netting arrangement or similar arrangement on the consolidated balance sheets.

MGE's commodity derivative contracts and FTRs are subject to regulatory deferral. These derivatives are marked to fair value and are offset with a corresponding regulatory asset or liability. Realized gains and losses are deferred on the consolidated balance sheets and are recognized in earnings in the delivery month applicable to the instrument. As a result of the treatment described above, there are no unrealized gains or losses that flow through earnings.

Certain counterparties extend MGE a credit limit. If MGE exceeds these limits, the counterparties may require collateral to be posted. As of both September 30, 2026, and December 31, 2025, no counterparties were in a net liability position.

Nonperformance of counterparties to the non-exchange traded derivatives could expose MGE to credit loss. However, MGE enters into transactions only with companies that meet or exceed strict credit guidelines, and it monitors these counterparties on an ongoing basis to mitigate nonperformance risk in its portfolio. As of September 30, 2026, no counterparties had defaulted.

11. Fair Value of Financial Instruments - MGE Energy and MGE.

Fair value is defined as the price that would be received to sell an asset or would be paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The accounting standard clarifies that fair value should be based on the assumptions market participants would use when pricing the asset or liability including assumptions about risk. The standard also establishes a three-level fair value hierarchy based upon the observability of the assumptions used and requires the use of observable market data when available. The levels are:

Level 1 - Pricing inputs are quoted prices within active markets for identical assets or liabilities.

Level 2 - Pricing inputs are quoted prices within active markets for similar assets or liabilities; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations that are correlated with or otherwise verifiable by observable market data.

Level 3 - Pricing inputs are unobservable and reflect management's best estimate of what market participants would use in pricing the asset or liability.

a. Fair Value of Financial Assets and Liabilities Recorded at the Carrying Amount.

The carrying amount of cash, cash equivalents, and outstanding commercial paper approximates fair market value due to the short maturity of those investments and obligations. The estimated fair market value of long-term debt is based on quoted market prices for similar financial instruments. Since long-term debt is not traded in an active market, it is classified as Level 2. The estimated fair market value of the financial instruments are as follows:

	September 30, 2026		December 31, 2025	
(In thousands)	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Long-term debt[(a)]	$ 887,855	$ 777,827	$ 818,115	$ 768,889

(a) Includes long-term debt due within one year. Excludes debt issuance costs and unamortized discount of $4.5 million and $4.3 million as of September 30, 2026, and December 31, 2025, respectively.

b. Recurring Fair Value Measurements.

The following table presents the balances of assets and liabilities measured at fair value on a recurring basis for both MGE and MGE Energy.

	Fair Value as of September 30, 2026			
(In thousands)	Total	Level 1	Level 2	Level 3

Deferred compensation	7,172	—	7,172	—
Total Liabilities	$ 9,737	$ 1,331	$ 7,172	$ 1,234

(a) As of September 30, 2026, and December 31, 2025, collateral of $0.7 million and $1.8 million, respectively, was posted against and netted with derivative liability positions. The fair value of the derivatives disclosed in this table has not been adjusted for the collateral posted.

Exchange-traded Investments. Investments include exchange-traded investment securities valued using quoted prices on active exchanges and are therefore classified as Level 1.

Deferred Compensation. The deferred compensation plans allow participants to defer certain cash compensation into notional investment accounts. These amounts are included within "Other deferred liabilities and other" in the consolidated balance sheets. The value of certain deferred compensation obligations is based on the market value of the participants' notional investment accounts. The underlying notional investments are comprised primarily of equities, mutual funds, and fixed income securities that are based on directly and indirectly observable market prices. Since the deferred compensation obligations themselves are not exchanged in an active market, they are classified as Level 2.

The value of legacy deferred compensation obligations is based on notional investments that earn interest based upon the semiannual rate of U.S. Treasury Bills having a 26-week maturity increased by 1% compounded monthly with a minimum annual rate of 7%, compounded monthly. The notional investments are based upon observable market data, however, since the deferred compensation obligations themselves are not exchanged in an active market, they are classified as Level 2.

Derivatives. Derivatives include exchange-traded derivative contracts, over-the-counter transactions, and FTRs. Most exchange-traded derivative contracts are valued based on unadjusted quoted prices in active markets and are therefore classified as Level 1. A small number of exchange-traded derivative contracts are valued using quoted market pricing in markets with insufficient volumes and are therefore considered unobservable and classified as Level 3. Transactions done with an over-the-counter party are on inactive markets and are therefore classified as Level 3. These transactions are valued based on quoted prices from markets with similar exchange-traded transactions. FTRs are priced based upon monthly auction results for identical or similar instruments in a closed market with limited data available and are therefore classified as Level 3.

The following table summarizes the changes in Level 3 commodity derivative assets and liabilities measured at fair value on a recurring basis.

	Three Months Ended September 30,		Nine Months Ended September 30,

The following table presents total realized and unrealized gains (losses) included in income for Level 3 assets and liabilities measured at fair value on a recurring basis[(b)].

(In thousands)	2026	2025	2026	2025

(b) MGE's exchange-traded derivative contracts, over-the-counter party transactions, purchased power agreement, and FTRs are subject to regulatory deferral. These derivatives are therefore marked to fair value and are offset in the financial statements with a corresponding regulatory asset or liability.

12. Joint Plant Construction Project Ownership - MGE Energy and MGE.

MGE has ownership interests in generation projects with other co-owners, some of which are under construction, as shown in the following table. Incurred costs are reflected in "Property, plant, and equipment, net" or "Construction work in progress" on the consolidated balance sheets.

(a) Excluding AFUDC.
(b) MGE received specific approval to recover 100% AFUDC. During the three and nine months ended September 30, 2026, MGE recognized $4.7 million and $12.6 million, respectively, after tax, in AFUDC for these projects compared to $1.6 million and $3.8 million for the comparable periods in 2025.
(c) Darien Solar Energy Center is located in Walworth and Rock Counties in southern Wisconsin.
(d) Koshkonong Solar Energy Center is located in the Towns of Christiana and Deerfield in Dane County, Wisconsin.
(e) Located in Columbia County, Wisconsin.
(f) Badger Hollow Wind is located in Iowa and Grant Counties, Wisconsin.
(g) Whitetail Wind is located in Grant County, Wisconsin.
(h) Dawn Harvest Solar Energy Center is located in Rock County, Wisconsin.
(i) Forward Wind Energy Center is located in Dodge and Fond du Lac Counties, Wisconsin.
(j) Saratoga Solar Energy Center is located in Wood County, Wisconsin.

(k) Estimated costs are expected to exceed PSCW previously approved Certificate of Authority (CA) levels. Notifications are provided to the PSCW when costs increase above CA levels. MGE has and will continue to request recovery of the updated costs in its rate case proceedings.

(l) This project was awarded with a grant from the U.S. Department of Energy's Office of Clean Energy Demonstrations. This will reduce the total estimated project expenses. The remaining cost is expected to be approximately $16 million. As of September 30, 2026, MGE received $4.3 million in reimbursements. This is not reflected in the table above.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations.

General

MGE Energy is an investor-owned public utility holding company operating through subsidiaries in five business segments:

- Regulated electric utility operations, conducted through MGE, which generate and distribute electricity to approximately 170,000 customers in Dane County, Wisconsin,
- Regulated gas utility operations, conducted through MGE, which distribute natural gas to approximately 180,000 customers in seven south-central and western Wisconsin counties,
- Nonregulated energy operations, conducted through MGE Power and its subsidiaries, which own interests in electric generating capacity that is leased to MGE,
- Transmission investments, representing our equity investment in ATC, which owns and operates electric transmission facilities primarily in Wisconsin, and ATC Holdco, a company created to facilitate out-of-state electric transmission development and investments, and
- All other, which includes investing in companies and property that relate to the regulated operations and financing of the regulated operations, through its wholly owned subsidiaries CWDC, MAGAEL, and North Mendota, and corporate operations and services.

MGE will continue to focus on growing earnings while controlling operating and fuel costs. MGE's goal is to provide safe and efficient operations in addition to providing customer value. We believe it is critical to maintain a strong credit rating consistent with financial strength in MGE in order to accomplish these goals.

The ownership/leasing structure for our nonregulated energy operations was adopted under applicable state regulatory guidelines for MGE's participation in these generation facilities, consisting principally of a stable return on the equity investment in the new generation facilities over the term of the related leases. The nonregulated energy operations include an ownership interest in two coal-fired generating units in Oak Creek, Wisconsin, and a partial ownership of a cogeneration project on the UW-Madison campus. A third party operates the units in Oak Creek, and MGE operates the cogeneration project. Due to the nature of MGE's participation in these facilities, the results of MGE Energy's nonregulated operations are also consolidated into MGE's consolidated financial position and results of operations under applicable accounting standards.

Executive Overview

We principally earn revenue and generate cash from operations by providing electric and natural gas utility services, including electric power generation and electric power and gas distribution. The earnings and cash flows from the utility business are sensitive to various external factors, including, but not limited to:

- Weather, and its impact on customer sales,
- Economic conditions, including current business activity and employment and their impact on customer demand,
- Regulation and regulatory issues, and their impact on the timing and recovery of costs,
- Energy commodity prices, including natural gas prices,
- Equity price risk pertaining to pension-related assets,
- Credit market conditions, including interest rates and our debt credit rating,
- Environmental laws and regulations, including adopted and pending environmental rule changes, and
- Other factors listed in Item 1A. Risk Factors in our 2025 Annual Report on Form 10-K.

During the three months ended September 30, 2026, MGE Energy's earnings were $56.4 million, or $1.48 per diluted share, compared to $44.5 million, or $1.22 per diluted share, during the same period in the prior year. MGE's earnings during the three months ended September 30, 2026, were $45.2 million compared to $34.1 million during the same period in the prior year.

During the nine months ended September 30, 2026, MGE Energy's earnings were $138.2 million, or $3.70 per diluted share, compared to $112.6 million, or $3.08 per diluted share, during the same period in the prior year. MGE's earnings during the nine months ended September 30, 2026, were $107.7 million compared to $87.1 million during the same period in the prior year.

MGE Energy's net income was derived from our business segments as follows:

(In millions)	Three Months Ended September 30,		Nine Months Ended September 30,	
Business Segment:	2026	2025	2026	2025
Electric Utility	$ 47.9	$ 36.3	$ 96.2	$ 76.1
Gas Utility	(3.6)	(2.8)	9.2	9.5
Nonregulated Energy	6.7	6.3	19.5	18.5
Transmission Investments	2.9	2.4	8.2	6.9
All Other	2.5	2.3	5.1	1.6
Net Income	$ 56.4	$ 44.5	$ 138.2	$ 112.6

Our net income during the three and nine months ended September 30, 2026, compared to the same periods in the prior year, primarily reflects the effects of the following factors:

Electric Utility
Earnings for the three and nine months ended September 30, 2026, increased year-over-year, primarily driven by a rise in the rate base due to increased electric investments approved in the 2026/2027 rate case. The increase also reflected higher allowance for funds used during construction (AFUDC) equity associated with the construction of Koshkonong, High Noon, Sunnyside, and other early development projects.

Transmission Investments
Transmission investment income increased primarily due to higher equity earnings from MGE Transco's investment in ATC.

All Other
Investment gains from venture capital funds resulted in higher earnings for the three and nine months ended September 30, 2026, compared to the same periods in the prior year. These venture capital investments support early-stage companies working to advance smart technologies, the customer experience, distributed energy resources, electrification, cybersecurity and other priorities for utility companies, such as greater sustainability.

Significant Events

The following events affected the first nine months of 2026:

2026/2027 Rate Settlement Agreement: In December 2025, the PSCW approved a unanimous settlement agreement that MGE reached with intervening parties in its 2026/2027 rate case. As part of the settlement agreement, the PSCW approved a 0.15% increase for electric rates and a 2.77% increase to gas rates for 2026 and a 3.63% increase for electric rates and a 2.04% increase to gas rates for 2027. MGE filed a 2027 Fuel Cost Plan with the PSCW in June 2026. The plan would lower the 2027 increase in electric rates to 2.31% to reflect lower expected fuel costs. MGE expects a final decision from the PSCW on the Fuel Cost Plan by the end of 2026. See "Other Matters" below for additional information on the 2026/2027 rate case settlement.

2026 Deferred Fuel Savings: MGE had deferred fuel savings through the nine months ended September 30, 2026. As of September 30, 2026, MGE deferred $7.6 million of 2026 fuel savings. These costs will be subject to the PSCW's annual review of 2026 fuel costs, expected to be completed during 2027. See Footnote 9 of the Notes to the Consolidated Financial Statements in this Report for further information regarding fuel cost proceedings.

Large Scale Utility Projects: Large scale generation projects recently completed or under construction are summarized in the following table. Incurred costs are reflected in "Property, plant, and equipment, net" for projects placed in service, or "Construction work in progress" for projects under construction on the consolidated balance sheets.

Source *(In millions)*	Share of Estimated Costs[a]	Costs Incurred as of September 30, 2026[a][b]
Solar	$ 539	$ 185.9
Wind	73	19.3
Battery	200	92.5
Storage	22	7.1
Other	11	1.0

(a) Excluding AFUDC.
(b) MGE received specific approval to recover 100% AFUDC. After tax, MGE recognized $5.5 million, $4.3 million, $3.0 million, and $3.3 million of AFUDC equity earnings through September 30, 2026, on Koshkonong, High Noon, Sunnyside, and other projects, respectively, during construction. AFUDC has been excluded from the costs incurred in the table above.

In February 2026, MGE executed an asset purchase agreement to acquire a 33.4% ownership interest in the RockGen Energy Center, an existing natural gas-fired generating plant near Cambridge, Wisconsin. MGE's estimated cost is approximately $203 million. If approved, the transaction is expected to close in late 2027.

In the near term, several items may affect us, including:

2025 Annual Fuel Proceeding: MGE had fuel savings in 2025. As of December 31, 2025, MGE deferred $7.1 million of 2025 fuel savings. The PSCW has completed the annual review of 2025 fuel costs and gave approval for MGE to return these savings in October 2026. There was no change to the costs to be refunded in the fuel rule proceedings from the amount MGE deferred in the previous year.

Environmental Initiatives: There are proposed legislative rules and initiatives involving matters related to air emissions, water effluent, hazardous materials, and greenhouse gases, all of which affect generation plant capital expenditures and operating costs as well as future operational planning. Legislation and rulemaking addressing climate change and related matters could significantly affect the costs of owning and operating fossil-fueled generating plants. MGE would expect to seek and receive recovery of any such costs in rates. However, it is difficult to estimate the amount of such costs due to the uncertainty as to the timing and form of any legislation or rules, the timing and effects of any judicial review, and the scope and time of the recovery of costs in rates, which may occur after those costs have been incurred and paid.

Future Generation – MGE continues to work toward its goal of net-zero carbon electricity by 2050. Solar, wind, and storage projects are a major step toward deep decarbonization and greater use of clean energy sources in pursuit of our goal.

- *Growing renewable generation and storage.* MGE is seeking to acquire, or has acquired, joint interests in several renewable generation and storage projects. The forecasted capital expenditures include approximately 252 MW of solar, 18 MW of wind, and 107 MW of storage, which include projects approved or pending PSCW approval. See the 2026-2031 capital expenditures forecast included under "Liquidity and Capital Resources" below for information on those projects.

- *Transitioning away from coal.* Elm Road Units: In October 2025, MGE, along with the plant co-owners, filed a joint application with the PSCW to end the use of coal as a primary fuel at the Elm Road Units and transition the plant to natural gas. See the 2026-2031 capital expenditures forecast included under "Liquidity and Capital Resources" below for additional information. By the end of 2030, coal is expected to be used only as a backup fuel at the Elm Road Units. By the end of 2032, MGE expects that the Elm Road Units will be fully transitioned away from coal.

  Columbia: Operational, regulatory, and environmental regulation considerations have impacted and continue to impact Columbia's generation planning. MGE, as a minority owner, and Columbia's other co-owners continue to evaluate transitioning away from coal, including potential alternatives at Columbia while maintaining electric service reliability.

Environmental Initiatives – Natural gas distribution: Building upon our long-standing commitment to providing affordable, sustainable energy, MGE has set a goal to achieve net-zero methane emissions from its natural gas distribution system by 2035. If MGE can accelerate plans to achieve net-zero methane emissions from its natural gas system—through the evolution of new

technologies, such as renewable natural gas—it will. MGE is working to reduce overall emissions from its natural gas distribution system in a quick and cost-effective manner. MGE offers two voluntary renewable natural gas programs. The initial program, launched in May 2024, enables customers to offset emissions associated with their natural gas consumption through a mechanism in which MGE purchases renewable thermal credits and retires them on behalf of participating customers. The second program, launched in January 2026, enables customers to inject renewable natural gas produced on the customer's premise into MGE's distribution system. Customers may sell the natural gas to MGE or another third party and may retain or sell to MGE or another third party the associated environmental attributes.

Solar Procurement Disruptions: MGE is monitoring import regulations under the Uyghur Forced Labor Prevention Act and the U.S. Department of Commerce's new solar tariffs. These disruptions have a potential to impact current and future solar projects which may result in an increase in costs or delays in construction timelines. In the event that such disruptions cause costs to exceed the levels approved for specific projects, we have filed, and expect to continue to file, notifications with the PSCW and expect to request recovery of any increases in MGE's future rate proceedings. See "Other Matters" below for additional information on the solar procurement disruptions.

Tariffs: MGE is monitoring the actions of the Trump Administration with respect to certain proposed or recently implemented import tariffs on foreign goods. These tariffs have a potential impact on cost of operations and on current and future capital projects. See "Other Matters" below for additional information on tariffs.

Financing and Equity Issuance Plans: On September 30, 2026, the PSCW approved MGE's application for authority to issue and sell (i) up to $800 million aggregate principal amount of long-term debt securities through December 31, 2029, and (ii) up to $250 million aggregate principal amount of short-term debt, with the authorization becoming effective on October 1, 2026. MGE Energy has equity programs available to issue new shares of common stock, including its at-the-market offering program, forward equity sale agreements, and its Direct Stock Purchase and Dividend Reinvestment Plan. See Footnote 6 of the Notes to Consolidated Financial Statements in this Report for additional information on these programs. The amount and timing of any financings will be primarily driven by capital investments and cash requirements and will depend upon market conditions, regulatory approvals, and other factors.

Large-Load Growth: Management continues to receive inquiries from prospective large-load customers, including data-intensive and technology-focused operations, regarding electric service in our service territory. MGE evaluates these opportunities on a case-by-case basis, including consideration of load requirements, transmission and interconnection needs, and potential impacts on the electric system. The scope and timing of any resulting customer load remain uncertain.

The following discussion is based on the business segments as discussed in Footnote 14 of the Notes to Consolidated Financial Statements in this Report.

Results of Operations

Three Months Ended September 30, 2026 and 2025

Electric sales and revenues

The following table compares MGE's electric revenues and electric kWh sales by customer class for each of the periods indicated:

	Revenues			Sales (kWh)		
	Three Months Ended September 30,			Three Months Ended September 30,		
(In thousands, except CDD)	2026	2025	% Change	2026	2025	% Change
Residential	$ 59,630	$ 54,253	9.9%	286,184	270,444	5.8%
Commercial	78,342	72,004	8.8%	515,993	504,033	2.4%
Industrial	3,873	3,393	14.1%	38,440	37,780	1.7%
Other-retail/municipal	12,160	10,764	13.0%	113,004	104,264	8.4%
Total retail	154,005	140,414	9.7%	953,621	916,521	4.0%
Sales to the market	18,071	13,980	29.3%	109,341	145,831	(25.0)%
Other	638	883	(27.7)%	—	—	—%
Total	$ 172,714	$ 155,277	11.2%	1,062,962	1,062,352	0.1%
Cooling degree days (normal 509)				571	504	13.3%

Electric revenue increased $17.4 million during the three months ended September 30, 2026, compared to the same period in the prior year, due to the following:

(In millions)	
Revenue subject to refund, net	$ 5.5
Sales to the market	4.1
Increase in residential volume	2.9
Rate changes	2.8
Net increase in commercial, industrial and other-retail/municipal volume	1.4
Customer fixed and demand charges	0.9
Other	(0.2)
Total	$ 17.4

- *Revenue subject to refund.* For cost recovery mechanisms, any over-collection of revenues resulting from costs authorized to be collected from customers in rates exceeding actual costs is recorded as a reduction of revenue in the period incurred, as the over-collection is expected to be refunded to customers in a subsequent period. In the year the over-collection is refunded, rates are reduced and offset as revenue subject to refund. There is no net income impact in the year the costs are refunded.

- *Sales to the market.* Sales to the market typically occur when MGE has more generation in the MISO market than is needed for its customer demand. The excess electricity is then sold to other utilities or power marketers in the MISO market. During the three months ended September 30, 2026, sales were made at higher prices and were partially offset by decreased market volume compared to the same period in the prior year. The revenue generated from these sales is largely offset by fuel rules costs, and does not have a significant impact on net income. See fuel rules discussion in Footnote 9 of the Notes to Consolidated Financial Statements in this Report.

- *Residential Volume.* During the three months ended September 30, 2026, residential sales increased by approximately 6% compared to the same period in the prior year. This increase was driven by favorable weather conditions and an increase in customers during the three months ended September 30, 2026, compared to the same period in the prior year.

- *Rate changes.* In December 2025, the PSCW authorized MGE to increase 2026 rates for retail electric customers by approximately 0.15%. Rates charged to retail customers during the three months ended September 30, 2026, were $2.8 million higher than those charged during the same period in the prior year. See Footnote 9 of the Notes to Consolidated Financial Statements in this Report for further information on the rate increase. Any increases in rates associated with fuel or purchased power costs are generally offset by fuel and purchased power costs and do not have a significant impact on net income.

- *Commercial, industrial, and other-retail/municipal volume.* During the three months ended September 30, 2026, there was an approximately 2% increase in commercial sales compared to the same period in the prior year. This increase was driven by more favorable weather conditions and increased use per customer in the current year.

Electric fuel and purchased power

	Three Months Ended September 30,		
(In millions)	2026	2025	$ Change
Fuel for electric generation	$ 24.1	$ 22.2	$ 1.9
Purchased power	5.1	4.3	0.8

The $1.9 million increase in fuel for electric generation was due to an approximately 9% increase in the average cost compared to the same period in the prior year.

Excluding deferred fuel costs, purchased power increased $0.8 million. The increase in purchased power was due to an approximately 12% increase in average cost and an approximately 6% increase in market purchases. There were no deferred fuel costs recovered during the three months ended September 30, 2026 and 2025.

Fuel and purchased power costs are generally offset by electric revenue and do not have a significant impact on net income. MGE expects to seek and receive recovery of fuel and purchased power costs that exceed the fuel rules bandwidth in customer rates. See Footnote 9 of the Notes to Consolidated Financial Statements in this Report for further information on the fuel rules bandwidth.

Gas deliveries and revenues

The following table compares MGE's gas revenues and gas therms delivered by customer class for each of the periods indicated:

	Revenues			Therms Delivered		
(In thousands, except HDD and average	Three Months Ended September 30,			Three Months Ended September 30,		
rate per therm of retail customer)	2026	2025	% Change	2026	2025	% Change
Residential	$ 11,990	$ 12,646	(5.2)%	6,108	6,156	(0.8)%
Commercial/Industrial	5,352	6,273	(14.7)%	9,614	9,527	0.9%
Total retail	17,342	18,919	(8.3)%	15,722	15,683	0.2%
Gas transportation	21	1,156	(98.2)%	14,295	15,838	(9.7)%
Other	106	113	(6.2)%	—	—	—%
Total	$ 17,469	$ 20,188	(13.5)%	30,017	31,521	(4.8)%
Heating degree days (normal 128)				95	105	(9.5)%
Average rate per therm of retail customer	$ 1.103	$ 1.206	(8.5)%			

Gas revenue decreased $2.7 million during the three months ended September 30, 2026, compared to the same period in the prior year, due to the following:

(In millions)	
Revenue subject to refund, net	$ (4.5)
Other	1.1
Rate changes	0.7
Total	$ (2.7)

- *Revenue subject to refund.* For cost recovery mechanisms, any over-collection of revenues resulting from costs authorized to be collected from customers in rates exceeding actual costs is recorded as a reduction of revenue in the period incurred, as the over-collection is expected to be refunded to customers in a subsequent period. In the year the over-collection is refunded, rates are reduced and offset as revenue subject to refund. There is no net income impact in the year the costs are refunded.

- *Other.* For the three months ended September 30, 2026, other gas revenue increased primarily due to customer growth and higher residential customer fixed rate.

Cost of gas sold

Cost of gas sold decreased $4.4 million during the three months ended September 30, 2026, compared to the same period in the prior year, primarily due to lower gas costs, including a refund associated with revised transportation and storage rates. This was partially offset by an increase in therms delivered of approximately 2%. MGE recovers the cost of natural gas in its gas segment through the PGA as described under gas deliveries and revenues above.

Consolidated operations and maintenance expenses

During the three months ended September 30, 2026, operations and maintenance expenses increased $8.6 million, compared to the same period in the prior year. The following contributed to the net change:

(In millions)	
Increased administrative and general costs	$ 2.8
Increased electric production expenses	1.6
Increased transmission costs	1.6
Increased customer accounts costs	1.1
Increased electric distribution expenses	0.6
Increased gas distribution expenses	0.5
Increased other expenses	0.4
Total	$ 8.6

- Increased administrative and general costs are primarily related to increased pension and other postretirement costs. The PSCW has authorized MGE to defer as a regulatory asset or liability, the difference between actual pension and other postretirement

costs included in rates and to be recovered or refunded in a future rate proceeding. Pension and other postretirement costs are generally offset by electric revenue and do not have a significant impact on net income.

- Electric production expenses increased primarily due to higher operating and maintenance costs at the Columbia generating station, including boiler plant maintenance and other generation-related expenses.

- Increased transmission costs are primarily a result of an increase in transmission rate. Transmission costs represent ATC and MISO network transmission expenses authorized to be collected in rates. The PSCW has authorized MGE to defer as a regulatory asset or liability, the difference between actual costs included in rates and to be recovered or refunded in a future rate proceeding. Transmission cost is generally offset by electric revenue and does not have a significant impact on net income.

- Increased customer accounts costs are primarily due to higher costs associated with customer-related technology systems and supporting activities.

Consolidated depreciation expense

Electric depreciation expense decreased $0.2 million and gas depreciation expense increased $0.6 million during the three months ended September 30, 2026, compared to the same period in the prior year. In December 2025, the PSCW approved new depreciation rates, which were implemented and became effective as of January 1, 2026. These new rates were the primary driver for the change in depreciation expense.

Electric and gas other income

Electric other income increased $4.3 million and gas other income increased $0.3 million during the three months ended September 30, 2026, compared to the same period in the prior year, driven by a $0.7 million positive impact from non-service costs components of pension and other postretirement costs. The PSCW has authorized MGE to defer as a regulatory asset or liability, the difference between actual pension and other postretirement costs included in rates and to be recovered or refunded in a future rate proceeding. Pension and other postretirement cost is generally offset by electric and gas revenue and does not have a significant impact on net income. Higher AFUDC-Equity due to continued capital investment further contributed to an increase of $3.3 million in electric other income.

Nonregulated Energy Operations - MGE Energy and MGE

The nonregulated energy operations are conducted through MGE Energy's subsidiaries: MGE Power Elm Road (the Elm Road Units) and MGE Power West Campus (WCCF), which have been formed to own and lease electric generating capacity to assist MGE. During the three months ended September 30, 2026 and 2025, net income at the nonregulated energy operations segment was $6.7 million and $6.3 million, respectively.

Transmission Investment Operations - MGE Energy

The transmission investment segment holds our interest in ATC and ATC Holdco, and its income reflects our equity in the earnings of those investments. ATC Holdco was formed in December 2016 to pursue transmission development opportunities that typically have long development and investment lead times before becoming operational. During the three months ended September 30, 2026 and 2025, other income at the transmission investment segment primarily reflects ATC's operations and was $3.9 million and $3.3 million, respectively. See Footnote 3 of the Notes to Consolidated Financial Statements in this Report for summarized financial information regarding ATC.

All Other Operations - MGE Energy

Other income

The increase of $2.0 million in other income from all other operations during the three months ended September 30, 2026, primarily reflects results from investment gains recognized in the current year from venture capital funds. These venture capital investments support early-stage companies working to advance smart technologies, the customer experience, distributed energy resources, electrification, cybersecurity and other priorities for utility companies, such as greater sustainability.

Consolidated Income Taxes - MGE Energy and MGE

See Footnote 4 of the Notes to Consolidated Financial Statements in this Report for the effective tax rate reconciliation.

Noncontrolling Interest, Net of Tax - MGE

Noncontrolling interest, net of tax, reflects the accounting required for MGE Energy's interest in MGE Power Elm Road (the Elm Road Units) and MGE Power West Campus (WCCF). MGE Energy owns 100% of MGE Power Elm Road and MGE Power West Campus. They are not owned by MGE. Due to the contractual agreements for these projects with MGE, the entities are considered VIEs with respect to MGE and their results are consolidated with those of MGE, the primary beneficiary of the VIEs. The following table shows MGE Energy's noncontrolling interest, net of tax, reflected on MGE's consolidated statement of income:

	Three Months Ended September 30,	
(In millions)	2026	2025
MGE Power Elm Road	$ 3.9	$ 3.7
MGE Power West Campus	1.9	2.0

Results of Operations

Nine Months Ended September 30, 2026 and 2025

Electric sales and revenues

The following table compares MGE's electric revenues and electric kWh sales by customer class for each of the periods indicated:

	Revenues			Sales (kWh)

Cooling degree days (normal 712)				735	727	1.1%

Electric revenue increased $25.4 million during the nine months ended September 30, 2026, compared to the same period in the prior year, due to the following:

(In millions)	
Sales to the market	$ 8.4
Rate changes	6.8
Revenue subject to refund, net	3.9
Increase in residential volume	3.0
Customer fixed and demand charges	2.0
Net increase in commercial, industrial and other-retail/municipal volume	1.7
Other	(0.4)
Total	$ 25.4

- *Sales to the market.* Sales to the market typically occur when MGE has more generation in the MISO market than is needed for its customer demand. The excess electricity is then sold to other utilities or power marketers in the MISO market. During the nine months ended September 30, 2026, sales were made at higher prices and were partially offset by decreased market volume compared to the same period in the prior year. The revenue generated from these sales is largely offset by fuel rules costs, and does not have a significant impact on net income. See fuel rules discussion in Footnote 9 of the Notes to Consolidated

Financial Statements in this Report.

- *Rate changes.* In December 2025, the PSCW authorized MGE to increase 2026 rates for retail electric customers by approximately 0.15%. Rates charged to retail customers during the nine months ended September 30, 2026, were $6.8 million higher than those charged during the same period in the prior year. See Footnote 9 of the Notes to Consolidated Financial Statements in this Report for further information on the rate increase. Any increases in rates associated with fuel or purchased power costs are generally offset by fuel and purchased power costs and do not have a significant impact on net income.

- *Revenue subject to refund.* For cost recovery mechanisms, any over-collection of revenues resulting from costs authorized to be collected from customers in rates exceeding actual costs is recorded as a reduction of revenue in the period incurred, as the over-collection is expected to be refunded to customers in a subsequent period. In the year the over-collection is refunded, rates are reduced and offset as revenue subject to refund. There is no net income impact in the year the costs are refunded.

- *Residential Volume.* During the nine months ended September 30, 2026, residential sales increased by approximately 2% compared to the same period in the prior year. This increase was driven by favorable weather conditions and an increase in customers during the nine months ended September 30, 2026, compared to the same period in the prior year.

- *Customer fixed and demand charges.* During the nine months ended September 30, 2026, fixed and demand charges increased $2.0 million, primarily attributable to the increase in demand charges for commercial customers.

- *Commercial, industrial, and other-retail/municipal volume.* During the nine months ended September 30, 2026, there was an approximately 1% increase in commercial sales compared to the same period in the prior year. This increase was driven by more favorable weather conditions and increased use per customer in the current year.

Electric fuel and purchased power

	Nine Months Ended September 30,		
(In millions)	2026	2025	$ Change
Fuel for electric generation	$ 57.3	$ 56.1	$ 1.2
Purchased power	13.3	14.2	(0.9)

The $1.2 million increase in fuel for electric generation in the first nine months of 2026 was due to an approximately 6% increase in the average cost, partially offset by an approximately 3% decrease in internal generation, each compared to the same period in the prior year.

Excluding deferred fuel costs, purchased power decreased $0.9 million in the first nine months of 2026, compared to the same period in the prior year. The decrease in purchased power was due to an approximately 27% decrease in average cost. This decrease was partially offset by an approximately 29% increase in market purchases as a result of decreased internal generation. There were no deferred fuel costs recovered during the nine months ended September 30, 2026 and 2025.

Fuel and purchased power costs are generally offset by electric revenue and do not have a significant impact on net income. MGE expects to seek and receive recovery of fuel and purchased power costs that exceed the fuel rules bandwidth in customer rates. See Footnote 9 of the Notes to Consolidated Financial Statements in this Report for further information on the fuel rules bandwidth.

Gas deliveries and revenues

The following table compares MGE's gas revenues and gas therms delivered by customer class for each of the periods indicated:

	Revenues			Therms Delivered		
(In thousands, except HDD and average	Nine Months Ended September 30,			Nine Months Ended September 30,		
rate per therm of retail customer)	2026	2025	% Change	2026	2025	% Change
Residential	$ 92,761	$ 84,470	9.8%	68,816	71,418	(3.6)%

Gas revenue increased $14.7 million during the nine months ended September 30, 2026, compared to the same period in the prior year, due to the following:

(In millions)	
Rate changes	$ 16.8
Other	3.3
Decrease in volume	(3.2)
Revenue subject to refund, net	(2.2)
Total	$ 14.7

- *Rate changes.* In December 2025, the PSCW authorized MGE to increase 2026 rates for retail gas customers by approximately 2.77%.

  MGE recovers the cost of natural gas in its gas segment through the PGA. Under the PGA, MGE is able to pass through to its gas customers the cost of gas. Changes in PGA recoveries affect revenues but do not change net income in view of the pass-through treatment of the costs. Payments for natural gas increased, driving higher rates during the nine months ended September 30, 2026.

  The average retail rate per therm excluding customer fixed charges for the nine months ended September 30, 2026, increased approximately 14% compared to the same period in the prior year, reflecting an increase in natural gas commodity costs (recovered through the PGA).

- *Other.* For the nine months ended September 30, 2026, other gas revenue increased primarily due to customer growth and higher residential customer fixed rate.

- *Volume.* For the nine months ended September 30, 2026, retail gas deliveries decreased approximately 3% compared to the same period in the prior year. The decrease was primarily attributable to lower residential use per customer. Unfavorable weather conditions during the first nine months of 2026 further contributed to the reduction in volumes.

- *Revenue subject to refund.* For cost recovery mechanisms, any over-collection of revenues resulting from costs authorized to be collected from customers in rates exceeding actual costs is recorded as a reduction of revenue in the period incurred, as the over-collection is expected to be refunded to customers in a subsequent period. In the year the over-collection is refunded, rates are reduced and offset as revenue subject to refund. There is no net income impact in the year the costs are refunded.

Cost of gas sold

Cost of gas sold increased $10.4 million during the nine months ended September 30, 2026, compared to the same period in the prior year. Cost per therm increased approximately 18%, partially offset by a decrease in therms delivered of approximately 3%. MGE recovers the cost of natural gas in its gas segment through the PGA as described under gas deliveries and revenues above.

Consolidated operations and maintenance expenses

During the nine months ended September 30, 2026, operations and maintenance expenses increased $21.1 million, compared to the same period in the prior year. The following contributed to the net change:

(In millions)		
Increased administrative and general costs	$	9.8
Increased transmission costs		4.8
Increased electric production expenses		3.8
Increased electric distribution expenses		1.1
Increased gas distribution expenses		0.6
Increased customer accounts costs		0.5
Increased other expenses		0.5
Total	$	21.1

- Increased administrative and general costs are primarily related to increased pension and other postretirement costs. The PSCW has authorized MGE to defer as a regulatory asset or liability, the difference between actual pension and other postretirement costs included in rates and to be recovered or refunded in a future rate proceeding. Pension and other postretirement cost are generally offset by electric revenue and does not have a significant impact on net income.

- Increased transmission costs are primarily a result of an increase in transmission rate. Transmission costs represent ATC and MISO network transmission expenses authorized to collect in rates. The PSCW has authorized MGE to defer as a regulatory asset or liability, the difference between actual costs included in rates and to be recovered or refunded in a future rate proceeding. Transmission cost is generally offset by electric revenue and does not have a significant impact on net income.

- Electric production expenses increased primarily due to higher operating and maintenance costs at the Columbia generating station, including boiler plant maintenance and other generation-related expenses, along with increased costs associated with renewable generating facilities.

- Electric distribution costs increased, primarily due to higher system maintenance and operating costs, including overhead line maintenance and increased locating services.

Consolidated depreciation expense

Electric depreciation expense decreased $0.6 million and gas depreciation expense increased $1.9 million during the nine months ended September 30, 2026, compared to the same period in the prior year. In December 2025, the PSCW approved new depreciation rates, which were implemented and became effective as of January 1, 2026. These new rates were the primary driver for the change in depreciation expense.

Electric and gas other income

Electric other income increased $15.2 million and gas other income increased $3.3 million during the nine months ended September 30, 2026, compared to the same period in the prior year, driven by a $7.2 million positive impact from non-service costs components of pension and other postretirement costs. The PSCW has authorized MGE to defer as a regulatory asset or liability, the difference between actual pension and other postretirement costs included in rates and to be recovered or refunded in a future rate proceeding. Pension and other postretirement cost is generally offset by electric and gas revenue and does not have a significant impact on net income. Higher AFUDC-Equity due to continued capital investment further contributed to an increase of $9.5 million in electric other income.

Nonregulated Energy Operations - MGE Energy and MGE

The nonregulated energy operations are conducted through MGE Energy's subsidiaries: MGE Power Elm Road (the Elm Road Units) and MGE Power West Campus (WCCF), which have been formed to own and lease electric generating capacity to assist MGE. During the nine months ended September 30, 2026 and 2025, net income at the nonregulated energy operations segment was $19.5 million and $18.5 million, respectively.

Transmission Investment Operations - MGE Energy

The transmission investment segment holds our interest in ATC and ATC Holdco, and its income reflects our equity in the earnings of those investments. ATC Holdco was formed in December 2016 to pursue transmission development opportunities that typically have long development and investment lead times before becoming operational. During the nine months ended September 30, 2026 and 2025, other income at the transmission investment segment primarily reflects ATC's operations and was $11.3 million and $9.6 million, respectively. See Footnote 3 of the Notes to Consolidated Financial Statements in this Report for summarized financial information regarding ATC.

All Other Operations - MGE Energy

Other income

The increase of $5.9 million in other income from all other operations during the nine months ended September 30, 2026, primarily reflects results from investment gains recognized in the current year, from venture capital funds. These venture capital investments support early-stage companies working to advance smart technologies, the customer experience, distributed energy resources, electrification, cybersecurity and other priorities for utility companies, such as greater sustainability.

Consolidated Income Taxes - MGE Energy and MGE

See Footnote 4 of the Notes to Consolidated Financial Statements in this Report for the effective tax rate.

Noncontrolling Interest, Net of Tax - MGE

Noncontrolling interest, net of tax, reflects the accounting required for MGE Energy's interest in MGE Power Elm Road (the Elm Road Units) and MGE Power West Campus (WCCF). MGE Energy owns 100% of MGE Power Elm Road and MGE Power West Campus. They are not owned by MGE. Due to the contractual agreements for these projects with MGE, the entities are considered VIEs with respect to MGE and their results are consolidated with those of MGE, the primary beneficiary of the VIEs. The following table shows MGE's noncontrolling interest, net of tax, reflected on MGE's consolidated statement of income:

	Nine Months Ended September 30,	
(In millions)	2026	2025
MGE Power Elm Road	$ 11.4	$ 11.4
MGE Power West Campus	5.7	5.6

Contractual Obligations and Commercial Commitments - MGE Energy and MGE

There were no material changes, other than from the normal course of business, to MGE Energy's and MGE's contractual obligations (representing cash obligations that are considered to be firm commitments) and commercial commitments (representing commitments triggered by future events) during the nine months ended September 30, 2026, except as noted below. Further discussion of the contractual obligations and commercial commitments is included in Footnote 16 of the Notes to Consolidated Financial Statements and "Contractual Obligations and Commercial Commitments for MGE Energy and MGE" under Part II, Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations in the 2025 Annual Report on Form 10-K.

Purchase Contracts – MGE Energy and MGE

See Footnote 8.c. of Notes to Consolidated Financial Statements in this Report for a description of commitments as of September 30, 2026, that MGE Energy and MGE have entered into with respect to various commodity supply and transportation contracts to meet their obligations to deliver electricity and natural gas to customers.

Liquidity and Capital Resources

MGE Energy and MGE expect to have adequate liquidity to support future operations and capital expenditures over the next twelve months. Available resources include cash and cash equivalents, operating cash flows, liquid assets, borrowing working capacity under revolving credit facilities, and access to equity and debt capital markets, including our at-the-market program. In May 2026, MGE Energy also completed a public offering of common stock, including forward sale agreements that will provide an additional source of liquidity and financial flexibility to support future capital investment needs upon settlement of the shares of common stock sold under the agreements, as described in Footnote 6.c. of the Notes to Consolidated Financial Statements in this Report. The

amount and timing of any financings will be primarily driven by capital investments and cash requirements and will depend upon market conditions, regulatory approvals, and other factors. MGE plans to maintain a capital structure consistent with authorized levels approved by its regulator. See "Credit Facilities" under Part II, Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations – Liquidity and Capital Resources in the 2025 Annual Report on Form 10-K for information regarding MGE Energy's and MGE's credit facilities, together with the disclosure under the heading "Third Amended and Restated Credit Agreements" below and Footnote 6 of the Notes to Consolidated Financial Statements in this Report.

(a) Includes actual capital expenditures already incurred in 2026 and estimated capital expenditures for the remainder of the year.

Forecasted capital expenditures are based upon management's assumptions with respect to future events, including the timing and amount of expenditures associated with environmental compliance initiatives, legislative and regulatory action, supply chain and market disruptions, customer demand and support for electrification and renewable energy resources, energy conservation programs, load growth, the timing of any required regulatory approvals, and the adequacy of rate recovery. Actual events may differ materially from these assumptions and result in material changes to those forecasted amounts.

Forecasted capital expenditures reflect the following significant generation and storage projects that are currently under construction or pending regulatory approval:

(a) Approved by the PSCW.
(b) Excluding AFUDC.
(c) MGE received PSCW approval to recover 100% AFUDC.
(d) See Footnote 12 of Notes to Consolidated Financial Statements in this Report for information on costs incurred.
(e) Pending approval by the PSCW.
(f) Estimated costs are expected to exceed PSCW previously approved CA levels. Notifications are provided to the PSCW when costs increase above CA levels. MGE has and will continue to request recovery of the updates in its rate case proceedings.
(g) The project was awarded with a grant from the U.S. Department of Energy Office of Clean Energy Demonstrations. The grant will reduce the total estimated project expenses. MGE holds a 19% ownership interest in this project and the cost, after grant, is expected to be approximately $16 million.

(h) In October 2025, MGE and other co-owners filed a joint application with the PSCW for upgrades to the non-regulated Elm Road Units. The project would convert existing coal-fired boilers to natural gas. MGE holds an 8.33% ownership interest in the facility. MGE's estimated cost is approximately $11 million. If approved, the project is expected to be placed in service in 2028.

(i) In February 2026, MGE executed an asset purchase agreement to acquire a 33.4% ownership interest in the RockGen Energy Center, an existing natural gas-fired generating plant near Cambridge, Wisconsin. MGE's estimated cost is approximately $203 million. If approved, the project is expected to be placed in service in 2027.

MGE continues to assess the potential impact of procurement disruptions on current and future generation projects that may result in an increase in costs or delays in construction timelines. In the event that such disruptions cause costs to exceed the levels approved for specific projects, we have filed, and expect to continue to file, notifications with the PSCW and expect to request recovery of any increases in MGE's future rate proceedings. See further information on procurement disruptions discussed under "Other Matters" section below.

Other local solar and battery storage projects: In 2026 through 2028, electric renewable capital expenditures include local investments in solar generation and battery storage. Forecasted total capital expenditures for those years are approximately $46 million.

Cash Provided by Financing Activities

The principal sources and uses of cash are related to short-term and long-term borrowings and repayments and the payment of cash dividends.

The principal increases (decreases) in cash flows from financing activities during the nine months ended September 30, 2026, compared to the same period in 2025, were as follows:

(In millions)	MGE Energy	MGE
Higher issuance of common stock	$ 88.2	$ —
Change in long-term debt[(a)]	73.7	73.7
Higher capital contribution from parent (MGE Energy)	—	81.5
Lower cash dividends to parent (MGE Energy)	—	4.0
Change in short-term debt borrowings, net	(118.3)	(118.3)
Higher cash dividends paid, dividend rate per share ($1.458 vs. $1.375)	(4.3)	—
Higher distributions to parent (MGE Energy) from noncontrolling interest, representing distributions from MGE Power Elm Road and MGE Power West Campus[(b)]	—	(2.0)
Other financing activities	(0.7)	(0.7)
Increase in cash flows from financing activities	$ 38.6	$ 38.2

(a) In January 2026, MGE issued $90 million of senior unsecured notes that were used to assist with financing additional capital expenditures and other corporate obligations. In January 2026, MGE completed a redemption of $1.2 million of its outstanding first mortgage bonds. In September 2026, MGE repaid $15 million of outstanding long-term debt.

(b) The noncontrolling interest arises from the accounting required for the entities, which are not owned by MGE but are consolidated as VIEs.

Capitalization Ratios

MGE Energy's capitalization ratios were as follows:

	MGE Energy	
	September 30, 2026	December 31, 2025
Common shareholders' equity	61.3%	58.9%
Long-term debt[(a)]	36.6%	36.8%
Short-term debt	2.1%	4.3%

(a) Includes the current portion of long-term debt.

Credit Ratings

MGE Energy's and MGE's access to the capital markets, including, in the case of MGE, the commercial paper market, and their respective financing costs in those markets, may depend on the credit ratings of the entity that is accessing the capital markets.

None of MGE Energy's or MGE's borrowing is subject to default or prepayment as a result of a downgrading of credit ratings, although a downgrading of MGE's credit ratings would increase fees and interest charges under both MGE Energy's and MGE's credit agreements and may affect the collateral required to be posted under derivative transactions.

Third Amended and Restated Credit Agreements

As of September 30, 2026, MGE Energy and MGE had revolving credit facilities with aggregate commitments of $50 million and $130 million, respectively.

On October 1, 2026, MGE Energy and MGE entered into third amended and restated credit agreements which amended and restated their existing revolving credit facilities to, among other things, (i) extend the maturity dates to October 1, 2031 and (ii) increase the aggregate commitment under MGE's revolving credit facilities from $130 million to $250 million. MGE Energy's revolving credit commitment remained $50 million.

Environmental Matters

See the discussion of environmental matters included in the 2025 Annual Report on Form 10-K, as updated by Footnote 8.a. of Notes to Consolidated Financial Statements in this Report.

Other Matters

Rate Matters

In December 2025, the PSCW approved a settlement agreement for MGE's 2026/2027 rate case. As part of that settlement agreement, the PSCW approved a 0.15% increase for electric rates and a 2.77% increase to gas rates for 2026 and a 3.63% increase for electric rates and a 2.04% increase to gas rates for 2027. MGE filed a 2027 Fuel Cost Plan with the PSCW in June 2026. The plan would lower the 2027 increase in electric rates to 2.31% to reflect lower expected fuel costs. MGE expects a final decision from the PSCW on the Fuel Cost Plan by the end of 2026.

Details related to MGE's 2026/2027 settlement are as follows:

(Dollars in thousands)	Average Rate Base[(a)]	Average CWIP[(b)]	Return on Common Equity[(c)]	Common Equity Component of Regulatory Capital Structure	Effective Date
Electric (2026 Test Period)	$ 1,346,269	$ 37,232	9.8%	56.09%	1/1/2026
Gas (2026 Test Period)	$ 375,594	$ 7,764	9.8%	56.09%	1/1/2026
Electric (2027 Test Period)	$ 1,537,938	$ 33,082	9.8%	56.05%	1/1/2027
Gas (2027 Test Period)	$ 393,558	$ 8,912	9.8%	56.05%	1/1/2027

(a) Average rate base amounts reflect MGE's allocated share of rate base and do not include construction work in progress (CWIP) or a cash working capital allowance and were calculated using a forecasted 13-month average for the test periods. The PSCW provides a return on selected CWIP and a cash working capital allowance by adjusting the percentage return on rate base.

(b) 50% of the forecasted 13-month average CWIP for the test periods earns an AFUDC return. Projects eligible to earn 100% AFUDC are excluded from this balance and discussed further in the Management's Discussion and Analysis of Financial Condition and Results of Operations - Significant Events section.

(c) Returns on common equity may not be indicative of actual returns earned or projections of future returns, as actual returns will be affected by the volume of electricity or gas sold.

See Footnote 9 of Notes to Consolidated Financial Statements in this Report for further discussion of rate proceedings and an earnings sharing mechanism if MGE earns above the authorized return on common equity in the rate order.

Uyghur Forced Labor Prevention Act

The UFLPA, a federal law that became effective in June 2022, prohibits importation of goods, including silica-based products used in the production of solar panels, that are mined, produced, or manufactured wholly or in part in China’s Xinjiang Uyghur Autonomous Region. Suppliers for MGE's current solar projects were able to provide the CBP sufficient documentation to meet WRO and UFLPA compliance requirements, however we cannot currently predict what, if any, impact the UFLPA will have on the overall supply of solar panels into the United States and the related impact to timing and cost of solar projects included in our capital plan. In the

event that such disruptions increase costs beyond approved levels, we have filed and expect to continue filing notifications with the PSCW and will seek recovery of those costs in future rate proceedings.

The UFLPA Entity List continues to expand, including entities participating in solar and solar supply chain activities. MGE continues to monitor developments related to the UFLPA, evaluate supplier compliance, and assess potential impacts to current and future projects.

U.S. Department of Commerce - Solar Cells and Modules

In June 2024, following AD/CVD investigations by the DOC and the USITC determining that Chinese manufacturers were circumventing tariffs on solar panels by shipping them through Cambodia, Malaysia, Thailand, and Vietnam, the DOC began applying tariffs to the importation of solar cells from those countries. In the second quarter of 2025, the DOC and USITC issued final determinations affirming and increasing the tariffs. Later that year, the U.S. Court of International Trade ruled that the prior two-year moratorium was unlawful, permitting retroactive collection, though the ruling has been stayed pending appeal to the Federal Circuit.

In late 2025, the DOC initiated new AD/CVD investigations into solar imports from India, Indonesia, and Laos. In September 2026, the DOC issued final affirmative determinations in both investigations, establishing increased tariff rates. The USITC also released a final affirmative determination in its parallel injury investigation in October 2026. Additionally, in August 2026, following a 'Section 232' national security investigation into the global polysilicon supply chain, the U.S. government announced new trade measures applicable to imports of polysilicon and certain derivative products, including solar cells and modules.

MGE continues to assess the potential impact of these tariffs on current and future solar projects, which may result in increased costs, delays in construction timelines, or a new and potentially material financial liability due to retroactive tariffs. In the event that such disruptions increase costs beyond approved levels, we have filed and expect to continue filing notifications with the PSCW and will seek recovery of those costs in future rate proceedings.

Tariffs

U.S. and international trade policies, including tariffs, port fees, trade sanctions, import restrictions, and other import/export regulations, continue to evolve, influenced by geopolitical developments and economic priorities. In September 2026, the U.S. government announced additional trade measures under Section 338 of the Tariff Act of 1930 that modified tariffs on certain Canadian goods and imposed targeted import restrictions. MGE is proactively evaluating the potential effects of these and other trade policy changes on operating costs and capital investments, particularly for renewable energy and battery storage initiatives. Such policy changes could lead to higher costs, supply chain disruptions, or delays in project timelines.

Tax Update - One Big Beautiful Bill Act

In July 2025, the OBBBA was signed into law, introducing significant changes to tax credits and compliance requirements. The OBBBA accelerates the termination of the Clean Electricity PTC and ITC for wind and solar projects placed in service after 2027. Pursuant to the OBBBA, the July 4, 2026 commencement-of-construction deadline for wind and solar projects has passed, and projects that did not begin construction by that date generally must be placed in service by December 31, 2027 to remain eligible for these credits. The phase out of PTCs and ITCs does not apply to energy storage, hydroelectric facilities, nuclear, or any other zero emission technology. The OBBBA imposes restrictions on credit eligibility, disallowing credits, and foreign entity material assistance. The Treasury Department issued new beginning-of-construction guidance in August 2025. However, a federal court vacated the guidance in June 2026, reinstating the prior physical work and 5% safe harbor framework, subject to further developments. Interim guidance has also been released on domestic content requirements. MGE has evaluated the impact of the OBBBA and will continue monitoring Treasury Department updates and engaging with industry groups to ensure compliance.

Adoption of Accounting Principles and Recently Issued Accounting Pronouncements

See Footnote 2 of Notes to Consolidated Financial Statements in this Report for discussion of new accounting pronouncements.

Item 3. Quantitative and Qualitative Disclosures About Market Risk.

There were no material changes to the market risks disclosed in Item 7A. Quantitative and Qualitative Disclosures About Market Risk in our 2025 Annual Report on Form 10-K.

Item 4. Controls and Procedures.

During the third quarter of 2026, each registrant's management, including the principal executive officer and principal financial officer, evaluated its disclosure controls and procedures related to the recording, processing, summarization, and reporting of information in its periodic reports that it files with the SEC. These disclosure controls and procedures have been designed to ensure that material information relating to that registrant, including its subsidiaries, is accumulated and made known to that registrant's management, including these officers, by other employees of that registrant and its subsidiaries as appropriate to allow timely decisions regarding required disclosure, and that this information is recorded, processed, summarized, evaluated, and reported, as applicable, within the time periods specified in the SEC's rules and forms. The evaluations take into account changes in the internal and external operating environments that may impact those controls and procedures. Due to the inherent limitations of control systems, not all misstatements may be detected. These inherent limitations include the realities that judgments in decision making can be faulty and breakdowns can occur because of simple error or mistake. Additionally, controls can be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the control. Also, MGE Energy does not control or manage certain of its unconsolidated entities and thus, its access and ability to apply its procedures to those entities is more limited than is the case for its consolidated subsidiaries.

As of September 30, 2026, each registrant's principal executive officer and principal financial officer concluded that its disclosure controls and procedures were effective. Each registrant intends to strive continually to improve its disclosure controls and procedures to enhance the quality of its financial reporting.

During the quarter ended September 30, 2026, there were no changes in either registrant's internal controls over financial reporting that materially affected, or are reasonably likely to materially affect, that registrant's internal control over financial reporting.

PART II. OTHER INFORMATION.

Item 1. Legal Proceedings.

MGE Energy and its subsidiaries, including MGE, from time to time are involved in various legal proceedings that are handled and defended in the ordinary course of business. See Footnotes 8.a. and 8.b. of Notes to Consolidated Financial Statements in this Report for more information.

Item 1A. Risk Factors.

There were no material changes from the risk factors disclosed in Item 1A. Risk Factors in our 2025 Annual Report on Form 10-K, other than as set forth below:

We have in the past entered, and may in the future enter, into forward sale transactions that subject us to certain risks.

We have previously entered into forward sale agreements and may in the future enter into additional forward sale agreements that subject us to certain risks. The future issuance of any shares of common stock upon settlement of any forward sale agreement will result in dilution to our earnings per share, return on equity, and dividends per share. The purchase of common stock in connection with the unwinding of the forward purchaser's hedge position could cause our stock price to increase (or prevent a decrease) over such time, thereby increasing the amount of cash we would owe (or decreasing the amount of cash owed to us) upon a cash settlement. In addition, pursuant to each forward sale agreement, the relevant forward purchaser will have the right to accelerate the settlement of the forward sale agreement in connection with certain specified events. In such cases, we could be required to settle that particular forward sale agreement and issue common stock irrespective of our capital needs.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds.

None.

Item 3. Defaults Upon Senior Securities.

None.

Item 4. Mine Safety Disclosures.

Not applicable to MGE Energy and MGE.

Item 5. Other Information.

During the three months ended September 30, 2026, no director or officer of MGE Energy or MGE adopted or terminated a Rule 10b5-1 trading arrangement or non-Rule 10b5-1 trading arrangement, as each term is defined in Item 408 of Regulation S-K.

THIRD AMENDED AND RESTATED CREDIT AGREEMENT

This Third Amended and Restated Credit Agreement, dated as of October 1, 2026, is among MGE Energy, Inc., the Lenders and JPMorgan Chase Bank, N.A., a national banking association, as Administrative Agent.

R E C I T A L S:

WHEREAS, the Borrower is a party to that certain Second Amended and Restated Credit Agreement, dated as of November 8, 2022, by and among the Borrower, the lenders party thereto (collectively, the "Existing Lenders") and JPMorgan Chase Bank, N.A., as administrative agent (as amended, restated, supplemented or otherwise modified prior to the date hereof, the "Existing Credit Agreement"), pursuant to which the Existing Lenders provide certain loans and other financial accommodations to the Borrower;

WHEREAS, the parties hereto desire to amend and restate the Existing Credit Agreement in its entirety to, among other things, extend the term of the revolving credit facility to the Borrower; and

WHEREAS, in connection with the foregoing, the parties hereto agree that upon satisfaction of the conditions set forth in Sections 4.1 and 4.2, the Existing Credit Agreement shall be amended and restated in its entirety and superseded by this Agreement; provided, however, the obligation to repay the Obligations under the Existing Credit Agreement shall continue in full force and effect and shall be governed by the terms of this Agreement and corresponding Loan Documents.

ARTICLE I

DEFINITIONS; ETC.

1.1. Definitions. As used in this Agreement:

"Administrative Agent" means JPMCB in its capacity as contractual representative of the Lenders pursuant to Article X, and not in its individual capacity as a Lender, and any successor Administrative Agent appointed pursuant to Article X.

"Administrative Questionnaire" means an Administrative Questionnaire in a form supplied by the Administrative Agent to the Borrower or any Lender, as the context requires.

"Advance" means a borrowing hereunder (i) made by the Borrower from the Lenders on the same Borrowing Date, or (ii) converted or continued by the Lenders on the same date of conversion or continuation, consisting, in either case, of the aggregate amount of the several Loans of the same Type and, in the case of Term Benchmark Advances, for the same Interest Period.

"Affected Financial Institution" means (a) any EEA Financial Institution or (b) any UK Financial Institution.

"Affiliate" of any Person means any other Person directly or indirectly controlling, controlled by or under common control with such Person.

"Agent Indemnitee" has the meaning assigned to it in Section 9.5(iii).

"Aggregate Commitment" means the aggregate of the Commitments of all the Lenders, in the initial aggregate amount of $50,000,000, as changed from time to time pursuant to the terms hereof.

"Aggregate Outstanding Credit Exposure" means, at any time, the aggregate of the Outstanding Credit Exposure of all Lenders.

"Agreement" means this Third Amended and Restated Credit Agreement.

"Alternate Base Rate" means, for any day, a rate per annum equal to the greatest of (a) the Prime Rate in effect on such day, (b) the NYFRB Rate in effect on such day plus ½ of 1%, and (c) the Term SOFR Rate for a one-month Interest Period as published two U.S. Government Securities Business Days prior to such day (or if such day is not a U.S. Government Securities Business Day, the immediately preceding U.S. Government Securities Business Day) plus 1%; provided that, for the purpose of this definition, the Term SOFR Rate for any day shall be based on the Term SOFR Reference Rate at approximately 5:00 a.m. Chicago time on such day (or any amended publication time for the Term SOFR Reference Rate, as specified by the CME Term SOFR Administrator in the Term SOFR Reference Rate methodology). Any change in the Alternate Base Rate due to a change in the Prime Rate, the NYFRB Rate or the Term SOFR Rate shall be effective from and including the effective date of such change in the Prime Rate, the NYFRB Rate or the Term SOFR Rate, respectively. If the Alternate Base Rate is being used as an alternate rate of interest pursuant to Section 3.3 (for the avoidance of doubt, only until the Benchmark Replacement has been determined pursuant to Section 3(ii)), then the Alternate Base Rate shall be the greater of clauses (a) and (b) above and shall be determined without reference to clause (c) above. For the avoidance of doubt, if the Alternate Base Rate as determined pursuant to the foregoing would be less than 1.00% per annum, such rate shall be deemed to be 1.00% per annum for purposes of this Agreement.

"Anniversary Date" is defined in Section 2.16.

"Anti-Corruption Laws" means all laws, rules and regulations of any jurisdiction applicable to the Borrower or any of its Affiliates from time to time concerning or relating to bribery or corruption.

"Applicable Parties" is defined in Section 10.3(iii).

"Applicable Percentage" means, with respect to any Lender, the percentage of the total Commitments represented by such Lender's Commitment; provided that, in the case of Section 2.19 when a Defaulting Lender shall exist, "Applicable Percentage" shall mean the percentage of the total Commitments (disregarding any Defaulting Lender's Commitment) represented by such Lender's Commitment. If the Commitments have terminated or expired, the Applicable Percentages shall be determined based upon the Commitments most recently in effect, giving

effect to any assignments and to any Lender's status as a Defaulting Lender at the time of determination.

"Approved Borrower Portal" has the meaning assigned to such term in Section 10.9(i).

"Approved Electronic Platform" is defined in Section 10.3(i).

"Arranger" means JPMCB and its successors, in its capacity as Lead Arranger and Sole Book Runner.

"Authorized Officer" means any of the Chairman, President, Executive Vice President, Vice President - Finance, Chief Financial Officer, Treasurer or an Assistant Treasurer of the Borrower, or any individual certified in writing by one of the aforementioned officers, in each case, acting singly.

"Available Tenor" means, as of any date of determination and with respect to the then-current Benchmark, as applicable, any tenor for such Benchmark (or component thereof) or payment period for interest calculated with reference to such Benchmark (or component thereof), as applicable, that is or may be used for determining the length of an Interest Period for any term rate or otherwise, for determining any frequency of making payments of interest calculated pursuant to this Agreement as of such date and not including, for the avoidance of doubt, any tenor for such Benchmark that is then-removed from the definition of "Interest Period" pursuant to Section 3.3(v).

"Bail-In Action" means the exercise of any Write-Down and Conversion Powers by the applicable Resolution Authority in respect of any liability of an Affected Financial Institution.

"Bail-In Legislation" means (a) with respect to any EEA Member Country implementing Article 55 of Directive 2014/59/EU of the European Parliament and of the Council of the European Union, the implementing law, regulation, rule or requirement for such EEA Member Country from time to time which is described in the EU Bail-In Legislation Schedule and (b) with respect to the United Kingdom, Part I of the United Kingdom Banking Act 2009 (as amended from time to time) and any other law, regulation or rule applicable in the United Kingdom relating to the resolution of unsound or failing banks, investment firms or other financial institutions or their affiliates (other than through liquidation, administration or other insolvency proceedings).

"Bankruptcy Code" means the Federal Bankruptcy Reform Act of 1978 (11 U.S.C. §101 et seq.).

"Bankruptcy Event" means, with respect to any Person, when such Person becomes the subject of a voluntary or involuntary bankruptcy or insolvency proceeding, or has had a receiver, conservator, trustee, administrator, custodian, assignee for the benefit of creditors or similar Person charged with the reorganization or liquidation of its business appointed for it, or, in the good faith determination of the Administrative Agent, has taken any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any such proceeding or appointment or has had any order for relief in such proceeding entered in respect thereof; provided that a Bankruptcy Event shall not result solely by virtue of any ownership interest, or the acquisition of

any ownership interest, in such Person by a Governmental Authority or instrumentality thereof, unless such ownership interest results in or provides such Person with immunity from the jurisdiction of courts within the United States or from the enforcement of judgments or writs of attachment on its assets or permits such Person (or such Governmental Authority or instrumentality) to reject, repudiate, disavow or disaffirm any contracts or agreements made by such Person.

"Base Rate Margin" means, at any time, a percentage rate per annum determined in accordance with the Pricing Schedule.

"Benchmark" means, initially, with respect to any (i) RFR Loan, Daily Simple SOFR or (ii) Term Benchmark Loan, the Term SOFR Rate; provided that, if a Benchmark Transition Event and the related Benchmark Replacement Date have occurred with respect to the Term SOFR Rate or Daily Simple SOFR, as applicable, or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to Section 3.3(ii).

"Benchmark Replacement" means, for any Available Tenor, the first alternative set forth in the order below that can be determined by the Administrative Agent for the applicable Benchmark Replacement Date,

(a) the Daily Simple SOFR; or

(b) the sum of: (a) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for the then-current Benchmark for dollar-denominated syndicated credit facilities in the United States at such time; and (b) the related Benchmark Replacement Adjustment.

If the Benchmark Replacement as determined pursuant to clause (a) or (b) above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Loan Documents.

"Benchmark Replacement Adjustment" means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable Interest Period and Available Tenor for any setting of such Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date and/or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the

replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for syndicated credit facilities denominated in Dollars at such time.

"Benchmark Replacement Conforming Changes" means, with respect to any Benchmark Replacement and/or any Term Benchmark Loan, any technical, administrative or operational changes (including changes to the definition of "Alternate Base Rate," the definition of "Business Day," the definition of "U.S. Government Securities Business Day," the definition of "Interest Period," timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Administrative Agent decides may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Administrative Agent determines that no market practice for the administration of such Benchmark Replacement exists, in such other manner of administration as the Administrative Agent decides is reasonably necessary in connection with the administration of this Agreement and the other Loan Documents).

"Benchmark Replacement Date" means, with respect to any Benchmark, the earliest to occur of the following events with respect to such then-current Benchmark:

(1) in the case of clause (1) or (2) of the definition of "Benchmark Transition Event," the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); and

(2) in the case of clause (3) of the definition of "Benchmark Transition Event," the first date on which such Benchmark (or the published component used in the calculation thereof) has been or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) have been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be no longer representative; provided that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (3) and even if such Benchmark (or such component thereof) or, if such Benchmark is a term rate, any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, (i) if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (ii) the "Benchmark Replacement Date" will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Transition Event" means, with respect to any Benchmark the occurrence of one or more of the following events with respect to such then-current Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide such Benchmark (or such component thereof) or, if such Benchmark is a term rate, any Available Tenor of such Benchmark (or such component thereof);

(2) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the NYFRB, the CME Term SOFR Administrator, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), in each case, which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide such Benchmark (or such component thereof) or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide such Benchmark (or such component thereof) or, if such Benchmark is a term rate, any Available Tenor of such Benchmark (or such component thereof); or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such Benchmark (or such component thereof) or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) are no longer, or as of a specified future date will no longer be, representative.

For the avoidance of doubt, a "Benchmark Transition Event" will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Unavailability Period" means, with respect to any Benchmark, the period (if any) (x) beginning at the time that a Benchmark Replacement Date pursuant to clauses (1) or (2) of that definition has occurred if, at such time, no Benchmark Replacement has replaced such then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 3.3 and (y) ending at the time that a Benchmark Replacement has replaced such then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 3.3.

"Beneficial Ownership Certification" means a certification regarding beneficial ownership or control as required by the Beneficial Ownership Regulation.

"Beneficial Ownership Regulation" means 31 C.F.R. § 1010.230.

Noteless Agreement; Evidence of Indebtedness (i) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(ii) The Administrative Agent shall also maintain accounts in which it will record (a) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (b) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder, (c) the original stated amount of each Letter of Credit and the amount of Letter of Credit Obligations outstanding and (d) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(iii) The entries maintained in the accounts maintained pursuant to paragraphs (i) and (ii) above shall be *prima facie* evidence of the existence and amounts of the Obligations therein recorded; *provided,* that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(iv) Any Lender may request that its Loans be evidenced by Notes. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 12.3) be represented by a Note payable to the order of the payee named therein or any assignee pursuant to Section 12.3, except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in paragraphs (i) and (ii) above.

2.11. Telephonic Notices. The Borrower hereby authorizes the Lenders and the Administrative Agent to extend, convert or continue Advances, effect selections of Types of Advances, and to transfer funds based on telephonic notices made by any person or persons the Administrative Agent or any Lender in good faith believes to be acting on behalf of the Borrower, it being understood that the foregoing authorization is specifically intended to allow Borrowing Notices and Conversion/Continuation Notices to be given telephonically. The Borrower agrees to deliver promptly to the Administrative Agent a written confirmation, if such confirmation is requested by the Administrative Agent or any Lender, of each telephonic notice signed by an Authorized Officer; provided that, if such Borrowing Notice is submitted through an Approved Borrower Portal, the foregoing signature requirement may be waived at the sole discretion of the Administrative Agent. If the written confirmation differs in any material respect from the action taken by the Administrative Agent and the Lenders, the records of the Administrative Agent and the Lenders shall govern absent manifest error.

2.12. Interest Payment Dates; Interest and Fee Basis. Interest accrued on each Floating Rate Advance and each RFR Advance shall be payable on each Payment Date, commencing with the first such date to occur after the date hereof, on any date on which such Floating Rate Advance or such RFR Advance is prepaid, whether due to acceleration or otherwise, and at maturity. Interest accrued on that portion of the outstanding principal amount of any Floating Rate Advance converted into a Term Benchmark Advance on a day other than a Payment Date shall be payable on the date of conversion. Interest accrued on each Term Benchmark Advance shall be payable on the last day of its applicable Interest Period, on any date on which such Term Benchmark Advance is prepaid, whether by acceleration or otherwise, and at maturity. Interest accrued on each Term Benchmark Advance having an Interest Period longer than three months shall also be payable on the last day of each three-month interval during such Interest Period. Interest and commitment fees shall be calculated for actual days elapsed on the basis of a 360-day year, except that interest calculated based on the Prime Rate shall be calculated for actual days elapsed on the basis of a 365, or when appropriate 366, day year. Interest shall be payable for the day an Advance is made but not for the day of any payment on the amount paid if payment is received prior to noon (local time) at the place of payment. If any payment of principal of or interest on an Advance shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and, in the case of a principal payment, such extension of time shall be included in computing interest in connection with such payment.

2.13. Notification of Advances, Interest Rates, Prepayments and Commitment Reductions. Promptly after receipt thereof, the Administrative Agent will notify each Lender of the contents of each Aggregate Commitment reduction notice, Borrowing Notice, Conversion/Continuation Notice, and repayment notice received by it hereunder. The Administrative Agent will notify each Lender of the interest rate applicable to each Term Benchmark Advance promptly upon determination of such interest rate and will give each Lender prompt notice of each change in the Alternate Base Rate.

2.14. Lending Installations. Each Lender may book its Loans at any Lending Installation selected by such Lender and may change its Lending Installation from time to time. All terms of this Agreement shall apply to any such Lending Installation and any Loan issued hereunder shall be deemed held by each Lender for the benefit of any such Lending Installation. Each Lender may, by written notice to the Administrative Agent and the Borrower in accordance with Article XIII, designate replacement or additional Lending Installations through which Loans will be made by it and for whose account Loan payments are to be made.

2.15. Non-Receipt of Funds by the Administrative Agent. Unless the Borrower or a Lender, as the case may be, notifies the Administrative Agent prior to the date on which it is scheduled to make payment to the Administrative Agent of (i) in the case of a Lender, the proceeds of a Loan or (ii) in the case of the Borrower, a payment of principal, interest or fees to the Administrative Agent for the account of the Lenders, that it does not intend to make such payment, the Administrative Agent may assume that such payment has been made. The Administrative Agent may, but shall not be obligated to, make the amount of such payment available to the intended recipient in reliance upon such assumption. If such Lender or the Borrower, as the case may be, has not in fact made such payment to the Administrative Agent, the recipient of such payment shall, on demand by the Administrative Agent, repay to the

Administrative Agent the amount so made available together with interest thereon in respect of each day during the period commencing on the date such amount was so made available by the Administrative Agent until the date the Administrative Agent recovers such amount at a rate per annum equal to (x) in the case of payment by a Lender, the Federal Funds Effective Rate for such day for the first three days and, thereafter, the interest rate applicable to the relevant Loan or (y) in the case of payment by the Borrower, the interest rate applicable to the relevant Loan.

2.16. Extension of Facility Termination Date. The Borrower may request an extension of the Facility Termination Date for up to two additional one-year periods by submitting a request for an extension to the Administrative Agent (an "Extension Request") not more than 60 days or less than 30 days prior to any anniversary of the date of this Agreement (each an "Anniversary Date"). In response to such request, each Lender shall, not later than 20 days prior to the applicable Anniversary Date, notify the Administrative Agent whether it is willing (in its sole and complete discretion) to extend the scheduled Facility Termination Date for an additional year (and any Lender that fails to give such notice to the Administrative Agent shall be deemed to have elected not to extend the scheduled Facility Termination Date). The Administrative Agent will notify the Borrower of the Lenders' decisions no later than 15 days prior to such Anniversary Date. If Lenders holding more than 50% of the Commitments elect to extend the scheduled Facility Termination Date, then on such Anniversary Date the Commitments of such Lenders shall be extended for an additional year; provided that (i) no Default or Unmatured Default exists on such Anniversary Date and (ii) all representations and warranties are true and correct on such Anniversary Date, as though made as of such Anniversary Date (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date). No Lender shall be required to consent to any Extension Request and any Lender that elects, or is deemed to have elected, not to extend the scheduled Facility Termination Date (a "Declining Lender") will have its Commitment terminated on the then existing scheduled Facility Termination Date (without regard to any extension by other Lenders). The Borrower may, at its sole expense and effort, upon notice to any Declining Lender and the Administrative Agent, require any Declining Lender to assign and delegate its rights and obligations under this Agreement to an assignee selected by the Borrower and willing to accept such assignment (in accordance with, and subject to, the restrictions and consents otherwise required for assignments generally).

2.17. Letters of Credit.

(a) Issuance. The Borrower may request that one or more Issuers issue standby letters of credit (each a "Letter of Credit") up to the LC Sublimit. Each Issuer hereby agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit and to extend, increase, decrease or otherwise modify Letters of Credit ("Modify," and each such action a "Modification") from time to time from the date of this Agreement and prior to the Facility Termination Date upon the request of the Borrower for the Borrower as applicant thereof for the support of its or its Subsidiaries' obligations; provided that immediately after each Letter of Credit is issued or Modified, (x) the aggregate LC Exposure shall not exceed the LC Sublimit and (y) the Aggregate Outstanding Credit Exposure shall not exceed the Aggregate Commitment; and provided, further, that each Issuer may, but shall not be obligated to, issue or Modify any Letter of Credit if, after giving effect thereto, the outstanding Letter of Credit Obligations under all

Letters of Credit issued by such Issuer would exceed the LC Commitment of such Issuer. No Letter of Credit shall have an expiry date later than (i) one year following the date of issuance thereof, provided that any Letter of Credit with a one-year tenor may provide for the extension thereof for additional one-year periods, and (ii) five Business Days prior to the scheduled Facility Termination Date. Notwithstanding anything herein to the contrary, no Issuer shall have an obligation hereunder to issue, and no Issuer shall issue, any Letter of Credit the proceeds of which would be made available to any Person (i) to fund any activity or business (x) of or with any Sanctioned Person or (y) in any country or territory that is a Sanctioned Country or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement. Notwithstanding the foregoing, the letters of credit identified on Schedule 2.17 (the "Existing Letters of Credit") shall be deemed to be "Letters of Credit" issued on the Restatement Effective Date for all purposes of the Loan Documents. Notwithstanding anything to the contrary herein or in any other Loan Document, no Issuer shall be under any obligation to issue a Letter of Credit that would result in more than a total of 20 Letters of Credit outstanding.

(b) Participations. Upon the issuance or Modification by any Issuer of a Letter of Credit in accordance with this Section 2.17, such Issuer shall be deemed, without further action by any Person, to have unconditionally and irrevocably sold to each Lender, and each Lender shall be deemed, without further action by any Person, to have unconditionally and irrevocably purchased from such Issuer, a participation in such Letter of Credit (and each Modification thereof) and the related Letter of Credit Obligations in proportion to its pro rata share.

(c) Replacement and Resignation of an Issuer. (i) An Issuer may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuer and the successor Issuer. The Administrative Agent shall notify the Lenders of any such replacement of an Issuer. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuer pursuant to Section 2.17(e). From and after the effective date of any such replacement, (x) the successor Issuer shall have all the rights and obligations of Issuers under this Agreement with respect to Letters of Credit to be issued thereafter and (y) references herein to the term "Issuer" shall be deemed to refer to such successor or to any previous Issuers, or to such successor and all previous Issuers, as the context shall require. After the replacement of an Issuer hereunder, the replaced Issuer shall remain a party hereto and shall continue to have all the rights and obligations of an Issuer under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(ii) Subject to the appointment and acceptance of a successor Issuer, any Issuer may resign as an Issuer at any time upon thirty days' prior written notice to the Administrative Agent, the Borrower and the Lenders, in which case, such resigning Issuer shall be replaced in accordance with Section 2.17(c)(i) above.

(d) Notice. Subject to Section 2.17(a), the Borrower shall give the applicable Issuer and the Administrative Agent notice by hand delivery or fax (or transmission through any Electronic System or an Approved Borrower Portal, in each case, if

arrangements for doing so have been approved by the Issuer) prior to 11:00 a.m. (New York time) at least three Business Days (or such lesser period of time as such Issuer may agree in its sole discretion) prior to the proposed date of issuance or Modification of each Letter of Credit, specifying the beneficiary, the proposed date of issuance (or Modification) and the expiry date of such Letter of Credit, and, in the case of an issuance or a Modification (other than an extension, increase or decrease, for which such information shall not be required), describing the proposed terms of such Letter of Credit and the nature of the transactions proposed to be supported thereby. Upon receipt of such notice, the applicable Issuer shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender, of the contents thereof and of the amount of such Lender's participation in such proposed Letter of Credit. The issuance or Modification by an Issuer of any Letter of Credit shall, in addition to the conditions precedent set forth in Article IV (the satisfaction of which such Issuer shall have no duty to ascertain, it being understood, however, that such Issuer shall not issue any Letter of Credit if it has received written notice from the Borrower or the Administrative Agent that any such condition precedent has not been satisfied), be subject to the conditions precedent that such Letter of Credit shall be satisfactory to such Issuer and that the Borrower shall have executed and delivered such application agreement and/or such other instruments and agreements relating to such Letter of Credit as such Issuer shall have reasonably requested (each a "Letter of Credit Application"). In the event of any conflict between the terms of this Agreement and the terms of any Letter of Credit Application, the terms of this Agreement shall control.

(e) Letter of Credit Fees. The Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Term Benchmark Margin used to determine the interest rate applicable to Term Benchmark Loans on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Original Effective Date to but excluding the later of the date on which such Lender's Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the Issuer a fronting fee, which shall accrue at Letter of Credit Fee Rate on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Original Effective Date to but excluding the later of the date of termination of the Commitments and the date on which there ceases to be any LC Exposure, as well as the Issuer's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the fifteenth day following such last day, commencing on the first such date to occur after the Original Effective Date; provided that all such fees shall be payable on the date on which the Commitments terminate and any such fees accruing after the date on which the Commitments terminate shall be payable on demand. Any other fees payable to the Issuer pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(f) Administration; Reimbursement by Lenders. Upon receipt from the beneficiary of any Letter of Credit of any demand for payment under such Letter of Credit, the applicable Issuer shall notify the Administrative Agent and the Administrative Agent shall promptly notify the Borrower and each Lender of the amount to be paid by such Issuer as a result of such demand and the proposed payment date (the "Letter of Credit Payment Date"). The responsibility of any Issuer to the Borrower and each Lender shall be only to determine that the documents delivered under each Letter of Credit issued by such Issuer in connection with a demand for payment are in conformity in all material respects with such Letter of Credit. Each Issuer shall endeavor to exercise the same care in its issuance and administration of Letters of Credit as it does with respect to letters of credit in which no participations are granted, it being understood that each Lender shall be unconditionally and irrevocably obligated, without regard to the occurrence of any Default or any condition precedent whatsoever, to reimburse such Issuer on demand for (a) such Lender's pro rata share of the amount of each payment made by such Issuer under each Letter of Credit to the extent such amount is not reimbursed by the Borrower pursuant to Section 2.17(g) below, plus (b) interest on the foregoing amount, for each day from the date of the applicable payment by such Issuer to the date on which such Issuer is reimbursed by such Lender for its pro rata share thereof, at a rate per annum equal to the Federal Funds Effective Rate or, beginning on the third Business Day after demand for such amount by such Issuer, the rate applicable to Floating Rate Advances.

(g) Reimbursement by Borrower. The Borrower shall be irrevocably and unconditionally obligated to reimburse each Issuer through the Administrative Agent (not later than 12:00 noon (New York time) on the applicable Letter of Credit Payment Date if the Borrower shall have received notice of such payment under such Letter of Credit prior to 10:00 a.m. (New York time) on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 12:00 noon (New York time) on the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time on the day of receipt) for any amount to be paid by such Issuer upon any drawing under any Letter of Credit, without presentment, demand, protest or other formalities of any kind; *provided* that the Borrower shall not be precluded from asserting any claim for direct (but not indirect, consequential or punitive) damages suffered by the Borrower which the Borrower proves were caused by the willful misconduct or gross negligence of such Issuer (as determined by a court of competent jurisdiction by a final and non-appealable judgment) in determining whether a request presented under any Letter of Credit complied with the terms of such Letter of Credit. All such amounts paid by an Issuer and remaining unpaid by the Borrower shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 1.5% plus the rate applicable to Floating Rate Advances. The Administrative Agent will pay to each Lender ratably in accordance with its pro rata share all amounts received by it from the Borrower for application in payment, in whole or in part, of the Reimbursement Obligation in respect of any Letter of Credit, but only to the extent such Lender made payment to the applicable Issuer in respect of such Letter of Credit pursuant to Section 2.17(d).

(h) Obligations Absolute. The Borrower's obligations under this Section 2.17 shall be absolute, unconditional and irrevocable under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which the Borrower may have or have had against any Issuer, any Lender or any beneficiary of a Letter of Credit. The Borrower further agrees with the Issuers and the Lenders that neither any Issuer nor any Lender shall be responsible for, and the Borrower's Reimbursement Obligation in respect of any Letter of Credit shall not be affected by, among other things, (i) any lack of validity or enforceability of any Letter of Credit, any Letter of Credit Application or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the respective Issuer under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, (iv) any dispute between or among the Borrower, any of its Affiliates, the beneficiary of any Letter of Credit or any financing institution or other party to whom any Letter of Credit may be transferred or any claims or defenses whatsoever of the Borrower or of any of its Affiliates against the beneficiary of any Letter of Credit or any such transferee or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. No Issuer shall be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit. The Borrower agrees that any action taken or omitted by any Issuer or any Lender under or in connection with any Letter of Credit and the related drafts and documents, if done without gross negligence or willful misconduct (as determined by a court of competent jurisdiction by a final and non-appealable judgment), shall be binding upon the Borrower and shall not put any Issuer or any Lender under any liability to the Borrower. Nothing in this Section 2.17(h) is intended to limit the right of the Borrower to make a claim against any Issuer for damages as contemplated by the proviso to the first sentence of Section 2.17(g).

(i) Actions of Issuers. Each Issuer shall be entitled to rely, and shall be fully protected in relying, upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, facsimile, telex or teletype message, statement, order or other document believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuer. Each Issuer shall be fully justified in failing or refusing to take any action under this Agreement unless it shall first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Notwithstanding any other provision of this Section 2.17, each Issuer shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon the Lenders and any future holder of a participation in any Letter of Credit issued by such Issuer.

(j) Indemnification. The Borrower agrees to indemnify and hold harmless each Lender, each Issuer and the Administrative Agent, and their respective directors, officers, agents and employees, from and against any and all claims and damages, losses, liabilities, costs or expenses which such Person may incur (or which may be claimed against such Person by any other Person whatsoever) by reason of or in connection with the issuance, execution and delivery or transfer of or payment or failure to pay under any Letter of Credit or any actual or proposed use of any Letter of Credit, including any claims, damages, losses, liabilities, costs or expenses which any Issuer may incur by reason of or in connection with (a) the failure of any other Lender to fulfill or comply with its obligations to such Issuer hereunder (but nothing herein contained shall affect any right the Borrower may have against any Defaulting Lender) or (b) by reason of or on account of such Issuer issuing any Letter of Credit which specifies that the term "Beneficiary" therein includes any successor by operation of law of the named Beneficiary, but which Letter of Credit does not require that any drawing by any such successor Beneficiary be accompanied by a copy of a legal document, satisfactory to such Issuer, evidencing the appointment of such successor Beneficiary; *provided* that the Borrower shall not be required to indemnify any Person for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of any Issuer (as determined by a court of competent jurisdiction by a final and non-appealable judgment) in determining whether a request presented under any Letter of Credit issued by such Issuer complied with the terms of such Letter of Credit. Nothing in this Section 2.17(j) is intended to limit the obligations of the Borrower under any other provision of this Agreement.

(k) Lenders' Indemnification. Each Lender shall, ratably in accordance with its pro rata share, indemnify each Issuer and its Affiliates and their respective Related Parties (to the extent not reimbursed by the Borrower) against any cost, expense (including reasonable counsel fees and charges), claim, demand, action, loss or liability (except such as result from such indemnitees' gross negligence or willful misconduct (as determined by a court of competent jurisdiction by a final and non-appealable judgment)) that such indemnitees may suffer or incur in connection with this Section 2.17 or any action taken or omitted by such indemnitees hereunder.

(l) LC Collateral Account. The Borrower agrees that it will establish on the Facility Termination Date (or on such earlier date as may be required pursuant to Section 8.1), and thereafter maintain so long as any Letter of Credit Obligation remains outstanding or any other amount is payable to any Issuer or the Lenders in respect of any Letter of Credit, a special collateral account pursuant to arrangements satisfactory to the Administrative Agent (the "LC Collateral Account") at the Administrative Agent's office at the address specified pursuant to Article XIII, in the name of the Borrower but under the sole dominion and control of the Administrative Agent, for the benefit of the Lenders, and in which the Borrower shall have no interest other than as set forth in Section 8.1. The Borrower hereby pledges, assigns and grants to the Administrative Agent, on behalf of and for the ratable benefit of the Lenders and the Issuers, a security interest in all of the Borrower's right, title and interest in and to all funds which may from time to time be on deposit in the LC Collateral Account, to secure the prompt and complete payment and performance of the Obligations. The Administrative Agent will invest any funds on

deposit from time to time in the LC Collateral Account in certificates of deposit of the Administrative Agent having a maturity not exceeding 30 days. If funds are deposited in the LC Collateral Account pursuant to Section 2.1.4 and the provisions of Section 8.1 are not applicable, then the Administrative Agent shall release from the LC Collateral Account to the Borrower, upon the request of the Borrower, an amount equal to the excess (if any) of all funds in the LC Collateral Account over the Letter of Credit Obligations.

(m) Rights as a Lender. In its capacity as a Lender, each Issuer shall have the same rights and obligations as any other Lender.

(n) Letters of Credit Issued for Account of Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder supports any obligations of, or is for the account of, a Subsidiary, or states that a Subsidiary is the "account party," "applicant," "customer," "instructing party," or the like of or for such Letter of Credit, and without derogating from any rights of the applicable Issuer (whether arising by contract, at law, in equity or otherwise) against such Subsidiary in respect of such Letter of Credit, the Borrower (i) shall reimburse, indemnify and compensate the applicable Issuer hereunder for such Letter of Credit (including to reimburse any and all drawings thereunder) as if such Letter of Credit had been issued solely for the account of the Borrower and (ii) irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary in respect of such Letter of Credit. The Borrower hereby acknowledges that the issuance of such Letters of Credit for its Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

2.18. Increase in Aggregate Commitment.

(a) The Borrower may, from time to time (but not on more than four occasions during the term of this Agreement), by means of a letter delivered to the Administrative Agent substantially in the form of Exhibit F, request that the Aggregate Commitment be increased; provided that (i) the aggregate amount of all such increases during the term of this Agreement shall not exceed $25,000,000 and (ii) any such increase in the Aggregate Commitment shall be in an amount equal to $10,000,000 or a higher integral multiple of $1,000,000 (or, if less, the remaining amount of the increases permitted under this Section 2.18).

(b) Any increase in the Aggregate Commitment may be effected by (i) increasing the Commitment of one or more Lenders which have agreed to such increase and/or (ii) subject to clause (d) below, adding one or more commercial banks or other Persons as a party hereto (each an "Additional Lender") with a Commitment in an amount agreed to by any such Additional Lender.

(c) Any increase in the Aggregate Commitment pursuant to this Section 2.18 shall be effective three Business Days (or such other period agreed to by the Administrative Agent, the Borrower and, as applicable, each Lender that has agreed to

increase its Commitment and each Additional Lender) after the date on which the Administrative Agent has acknowledged receipt of the applicable increase letter in the form of Annex 1 (in the case of an increase in the Commitment of an existing Lender) or Annex 2 (in the case of the addition of an Additional Lender) to Exhibit F.

(d) No Additional Lender shall be added as a party hereto without the written consent of the Administrative Agent and each Issuer (which consents shall not be unreasonably withheld or delayed), and each increase in the Aggregate Commitment may only be effected if there is no Default or an Unmatured Default and the Borrower confirms the accuracy of all representations and warranties.

(e) The Administrative Agent shall promptly notify the Borrower and the Lenders of any increase in the Aggregate Commitment pursuant to this Section 2.18 and of the Commitment and pro rata share of the Aggregate Commitment of each Lender after giving effect thereto. The parties hereto agree that, notwithstanding any other provision of this Agreement, the Administrative Agent, the Borrower, each Additional Lender and each increasing Lender, as applicable, may make arrangements to stage the timing of any such increase, or to cause an Additional Lender or an increasing Lender to temporarily hold risk participations in the outstanding Advances of the other Lenders (rather than fund its pro rata share of all outstanding Advances concurrently with the applicable increase), in each case with a view toward minimizing breakage costs and transfers of funds in connection with any increase in the Aggregate Commitment. The Borrower acknowledges that if, as a result of a non-pro-rata increase in the Aggregate Commitment, any Term Benchmark Advance is prepaid or converted (in whole or in part) on a day other than the last day of an Interest Period therefor, then such prepayment or conversion shall be subject to the provisions of Section 3.2.

2.19. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the Commitment of such Defaulting Lender pursuant to Section 2.4 and fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.17(e);

(b) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8.1 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.1 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuer hereunder; *third*, to cash collateralize the Issuers' LC Exposure with respect to such Defaulting Lender in accordance with this Section; *fourth*, as the Borrower may request (so long as no Default or Unmatured Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative

Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) cash collateralize the Issuers' future LC Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with this Section; *sixth*, to the payment of any amounts owing to the Lenders, the Issuers as a result of any judgment of a court of competent jurisdiction obtained by any Lender or Issuer against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; *seventh*, so long as no Default or Unmatured Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Disbursements owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in the Borrower's obligations corresponding to such Defaulting Lender's LC Exposure are held by the Lenders pro rata in accordance with the Commitments without giving effect to clause (d) below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(c) the Commitment and Outstanding Credit Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 8.2); provided that this clause (c) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender affected thereby;

(d) if any LC Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the LC Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent that such reallocation does not, as to any non-Defaulting Lender, cause such non-Defaulting Lender's Outstanding Credit Exposure to exceed its Commitment;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within one Business Day following

notice by the Administrative Agent cash collateralize for the benefit of the Issuers only the Borrower's obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.1.4 for so long as such LC Exposure is outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.17(e) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.17(e) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of any Issuer or any other Lender hereunder, all facility fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such LC Exposure) and letter of credit fees payable under Section 2.17(e) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuers until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(e) so long as such Lender is a Defaulting Lender, no Issuer shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.19(d), and LC Exposure related to any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.19(d)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender parent shall occur following the date hereof and for so long as such event shall continue or (ii) any Issuer has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, no Issuer shall be required to issue, amend or increase any Letter of Credit, unless the Issuers shall have entered into arrangements with the Borrower or such Lender, satisfactory to such Issuer, to defease any risk to it in respect of such Lender hereunder.

In the event that each of the Administrative Agent, the Borrower and each Issuer agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such

of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

ARTICLE III

INCREASED COSTS; TAXES

3.1. Increased Costs.

(i) If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender or Issuer;

(b) impose on any Lender or Issuer or the applicable interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(c) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuer or such other Recipient of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, such Issuer or such other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender, such Issuer or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuer or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(ii) If any Lender or Issuer determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or the Issuer's capital or on the capital of such Lender's or Issuer's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuer, to a level below that which such Lender or Issuer or such Lender's or Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuer's policies and the policies of such Lender's or Issuer's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or Issuer or such Lender's or Issuer's holding company for any such reduction suffered.

(iii) A certificate of a Lender or Issuer setting forth the amount or amounts necessary to compensate such Lender or Issuer or its holding company, as the case may be, as specified in

paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or Issuer, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(iv) Failure or delay on the part of any Lender or Issuer to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or Issuer's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or Issuer pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that such Lender or Issuer, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuer's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

3.2. Break Funding Payments.

(i) With respect to Loans that are not RFR Loans, in the event of (a) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period applicable thereto (including as a result of a Default), (b) the conversion of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.6 and is revoked in accordance therewith), or (d) the assignment of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 3.6, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event.

(ii) With respect to RFR Loans, in the event of (i) the payment of any principal of any RFR Loan other than on the Payment Date applicable thereto (including as a result of a Default or an optional or mandatory prepayment of Loans), (ii) the failure to borrow or prepay any RFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.6 and is revoked in accordance therewith), or (iii) the assignment of any RFR Loan other than on the Payment Date applicable thereto as a result of a request by the Borrower pursuant to Section 3.6, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event.

(iii) A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

3.3. Alternate Rate of Interest.

(i) Subject to clauses (ii), (iii), (iv), (v) and (vi) of this Section 3.3, if:

(a) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Advance that adequate and reasonable means do

not exist for ascertaining the Term SOFR Rate (including, without limitation, because the Term SOFR Reference Rate is not available or published on a current basis) for such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Daily Simple SOFR for an RFR Loan; or

(b) the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Term Benchmark Advance that the Term SOFR Rate for the applicable Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or Loan) included in such Advance for such Interest Period, or (B) at any time, the applicable Daily Simple SOFR for an RFR Loan will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Advance;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders through any Electronic System as provided in Article XIII as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Conversion/Continuation Notice or a new Borrowing Notice, (A) any Conversion/Continuation Notice that requests the conversion of any Advance to, or continuation of any Advance as, a Term Benchmark Advance and any Borrowing Notice that requests a Term Benchmark Advance shall instead be deemed to be an Conversion/Continuation Notice or a Borrowing Notice, as applicable, for (1) an RFR Advance so long as the Daily Simple SOFR is not also the subject of Section 3.3(i)(a) or (b) above or (2) a Floating Rate Advance if the Daily Simple SOFR also is the subject of Section 3.3(i)(a) or (b) above, and (B) any outstanding RFR Advance shall be converted to a Floating Rate Advance at such time. Furthermore, if any Term Benchmark Loan or RFR Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 3.3(i) with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers any Conversion/Continuation Notice, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Advance so long as the Daily Simple SOFR is not also the subject of Section 3.3(i)(a) or (b) above or (y) a Floating Rate Loan if the Daily Simple SOFR also is the subject of Section 3.3(i)(a) or (b) above, on such day, and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute, a Floating Rate Loan.

(ii) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark (including any related adjustments) for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined

in accordance with clause (b) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark (including any related adjustments) for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(iii) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iv) The Administrative Agent will promptly notify the Borrower and the Lenders of (a) any occurrence of a Benchmark Transition Event, (b) the implementation of any Benchmark Replacement, (c) the effectiveness of any Benchmark Replacement Conforming Changes, (d) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 3.3(iii) and (e) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.3, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.3.

(v) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (a) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (b) if a tenor that was removed pursuant to clause (a) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(vi) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to any Relevant Rate, (i) in the case of a Term Benchmark Advance, the Borrower may revoke any request for a Term Benchmark Advance of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for an Advance of or conversion to (A) solely with respect to any such request for a Term Benchmark Advance, an RFR Advance so long as the Daily Simple SOFR is not the subject of a Benchmark Transition Event or (B) a Floating Rate Advance if the Daily Simple SOFR is the subject of a Benchmark Transition Event, and (ii) in the case of any outstanding RFR Advance, such Advance shall on and from such day be converted by the Administrative Agent to, and shall constitute, a Floating Rate Loan. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate. Furthermore, if any Term Benchmark Loan or RFR Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 3.3, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Advance so long as the Daily Simple SOFR is not the subject of a Benchmark Transition Event or (y) a Floating Rate Loan if the Daily Simple SOFR is the subject of a Benchmark Transition Event, on such day and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute, a Floating Rate Loan.

3.4. [Reserved].

3.5. Withholding of Taxes; Gross-Up.

(i) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(ii) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(iii) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(iv) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(v) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (a) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (b) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.2.1 relating to the maintenance of a Participant Register and (c) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (v).

(vi) Status of Lenders.

(a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section

3.5(vi)(b)(i), (b)(ii) and (b)(iii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(b) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(i) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), an executed copy of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(ii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

1. in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN-E or IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E or IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

2. in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W-8ECI;

3. in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) an executed copy of IRS Form W-8BEN-E or IRS Form W-8BEN; or

4. to the extent a Foreign Lender is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner;

(iii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(iv) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (iv), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(vii) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving

rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (vii) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (vii), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (vii) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(viii) Survival. Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(ix) Defined Terms. For purposes of this Section, the term "***Lender***" includes any Issuer and the term "***applicable law***" includes FATCA.

3.6. Mitigation Obligations; Replacement of Lenders.

(i) If any Lender requests compensation under Section 3.1, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.5, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Sections 3.1 or 3.5, as the case may be, in the future and (b) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(ii) If any Lender requests compensation under Section 3.1, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.5, or if any Lender becomes Defaulting Lender, or if any Lender does not consent to any proposed amendment, supplement, modification, consent or waiver of any provision of this Agreement or any other Loan Document that requires the consent of each of the Lenders or each of the Lenders affected thereby (so long as the consent of the Required Lenders has been obtained), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to

the restrictions contained in Section 12.1), all its interests, rights (other than its existing rights to payments pursuant to Section 3.1 or 3.5) and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (a) the Borrower shall have received the prior written consent of the Administrative Agent (and if a Commitment is being assigned, the Issuers), which consent shall not unreasonably be withheld, (b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (c) in the case of any such assignment resulting from a claim for compensation under Section 3.1 or payments required to be made pursuant to Section 3.5, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that (x) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants), and (y) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to an be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender; provided that any such documents shall be without recourse to or warranty by the parties thereto.

ARTICLE IV

CONDITIONS PRECEDENT

4.1. Initial Credit Extension. The Lenders and the Issuers shall not be required to make the initial Credit Extension hereunder unless the Borrower has made payment to the Administrative Agent for the account of the Lenders in immediately available funds the upfront fees payable under the Fee Letter and the Borrower has furnished to the Administrative Agent with sufficient copies for the Lenders:

(i) Copies of the restated articles or certificate of incorporation of the Borrower, together with all amendments, and a certificate of good standing, each certified by the appropriate governmental officer in its jurisdiction of incorporation, as well as any other information required by Section 326 of the Patriot Act or necessary for the Administrative Agent or any Lender to verify the identity of Borrower as required by Section 326 of the Patriot Act.

Any Lender may require delivery of a duly completed compliance certificate in substantially the form of Exhibit B as a condition to making a Credit Extension.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants to the Lenders that:

5.1. Existence and Standing. Each of the Borrower and each Principal Subsidiary is a corporation, partnership (in the case of Principal Subsidiaries only) or limited liability company duly and properly incorporated or organized, as the case may be, validly existing and (to the extent such concept applies to such entity) in good standing under the laws of its jurisdiction of incorporation or organization. Each of the Borrower and each Principal Subsidiary has all requisite authority to conduct its business in each jurisdiction in which its business is conducted other than where the failure to be so authorized would not reasonably be expected to have a Material Adverse Effect.

5.2. Authorization and Validity. The Borrower has the power and authority and legal right to execute and deliver the Loan Documents and to perform its obligations thereunder. The execution and delivery by the Borrower of the Loan Documents and the performance of its obligations thereunder have been duly authorized by proper corporate proceedings, and the Loan Documents constitute legal, valid and binding obligations of the Borrower enforceable against the Borrower in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally or by equitable principles.

5.3. No Conflict; Government Consent. Neither the execution and delivery by the Borrower of the Loan Documents, nor the consummation by the Borrower of the transactions therein contemplated, nor compliance by the Borrower with the provisions thereof will violate (i) any law, rule, regulation, order, writ, judgment, injunction, decree or award binding on the Borrower or any of its Principal Subsidiaries or (ii) the Borrower's or any Principal Subsidiary's articles or certificate of incorporation, partnership agreement, certificate of partnership, articles or certificate of organization, by-laws, or operating or other management agreement, as the case may be, or (iii) the provisions of any indenture, instrument or agreement to which the Borrower

or any of its Principal Subsidiaries is a party or is subject, or by which it, or its Property, is bound, or conflict with or constitute a default thereunder, or result in, or require, the creation or imposition of any Lien in, of or on the Property of the Borrower or a Principal Subsidiary pursuant to the terms of any such indenture, instrument or agreement. No order, consent, adjudication, approval, license, authorization, or validation of, or filing, recording or registration with, or exemption by, or other action in respect of any Governmental Authority, or any subdivision thereof, which has not been obtained by the Borrower or any of its Principal Subsidiaries, is required to be obtained by the Borrower or any of its Principal Subsidiaries in connection with the execution and delivery by the Borrower of the Loan Documents, the borrowings under this Agreement, the payment and performance by the Borrower of the Obligations or the legality, validity, binding effect or enforceability against the Borrower of any of the Loan Documents.

5.4. Financial Statements. The December 31, 2025 consolidated financial statements of the Borrower and its Subsidiaries heretofore delivered to the Lenders were prepared in accordance with generally accepted accounting principles in effect on the date such statements were prepared and fairly present in all material respects the consolidated financial condition and operations of the Borrower and its Subsidiaries at such date and the consolidated results of their operations for the period then ended.

5.5. Material Adverse Change. Since December 31, 2025, there has been no change in the business, Property, condition (financial or otherwise) or results of operations of the Borrower and its Subsidiaries, taken as a whole, which could reasonably be expected to have a Material Adverse Effect.

5.6. Taxes. The Borrower and its Subsidiaries have filed all United States federal tax returns and all other material tax returns which are required to be filed and have paid all taxes due pursuant to such returns or pursuant to any assessment received by the Borrower or any of its Subsidiaries, except such taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided in accordance with GAAP. The United States income tax returns of the Borrower and its Subsidiaries through the fiscal year ended December 31, 2025, are not subject to audit by the Internal Revenue Service. No tax liens have been filed and no claims are being asserted with respect to any such taxes, except such taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided in accordance with GAAP. The charges, accruals and reserves on the books of the Borrower and its Subsidiaries in respect of any taxes or other governmental charges are adequate.

5.7. Litigation and Contingent Obligations. There is no litigation, arbitration, governmental investigation, proceeding or inquiry pending or, to the knowledge of the chief executive officer, the chief financial officer, the chief accounting officer, the controller or the general counsel, overtly threatened against or affecting the Borrower or any of its Principal Subsidiaries which could reasonably be expected to have a Material Adverse Effect or which seeks to prevent, enjoin or delay the making of any Credit Extension. Other than any liability incident to any litigation, arbitration or proceeding which could not reasonably be expected to have a Material Adverse Effect, the Borrower has no material contingent obligations not provided for or disclosed in the financial statements referred to in Section 5.4.

5.8. Subsidiaries. Schedule 5.8 contains an accurate list of all Subsidiaries of the Borrower as of the date of this Agreement, setting forth their respective jurisdictions of organization and the percentage of their respective capital stock or other ownership interests owned by the Borrower or other Subsidiaries. All of the issued and outstanding shares of capital stock or other ownership interests of such Subsidiaries have been (to the extent such concepts are relevant with respect to such ownership interests) duly authorized and issued and are fully paid and non-assessable.

5.9. ERISA.

(i) Each Pension Plan is in compliance in all material respects with the applicable provisions of ERISA, the Code and other Federal or state laws. Each Pension Plan that is intended to be a qualified plan under Section 401(a) of the Code has received a favorable determination letter from the Internal Revenue Service to the effect that the form of such Pension Plan is qualified under Section 401(a) of the Code and the trust related thereto has been determined by the Internal Revenue Service to be exempt from federal income tax under Section 501(a) of the Code, and to the knowledge of the Borrower, nothing has occurred that would prevent or cause the loss of such tax-qualified status.

(ii) There are no pending or, to the knowledge of the Borrower, threatened claims, actions or lawsuits, or actions by any Governmental Authority, with respect to any Pension Plan that could reasonably be expected to have a Material Adverse Effect. There has been no prohibited transaction or violation of the fiduciary responsibility rules with respect to any Pension Plan that has resulted or could reasonably be expected to result in a Material Adverse Effect.

(iii) No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Pension Plan (other than a Multiemployer Plan) (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $50,000,000 the fair market value of the assets of such Pension Plan, and the present value of all accumulated benefit obligations of all underfunded Pension Plans (other than a Multiemployer Plan) (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $50,000,000 the fair market value of the assets of all such underfunded Pension Plans.

5.10. Accuracy of Information.

(i) No information, exhibit or report furnished by the Borrower or any of its Subsidiaries to the Administrative Agent or to any Lender in connection with the negotiation of, or compliance with, the Loan Documents, taken as a whole, contained any material misstatement of fact or omitted to state a material fact or any fact necessary to make the statements contained therein not misleading in any material respect as of the time when made or delivered.

(ii) As of the Restatement Effective Date, to the knowledge of the Borrower, the information included in the Beneficial Ownership Certification provided on or prior to the Restatement Effective Date to any Lender in connection with this Agreement is true and correct in all material respects.

5.11. Margin Regulations. The Borrower is not engaged and will not engage, principally or as one of its important activities, in the business of purchasing or carrying Margin Stock, or extending credit for the purpose of purchasing or carrying Margin Stock, and no part of the proceeds of any Advance or Letter of Credit extension hereunder will be used to buy or carry any Margin Stock. Following the application of the proceeds of each Advance or drawing under each Letter of Credit, not more than 25% of the value of the assets (either of the Borrower only or of the Borrower and its Subsidiaries on a consolidated basis) will be Margin Stock. Neither the making of any Loan hereunder nor the use of proceeds thereof will violate the provisions of Regulation U or X of the Federal Reserve Board.

5.12. Compliance With Laws. The Borrower and its Principal Subsidiaries have complied with all applicable statutes, rules, regulations, orders and restrictions of any domestic or foreign government or any instrumentality or agency thereof having jurisdiction over the conduct of their respective businesses or the ownership of their respective Property except for any failure to comply with any of the foregoing which could not reasonably be expected to have a Material Adverse Effect.

5.13. Ownership of Properties. On the date of this Agreement, the Borrower and its Principal Subsidiaries have good title, free of all Liens other than those permitted by Section 6.13, to all of the Property and assets reflected in the Borrower's most recent consolidated financial statements provided to the Administrative Agent as owned by the Borrower and its Subsidiaries.

5.14. Plan Assets; Prohibited Transactions. None of the Borrower or any of its Subsidiaries is an entity deemed to hold "plan assets" (within the meaning of the Plan Asset Regulations), and neither the execution, delivery nor performance of the transactions contemplated under this Agreement, including the making of any Loan and the issuance of any Letter of Credit hereunder, will give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

5.15. Environmental Matters. In the ordinary course of its business, the officers of the Borrower consider the effect of Environmental Laws on the business of the Borrower and its Subsidiaries, in the course of which they identify and evaluate potential risks and liabilities accruing to the Borrower due to Environmental Laws. On the basis of this consideration as of the date hereof, the Borrower has concluded that Environmental Laws cannot reasonably be expected to have a Material Adverse Effect, except to the extent disclosed in the Borrower's Form 10-K and Form 10-Q reports filed with the SEC prior to the date hereof. Except to the extent disclosed in the Borrower's Form 10-K and Form 10-Q reports filed with the SEC prior to the date hereof, neither the Borrower nor any Principal Subsidiary has received any notice to the effect that its operations are not in material compliance with any of the requirements of applicable Environmental Laws or are the subject of any federal or state investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or

substance into the environment, which non-compliance or remedial action could reasonably be expected to have a Material Adverse Effect.

5.16. Investment Company Act. Neither the Borrower nor any Subsidiary is required to register as an "investment company" under the Investment Company Act of 1940.

5.17. Insurance. The Borrower and its Principal Subsidiaries maintain with financially sound and reputable insurance companies insurance on all their Property in such amounts and covering such risks as is consistent with sound business practice.

5.18. Regulatory Approval. No consent, authorization or approval of, and/or filing or registration with, any governmental body or regulatory authority which has not been obtained by the Borrower or any of its Principal Subsidiaries is required in connection with the execution, delivery or performance of the Loan Documents or for the consummation of the transactions herein contemplated, or for the validity or enforceability thereof.

5.19. Anti-Corruption Laws and Sanctions. The Borrower has implemented and maintains in effect policies and procedures designed to ensure compliance by the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and the Borrower, its Subsidiaries and their respective directors and officers and, to the knowledge of the Borrower, the Borrower's and the applicable Subsidiaries' respective employees and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects and are not engaged in any activity that could reasonably be expected to result in any Credit Party being designated as a Sanctioned Person. None of (a) the Borrower, any Subsidiary or any of their respective directors, officers or employees, or (b) to the knowledge of the Borrower or any such Subsidiary, any agent of the Borrower or any Subsidiary that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No Advance, Letter of Credit, use of proceeds or other transaction contemplated by this Agreement or the other Loan Documents will violate Anti-Corruption Laws or Sanctions applicable to any party hereto.

5.20. Affected Financial Institutions. The Borrower is not an Affected Financial Institution.

5.21. Solvency. The Borrower and its Subsidiaries taken as a whole are Solvent as of the Restatement Effective Date.

ARTICLE VI

COVENANTS

During the term of this Agreement, unless the Required Lenders shall otherwise consent in writing:

6.1. Financial Reporting. The Borrower will maintain, for itself and each Subsidiary, a system of accounting established and administered in accordance with generally accepted accounting principles, and furnish to the Lenders:

(i) Within 90 days after the close of each of its fiscal years, an unqualified (except for qualifications relating to changes in accounting principles or practices reflecting changes in generally accepted accounting principles and required or approved by the Borrower's independent certified public accountants) audit report certified by independent certified public accountants reasonably acceptable to the Lenders, prepared in accordance with GAAP on a consolidated basis for itself and its Subsidiaries, including balance sheets as of the end of such period, related profit and loss and reconciliation of surplus statements, and a statement of cash flows.

(ii) Within 45 days after the close of the first three quarterly periods of each of its fiscal years, (including, for the avoidance of doubt, the fiscal quarter of the Borrower ended September 30, 2026), for itself and its Subsidiaries, consolidated unaudited balance sheets as at the close of each such period and consolidated profit and loss and reconciliation of surplus statements and a statement of cash flows for the period from the beginning of such fiscal year to the end of such quarter, all certified by its chief executive officer, chief financial officer or treasurer.

(iii) Notwithstanding the preceding provisions of this Section 6.1, if and so long as the Borrower shall file regular and periodic reports with the SEC pursuant to Sections 13 and 15 of the Securities Exchange Act of 1934, delivery to the Administrative Agent of copies of the Borrower's reports on Forms 10K and 10Q promptly following filing thereof with the SEC, but in any event not later than within the periods set forth in Sections 6.1(i) and (ii), shall constitute full compliance with those sections.

(iv) Together with the financial statements required under Sections 6.1(i) and (ii), a compliance certificate in substantially the form of Exhibit B signed by its chief executive officer, chief financial officer or treasurer showing the calculations necessary to determine compliance with this Agreement and stating that no Default or Unmatured Default exists, or if any Default or Unmatured Default exists, stating the nature and status thereof.

(v) As soon as possible and in any event within 10 days after the Borrower knows that any Reportable Event has occurred with respect to any Pension Plan, a statement, signed by the chief financial officer or treasurer of the Borrower, describing such Reportable Event and the action which the Borrower proposes to take with respect thereto.

(vi) As soon as possible and in any event within 10 days after receipt by the Borrower, a copy of (a) any notice or claim to the effect that the Borrower or any of its Principal Subsidiaries is or may be liable to any Person as a result of the release by the Borrower, any of its Principal Subsidiaries, or any other Person of any toxic or hazardous waste or substance into the environment, and (b) any notice alleging any violation of any federal, state or local environmental, health or safety law or regulation by the Borrower or any of its Principal Subsidiaries, which, in either case, could reasonably be expected to have a Material Adverse Effect. The Borrower may satisfy any such notice requirement by delivering to the Administrative Agent a copy of the Borrower's report on Form 8-K describing such event, promptly following filing thereof with the SEC.

(vii) Promptly upon the filing thereof, copies of all registration statements and annual, quarterly, monthly or other regular reports which the Borrower or any of its Principal Subsidiaries files with the SEC.

(viii) (a) Such other information (including non-financial information) as the Administrative Agent or any Lender may from time to time reasonably request and (b) information and documentation reasonably requested by the Administrative Agent or any Lender for purposes of compliance with applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act and the Beneficial Ownership Regulation.

6.2. Litigation. The Borrower shall promptly give to each Lender notice of all legal or arbitral proceedings, and of all proceedings before any Governmental Authority, to which the Borrower or its Principal Subsidiaries is a party, except proceedings that would not reasonably be expected to have a Material Adverse Effect. The Borrower may satisfy any such notice requirement by delivering to the Administrative Agent a copy of the Borrower's report on Form 8-K describing such event, promptly following filing thereof with the SEC.

6.3. Use of Proceeds. The Borrower will, and will cause each Subsidiary to, use the proceeds of the Advances and the Letters of Credit for general corporate purposes (in compliance with all applicable legal and regulatory requirements). No part of the proceeds of any Loan will be used, whether directly or indirectly, for any purpose that entails a violation of any of Regulations T, U and X. The Borrower will not request any Advance or Letter of Credit, and the Borrower shall not use, and shall procure that its Subsidiaries and its or their respective directors, officers, employees and agents shall not use, the proceeds of any Advance or Letter of Credit (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (B) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, except to the extent permitted for a Person required to comply with Sanctions, or (C) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

6.4. Notices of Material Events. The Borrower will, and will cause each Principal Subsidiary to, give prompt notice in writing to the Lenders of:

(i) The occurrence of any Default or Unmatured Default of which the Borrower becomes aware and of any other development, financial or otherwise, of which the Borrower becomes aware which could reasonably be expected to have a Material Adverse Effect. The Borrower may satisfy any such notice requirement by delivering to the Administrative Agent a copy of the Borrower's report on Form 8-K describing such event, promptly following filing thereof with the SEC.

(ii) Any change in the information provided in the Beneficial Ownership Certification delivered to any Lender that would result in a change to the list of beneficial owners identified in such certification.

(iii) The occurrence of any ERISA Event that, alone or together with any other ERISA Events that have occurred, could reasonably be expected to result in a Material Adverse Effect.

6.5. Conduct of Business. The Borrower will, and will cause each Principal Subsidiary to, (a) carry on and conduct its business in substantially the same manner and in substantially the same fields of enterprise as it is presently conducted, including reasonable extensions of such business, (b) do all things necessary to remain duly incorporated or organized, validly existing and (to the extent such concept applies to such entity) in good standing as a domestic corporation, partnership or limited liability company in its jurisdiction of incorporation or organization, as the case may be, and (c) maintain all requisite authority to conduct its business in each jurisdiction in which its business is conducted and the failure so to maintain such authority would reasonably be expected to have a Material Adverse Effect, *provided* that this Section shall not be deemed to prohibit any transaction permitted under Section 6.11 or 6.12.

6.6. Taxes. The Borrower will, and will cause each Principal Subsidiary to, timely file complete and correct United States federal and applicable foreign, state and local tax returns required by law and pay when due Taxes imposed upon it or upon its property, except those which are being contested in good faith by appropriate proceedings and with respect to which adequate reserves have been set aside in accordance with generally accepted accounting principles or where nonpayment could not reasonably be expected to have a Material Adverse Effect.

6.7. Insurance. The Borrower will, and will cause each Principal Subsidiary to, maintain with financially sound and reputable insurance companies insurance on all their Property in such amounts and covering such risks as is consistent with sound business practice, and the Borrower will furnish to any Lender upon request full information as to the insurance carried.

6.8. Compliance with Laws. The Borrower will, and will cause each Principal Subsidiary to, comply with all laws, rules, regulations, orders, writs, judgments, injunctions, decrees or awards to which it may be subject, including all Environmental Laws, except where noncompliance would not have a Material Adverse Effect. Without limiting the foregoing, the Borrower will maintain in effect and enforce policies and procedures designed to ensure compliance by the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions.

6.9. Maintenance of Properties. The Borrower will, and will cause each Principal Subsidiary to, do all things necessary to maintain, preserve, protect and keep its Property (except such Property the failure of which to maintain or preserve would not have individually or in the aggregate, a Material Adverse Effect) in good repair, working order and condition, ordinary wear and tear excepted, and make all necessary and proper repairs, renewals and replacements so that its business carried on in connection therewith may be properly conducted at all times; provided the foregoing shall not prevent the Borrower or its Principal Subsidiaries from abandoning or disposing of any property that is no longer used or useful in its business or obsolete.

6.10. Inspection. Subject to Section 9.10, the Borrower will, and will cause each Principal Subsidiary to, permit the Administrative Agent and the Lenders, by their respective representatives and agents, to inspect any of the Property, books and financial records of the Borrower and each Principal Subsidiary, to examine and make copies of the books of accounts and other financial records of the Borrower and each Principal Subsidiary, and to discuss the affairs, finances and accounts of the Borrower and each Principal Subsidiary with, and to be

advised as to the same by, their respective officers at such reasonable times and intervals as the Administrative Agent or any Lender may designate.

6.11. Merger. The Borrower will not, nor will it permit any Principal Subsidiary to, merge or consolidate with or into any other Person, or permit any other Person to merge into or consolidate with it, consummate a Division as the Dividing Person or otherwise Dispose of all or substantially all of its assets, or all or substantially all of the stock of its Subsidiaries in each case, whether now owned or hereafter acquired, or liquidate or dissolve, except that (i) a Subsidiary may merge into the Borrower or a Wholly-Owned Subsidiary and (ii) the Borrower or any Principal Subsidiary may merge with or into or consolidate with any other Person; provided that, in each case, immediately before and after giving effect thereto, no Default or Unmatured Default shall have occurred and be continuing and (A) in the case of any such merger or consolidation to which the Borrower is a party, either (x) the Borrower shall be the surviving entity or (y) the surviving entity shall be an Eligible Successor and shall have assumed all of the obligations of the Borrower under this Agreement and the Letters of Credit pursuant to a written instrument in form and substance satisfactory to the Administrative Agent and the Administrative Agent shall have received an opinion of counsel in form and substance satisfactory to it as to the enforceability of such obligations assumed and (B) subject to clause (A) above, in the case of any such merger or consolidation to which any Principal Subsidiary is a party, a Principal Subsidiary shall be the surviving entity.

6.12. Sale of Assets. The Borrower will not, nor will it permit any Principal Subsidiary to, make any Disposition, except:

(i) Dispositions of inventory in the ordinary course of business.

(ii) Dispositions of assets which have become obsolete or no longer used or useful in the business of the Borrower or any such Principal Subsidiary.

(iii) Dispositions of equipment or real property to the extent that (A) such disposition is in the ordinary course of business or (B) such property is exchanged for credit against the purchase price of similar replacement property or the proceeds of such disposition are reasonably promptly applied to the purchase price of such replacement property.

(iv) Dispositions of Property by a Subsidiary to the Borrower or another Subsidiary.

(v) Dispositions of Property that, together with all other Property of the Borrower and its Principal Subsidiaries previously leased, sold or disposed of (other than dispositions permitted by the foregoing provisions of this Section 6.12) as permitted by this Section during the twelve-month period ending with the month in which any such lease, sale or other disposition occurs, do not constitute a Substantial Portion of the Property of the Borrower and its Subsidiaries.

6.13. Liens. The Borrower will not, nor will it permit any Principal Subsidiary to, create, incur, or suffer to exist any Lien in, of or on the Property of the Borrower or any of its Principal Subsidiaries, except:

(i) Liens for taxes, assessments or governmental charges or levies on its Property if the same shall not at the time be delinquent or thereafter can be paid without penalty, or are being contested in good faith and by appropriate proceedings.

(ii) Liens imposed by law, such as carriers', warehousemen's and mechanics' liens and other similar liens arising in the ordinary course of business which secure payment of obligations not more than 60 days past due or which are being contested in good faith and by appropriate proceedings diligently conducted.

(iii) Liens arising out of pledges or deposits under worker's compensation laws, unemployment insurance, old age pensions, or other social security or retirement benefits, or similar legislation.

(iv) Liens incidental to the normal conduct of the business of the Borrower or any Subsidiary or the ownership of its property or the conduct of the ordinary course of its business, including (A) zoning restrictions, easements, rights of way, reservations, restrictions on the use of real property and other minor irregularities of title, (B) rights of lessees under leases, (C) rights of collecting banks having rights of setoff, revocation, refund or chargeback with respect to money or instruments of the Borrower or any Subsidiary on deposit with or in the possession of such banks, (D) Liens or deposits to secure the performance of statutory obligations, tenders, bids, leases, progress payments, performance or return-of-money bonds, performance or other similar bonds or other obligations of a similar nature incurred in the ordinary course of business, and (E) Liens required by any contract or statute in order to permit the Borrower or a Subsidiary of the Borrower to perform any contract or subcontract made by it with or pursuant to the requirements of a Governmental Authority, in each case which are not incurred in connection with the borrowing of money, the obtaining of advances or credit or the payment of the deferred purchase price of Property and which do not in the aggregate impair the use of property in the operation of the business of the Borrower and its Subsidiaries taken as a whole.

(v) Liens on property existing at the time of acquisition thereof or Liens affecting property of a Person existing at the time it becomes a Subsidiary of the Borrower or at the time it is merged into or consolidated with the Borrower or a Subsidiary of the Borrower; *provided* that, in either case, such Liens were not granted in contemplation of such acquisition or in contemplation of the transaction pursuant to which such Person became a Subsidiary; and provided further that in either case, such Liens do not extend to or cover any property of the Borrower or of any of its Subsidiaries other than the property that secured the acquired Indebtedness prior to the time such Indebtedness became Indebtedness of the Borrower or a Subsidiary.

(vi) Liens on property securing Indebtedness incurred prior to, at the time of, or within 12 months after the acquisition thereof for the purpose of financing all or part of the purchase price thereof, provided that such Liens do not extend to or cover any other property of the Borrower or any Subsidiary and the Indebtedness secured thereby was incurred to pay, and does not exceed, the purchase price thereof.

(vii) Liens on any improvements to property securing Indebtedness incurred to provide funds for all or part of the cost of such improvements in a principal amount not exceeding the cost of acquisition or construction of such improvements and incurred within 12 months after

completion of such improvements or construction, provided that such Liens do not extend to or cover any property of the Borrower or any Subsidiary other than such improvements.

(viii) Liens to government entities granted to secure pollution control or industrial revenue bond financings, which Liens in each financing transaction cover only the property the acquisition of which, or the construction of which, was financed by such financing, and property related thereto.

(ix) any Lien incurred or deposits to secure the performance of surety bonds incurred in the ordinary course of business consistent with past practice, provided that such Liens shall cover only the Borrower's or its Subsidiaries' interests in and relating to the contract underlying the transaction for which such surety bonds were issued.

(x) Liens on cash or cash equivalents created or existing to secure stay or appeal bonds or otherwise resulting from any litigation or legal proceeding which is being contested in good faith by appropriate action promptly initiated and diligently conducted, including the Lien of any judgment; *provided* that the aggregate amount secured by all such Liens does not exceed $50,000,000.

(xi) Liens securing any extension, renewal, replacement or refinancing of Indebtedness secured by any Lien referred to in the foregoing clauses (v), (vi), (vii), (viii), and (xii); *provided* that

(A) such new Lien shall be limited to all or part of the same property that secured the original Lien (plus improvements on such property) and

(B) the amount secured by such Lien at such time is not increased to any amount greater than the amount outstanding at the time of such renewal, replacement or refinancing.

The Borrower will not, and will not permit any Principal Subsidiary to, enter into any transaction (including the purchase or sale of any Property or service) with, or make any payment or transfer to, any Affiliate except (i) in the ordinary course of business and pursuant to the reasonable requirements of the Borrower's or such Principal Subsidiary's business and upon fair and reasonable terms no less favorable to the Borrower or such Principal Subsidiary than the Borrower or such Subsidiary would obtain in a comparable arms-length transaction, (ii) transactions with Wholly-Owned Subsidiaries in an aggregate amount not to exceed $50,000,000 or (iii) pursuant to agreements or transactions authorized or approved by the Public Service Commission of Wisconsin or federal utilities regulatory bodies (provided that in the case of any agreement or transaction having terms that are less favorable to the Borrower or such Principal Subsidiary than the Borrower or such Subsidiary would obtain in a comparable

6.15. Financial Covenant. The Borrower will not permit the ratio of (i) its Consolidated Indebtedness to (ii) its Consolidated Total Capitalization to exceed 0.65 to 1.00 at any time.

ARTICLE VIII

ACCELERATION, WAIVERS, AMENDMENTS AND REMEDIES

8.1. Acceleration; Letter of Credit Account. If any Default described in Section 7.7, 7.8 or 7.9 occurs with respect to the Borrower, the obligations of the Lenders to make Loans hereunder and the obligation and power of the Issuers to issue Letters of Credit shall automatically terminate and the Obligations shall immediately become due and payable without any election or action on the part of the Administrative Agent, any Lender or any Issuer and the Borrower will be and become thereby unconditionally obligated, without any further notice, act or demand, to pay to the Administrative Agent an amount in immediately available funds, which funds shall be held in the LC Collateral Account, equal to the excess of the amount of Letter of Credit Obligations at such time over the amount on deposit in the LC Collateral Account at such time that is free and clear of all rights and claims of third parties and has not been applied against the Obligations (such excess, the "Collateral Shortfall Amount"). If any other Default occurs, the Required Lenders (or the Administrative Agent with the consent of the Required Lenders) may (x) terminate or suspend the obligations of the Lenders to make Loans hereunder and the obligation and power of the Issuers to issue Letters of Credit, or declare the Obligations to be due and payable, or both, whereupon the Obligations shall become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which the Borrower hereby expressly waives, and (y) upon notice to the Borrower and in addition to the continuing right to demand payment of all amounts payable under this Agreement, make demand on the Borrower to pay, and the Borrower will, forthwith upon such demand and without any further notice or act, pay to the Administrative Agent in immediately available funds the Collateral Shortfall Amount, which funds shall be deposited in the LC Collateral Account.

If, within 30 days after acceleration of the maturity of the Obligations or termination of the obligations of the Lenders to make Loans hereunder as a result of any Default (other than any Default as described in Section 7.7, 7.8 or 7.9 with respect to the Borrower) and before any judgment or decree for the payment of the Obligations due shall have been obtained or entered, the Required Lenders (in their sole discretion) shall so direct, the Administrative Agent shall, by notice to the Borrower, rescind and annul such acceleration and/or termination.

8.2. Amendments. Subject to the provisions of this Article VIII and Section 3.3, the Required Lenders (or the Administrative Agent with the consent in writing of the Required Lenders) and the Borrower may enter into agreements supplemental hereto for the purpose of adding or modifying any provisions to the Loan Documents or changing in any manner the rights

of the Lenders or the Borrower hereunder or waiving any Default hereunder; *provided* that no such supplemental agreement shall:

(i) without the consent of each Lender affected thereby:

(a) extend the Facility Termination Date or the final maturity of any Loan, forgive all or any portion of the principal amount of any Loan or reduce the rate or extend the time of payment of any interest or fees hereunder;

(b) extend the expiry date of any Letter of Credit to a date after the Facility Termination Date; or

(c) increase the amount of the Commitment of any Lender; or

(d) amend Section 11.2; or

(ii) without the consent of all Lenders:

(a) reduce the percentage specified in the definition of Required Lenders;

(b) permit the Borrower to assign its rights under this Agreement;

(c) amend this Section 8.2; or

(d) release any funds from the LC Collateral Account, except to the extent such release is expressly permitted hereunder.

No amendment of any provision of this Agreement relating to the Administrative Agent shall be effective without the written consent of the Administrative Agent, and no amendment of any provision of this Agreement relating to any Issuer shall be effective without the written consent of such Issuer. The Administrative Agent may waive payment of the fee required under Section 12.3.2 without obtaining the consent of any other party to this Agreement. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except for matters described in subsection (i) or clauses (c) and (d) of subsection (ii) of this Section 8.2.

8.3. Preservation of Rights. No delay or omission of the Lenders, the Issuers or the Administrative Agent to exercise any right under the Loan Documents shall impair such right or be construed to be a waiver of any Default or an acquiescence therein, and the making of a Credit Extension notwithstanding the existence of a Default or the inability of the Borrower to satisfy the conditions precedent to such Credit Extension shall not constitute any waiver or acquiescence. Any single or partial exercise of any such right shall not preclude other or further exercise thereof or the exercise of any other right, and no waiver, amendment or other variation of the terms, conditions or provisions of the Loan Documents whatsoever shall be valid unless in writing signed by the Lenders required pursuant to Section 8.2, and then only to the extent in such writing specifically set forth. All remedies contained in the Loan Documents or by law afforded shall be cumulative and all shall be available to the Administrative Agent, the Lenders and the Issuers until the Obligations have been paid in full.

ARTICLE IX

GENERAL PROVISIONS

9.1. Survival of Representations. All representations and warranties of the Borrower contained in this Agreement shall survive during the period that the Credit Extensions are outstanding.

9.2. Governmental Regulation. Anything contained in this Agreement to the contrary notwithstanding, no Lender shall be obligated to extend credit to the Borrower in violation of any limitation or prohibition provided by any applicable statute or regulation.

9.3. Entire Agreement. The Loan Documents embody the entire agreement and understanding among the Borrower, the Administrative Agent, the Lenders and the Issuers and supersede all prior agreements and understandings among the Borrower, the Administrative Agent, the Lenders and the Issuers relating to the subject matter thereof other than the Fee Letter.

9.4. Several Obligations; Benefits of this Agreement. The respective obligations of the Lenders hereunder are several and not joint and no Lender shall be the partner or agent of any other (except to the extent to which the Administrative Agent is authorized to act as such). The failure of any Lender to perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of an Issuer that issues any Letter of Credit), Participants and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuers and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement, *provided* that the parties hereto expressly agree that the Arranger shall enjoy the benefits of the provisions of Sections 9.5, 9.9 and 10.6 to the extent specifically set forth therein and shall have the right to enforce such provisions on its own behalf and in its own name to the same extent as if it were a party to this Agreement.

9.5. Expenses; Indemnification (i) The Borrower shall reimburse the Administrative Agent and the Arranger for any reasonable costs, internal charges and out-of-pocket expenses (including reasonable attorneys' fees and charges of attorneys for the Administrative Agent, which attorneys may be employees of the Administrative Agent) paid or incurred by the Administrative Agent or the Arranger in connection with the preparation, negotiation, execution, delivery, syndication, distribution (including via the internet), review, amendment, modification, and administration of the Loan Documents. The Borrower also agrees to reimburse the Administrative Agent, the Arranger, each Lender and each Issuer for any costs, internal charges and out-of-pocket expenses (including attorneys' fees and time charges of attorneys for the Administrative Agent, the Arranger, such Lender and such Issuer, which attorneys may be employees of the Administrative Agent, the Arranger, such Lender or such Issuer) paid or incurred by the Administrative Agent, the Arranger, any Lender or any Issuer in connection with the collection and enforcement of the Loan Documents. Expenses being reimbursed by the Borrower under this Section include costs and expenses incurred in connection with the Reports described in the following sentence. The Borrower acknowledges that from time to time JPMCB may prepare and may distribute to the Lenders (but shall have no obligation or duty to prepare or to distribute to the Lenders) certain audit reports (the "Reports") pertaining to the Borrower's

assets for internal use by JPMCB from information furnished to it by or on behalf of the Borrower, after JPMCB has exercised its rights of inspection pursuant to this Agreement.

(ii) The Borrower hereby further agrees to indemnify the Administrative Agent, the Arranger, each Lender, each Issuer, their respective affiliates, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against all losses, claims, damages, penalties, judgments, liabilities and expenses (including all expenses of litigation or preparation therefor whether or not the Administrative Agent, the Arranger, any Lender, any Issuer or any affiliate is a party thereto) which any of them may pay or incur arising out of or relating to this Agreement, the other Loan Documents, the transactions contemplated hereby or the direct or indirect application or proposed application of the proceeds of any Loan hereunder except to the extent that they are determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the party seeking indemnification. In the case of any investigation, litigation or proceeding to which the indemnity in this Section applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by a third party, by the Borrower or by an affiliate of the Borrower. The obligations of the Borrower under this Section 9.5 shall survive the payment of the Obligations and the termination of this Agreement.

(iii) Each Lender severally agrees to pay any amount required to be paid by the Borrower under paragraph (i) or (ii) of this Section 9.5 to the Administrative Agent, each Issuer and each Related Party of any of the foregoing Persons (each, an "Agent Indemnitee") (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Applicable Percentage in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Applicable Percentage immediately prior to such date), from and against any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Agent Indemnitee in its capacity as such; provided further that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee's gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(iv) To the extent permitted by applicable law (a) the Borrower shall not assert, and the Borrower hereby waives, any claim against any Indemnitee for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), and (b) no party hereto shall

assert, and each such party hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this clause (iv)(b) shall relieve the Borrower of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(v) All amounts due under this Section shall be payable promptly after written demand therefor.

9.6. Numbers of Documents. All statements, notices, closing documents, and requests hereunder shall be furnished to the Administrative Agent with sufficient counterparts so that the Administrative Agent may furnish one to each of the Lenders.

9.7. Accounting. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that, (i) any calculation or determination which is to be made on a consolidated basis shall exclude any assets, liabilities, revenues and expenses that are included in Borrower's financial statements from "variable interest entities" as a result of the application of FIN No. 46, Consolidation of Variable Interest Entities – an Interpretation of ARB No. 51, as updated through FIN No. 46-R and as modified by FIN No. 94 and (ii) if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to (a) any election under Financial Accounting Standards Board Accounting Standards Codification 825 (or any other Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of the Borrower or any Subsidiary at "fair value", as defined therein and (b) any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof.

9.8. Severability of Provisions. Any provision in any Loan Document that is held to be inoperative, unenforceable, or invalid in any jurisdiction shall, as to that jurisdiction, be inoperative, unenforceable, or invalid without affecting the remaining provisions in that jurisdiction or the operation, enforceability, or validity of that provision in any other jurisdiction, and to this end the provisions of all Loan Documents are declared to be severable.

9.9. Nonliability of Lenders. The relationship between the Borrower on the one hand and the Lenders, the Issuers and the Administrative Agent on the other hand shall be solely that of borrower and lender. None of the Administrative Agent, the Arranger, any Lender or any Issuer shall have any fiduciary responsibilities to the Borrower. None of the Administrative Agent, the Arranger, any Lender or any Issuer undertakes any responsibility to the Borrower to review or inform the Borrower of any matter in connection with any phase of the Borrower's business or operations. The Borrower agrees that none of the Administrative Agent, the Arranger, any Lender or any Issuer shall have liability to the Borrower (whether sounding in tort, contract or otherwise) for losses suffered by the Borrower in connection with, arising out of, or in any way related to, the transactions contemplated and the relationship established by the Loan Documents, or any act, omission or event occurring in connection therewith, unless it is determined in a final non-appealable judgment by a court of competent jurisdiction that such losses resulted from the gross negligence or willful misconduct of the party from which recovery is sought. None of the Administrative Agent, the Arranger, any Lender or any Issuer shall have any liability with respect to, and the Borrower hereby waives, releases and agrees not to sue for, any special, indirect or consequential damages suffered by the Borrower in connection with, arising out of, or in any way related to the Loan Documents or the transactions contemplated thereby.

9.10. Confidentiality. Each Lender agrees to maintain the confidentiality of Information (as defined below) which it may receive from the Borrower pursuant to this Agreement or in connection with any inspection conducted pursuant to Section 6.10, except for disclosure (i) to its Affiliates, to other Lenders and their respective Affiliates and the directors, officers, employees, agents, trustees, advisors and representatives of any of the foregoing (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to legal counsel, accountants, and other professional advisors to such Lender or to a Transferee, (iii) to regulatory officials, (iv) to any Person as requested pursuant to or as required by law, regulation, or legal process, (v) to any Person in connection with any legal proceeding to which such Lender is a party, (vi) to such Lender's direct or indirect contractual counterparties in swap agreements or to legal counsel, accountants and other professional advisors to such counterparties, (vii) permitted by Section 12.4, (viii) with the consent of Borrower, and (ix) to the extent such Information (a) becomes publicly available other than as a result of a breach of this Section or (b) becomes available to any Lender on a nonconfidential basis from a source other than Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent, JPMCB or any Lender on a non-confidential basis prior to disclosure by the Borrower and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry; provided that, in the case of information received from the Borrower after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information but no less than a reasonable degree of care.

For the avoidance of doubt, nothing in this Section 9.10 shall prohibit any Person from voluntarily disclosing or providing any Information within the scope of this confidentiality provision to any governmental, regulatory or self-regulatory organization (any such entity, a "Regulatory Authority") to the extent that any such prohibition on disclosure set forth in this Section 9.10 shall be prohibited by the laws or regulations applicable to such Regulatory Authority.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THIS SECTION 9.10 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER, THE OTHER CREDIT PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE CREDIT PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

9.11. Nonreliance. Each Lender hereby represents that it is not relying on or looking to any margin stock (as defined in Regulation U of the FRB) for the repayment of the Loans provided for herein.

9.12. Disclosure. The Borrower and each Lender hereby acknowledge and agree that JPMCB and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with the Borrower and its Affiliates.

9.13. No Fiduciary Duty, etc.

(i) The Borrower and each Lender hereby acknowledge and agree that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with the Borrower and its Affiliates. The Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that no Credit Party will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an arm's length contractual counterparty to the Borrower with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, the Borrower or any other Person. The Borrower agrees that it will not assert any

claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby. Additionally, the Borrower acknowledges and agrees that no Credit Party is advising the Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. The Borrower shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated herein or in the other Loan Documents, and the Credit Parties shall have no responsibility or liability to the Borrower with respect thereto.

(ii) The Borrower further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party, together with its Affiliates, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, the Borrower and other companies with which the Borrower may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(iii) In addition, the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrower may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from the Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrower in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. The Borrower also acknowledges that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower, confidential information obtained from other companies.

9.14. USA Patriot Act. Each Lender that is subject to the requirements of the USA PATRIOT Act of 2001 (the "Patriot Act") hereby notifies the Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Patriot Act.

9.15. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(i) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(ii) the effects of any Bail-In Action on any such liability, including, if applicable:

(a) a reduction in full or in part or cancellation of any such liability;

(b) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(c) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

9.16. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any agreement or instrument that is a QFC (such support "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

ARTICLE X

THE ADMINISTRATIVE AGENT

10.1. Authorization and Action.

(i) Each Lender and each Issuer hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors and assigns to serve as the administrative agent under the Loan Documents and each Lender and each Issuer authorizes the Administrative Agent to take such actions as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Administrative Agent under such agreements and to exercise such powers as are reasonably incidental thereto. Without limiting the foregoing, each Lender and each Issuer hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(ii) As to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, pursuant to the terms in the Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender and each Issuer; provided, however, that the Administrative Agent shall not be required to take any action that (a) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Lenders and the Issuers with respect to such action or (b) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(iii) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuers (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. The motivations of

the Syndication Agents, the Arranger and the Administrative Agent are commercial in nature and not to invest in the general performance or operations of the Borrower. Without limiting the generality of the foregoing:

(a) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender, Issuer or holder of any other obligation other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Unmatured Default has occurred and is continuing (and it is understood and agreed that the use of the term "agent" (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and/or the transactions contemplated hereby; and

(b) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender for any sum or the profit element of any sum received by the Administrative Agent for its own account;

(iv) The Administrative Agent may perform any of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities pursuant to this Agreement. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

(v) None of any Syndication Agent or any Arranger shall have obligations or duties whatsoever in such capacity under this Agreement or any other Loan Document and shall incur no liability hereunder or thereunder in such capacity, but all such persons shall have the benefit of the indemnities provided for hereunder.

(vi) In case of the pendency of any proceeding with respect to the Borrower under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any Reimbursement Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit Disbursements and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuers and the Administrative Agent (including any claim under Sections 2.4, 2.12, 3.1, 3.5 and 9.5) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender and each Issuer to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuers, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.5). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuer or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuer in any such proceeding.

(vii) The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Issuers, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrower or any Subsidiary, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions.

10.2. Administrative Agent's Reliance, Indemnification, Etc.

(i) Neither the Administrative Agent nor any of its Related Parties shall be (a) liable for any action taken or omitted to be taken by such party, the Administrative Agent or any of its Related Parties under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or (y) in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and non-appealable judgment) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of the Borrower to perform its obligations hereunder or thereunder.

(ii) The Administrative Agent shall be deemed not to have knowledge of any (x) notice of any of the events or circumstances set forth or described in Section 6.4 unless and until written notice thereof stating that it is a "notice under Section 6.4" in respect of this Agreement and identifying the specific clause under said Section is given to the Administrative Agent by the Borrower, or (y) notice of any Default unless and until written notice thereof (stating that it is a "notice of default") is given to the Administrative Agent by the Borrower, a Lender or an Issuer, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (a) any statement, warranty or representation made in or in connection with any Loan Document, (b) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (c) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (d) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (e) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any Liability, cost or expense suffered by the Borrower, any Subsidiary, any Lender or the Issuer as a result of, any determination of any Outstanding Credit Exposure, any of the component amounts thereof or any portion thereof attributable to each Lender or the Issuer.

(iii) Without limiting the foregoing, the Administrative Agent (a) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 12.1, (b) may rely on the Register to the extent set forth in Section 12.2.1, (c) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (d) makes no warranty or representation to any Lender or Issuer and shall not be responsible to any Lender or Issuer for any statements, warranties or representations made by or on behalf of the Borrower in connection with this Agreement or any other Loan Document, (e) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuer, may presume that such condition is satisfactory to such Lender or Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuer sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (f) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

10.3. Posting of Communications.

(i) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make any Communications available to the Lenders and the Issuers by posting the Communications on IntraLinks™, DebtDomain, SyndTrak, ClearPar or any other electronic system chosen by the Administrative Agent to be its electronic transmission system (the "Approved Electronic Platform").

(ii) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Restatement Effective Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuers and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Approved Electronic Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuers and the Borrower hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(iii) THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS ARE PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE APPROVED ELECTRONIC PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE APPROVED ELECTRONIC PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, "APPLICABLE PARTIES") HAVE ANY LIABILITY TO THE BORROWER, ANY LENDER, ANY ISSUER OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THROUGH AN ELECTRONIC SYSTEM OR THE APPROVED ELECTRONIC PLATFORM.

"Communications" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of the Borrower pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender or any Issuer by means of electronic communications pursuant to this Section, including through an Approved Electronic Platform.

(iv) Each Lender and each Issuer agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender and Issuer agrees (a) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender's or Issuer's (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (b) that the foregoing notice may be sent to such email address.

(v) Each of the Lenders, each of the Issuers and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(vi) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuer to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

10.4. The Administrative Agent Individually. With respect to its Commitment, Loans, LC Sublimit and Letters of Credit, the Person serving as the Administrative Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein for any other Lender or Issuer, as the case may be. The terms "Issuers", "Lenders", "Required Lenders" and any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Lender, Issuer or as one of the Required Lenders, as applicable. The Person serving as the Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of banking, trust or other business with, the Borrower, any Subsidiary or any Affiliate of any of the foregoing as if such Person was not acting as the Administrative Agent and without any duty to account therefor to the Lenders or the Issuers.

10.5. Successor Administrative Agent.

(i) The Administrative Agent may resign at any time by giving 30 days' prior written notice thereof to the Lenders, the Issuers and the Borrower, whether or not a successor Administrative Agent has been appointed. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuers, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York or an Affiliate of any such bank. In either case, such appointment shall be subject to the prior written approval of the Borrower (which approval may not be unreasonably withheld, conditioned or delayed and shall not be required while a Default has occurred and is continuing). Upon the acceptance of any appointment as Administrative Agent by a successor Administrative Agent, such successor Administrative Agent shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Administrative Agent. Upon the acceptance of appointment as Administrative Agent by a successor Administrative Agent, the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement

and the other Loan Documents. Prior to any retiring Administrative Agent's resignation hereunder as Administrative Agent, the retiring Administrative Agent shall take such action as may be reasonably necessary to assign to the successor Administrative Agent its rights as Administrative Agent under the Loan Documents.

(ii) Notwithstanding paragraph (i) of this Section, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuers and the Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (x) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (y) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall directly be given or made to each Lender and each Issuer. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article and Section 9.5, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

10.6. Acknowledgement of Lenders and Issuers.

(i) Each Lender represents that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and that it has, independently and without reliance upon the Administrative Agent, any Arranger, any Syndication Agent, or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger, any Syndication Agent, or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(ii) Each Lender, by delivering its signature page to this Agreement on the Restatement Effective Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Restatement Effective Date.

(iii) (a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 10.6(iii) shall be conclusive, absent manifest error.

(b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not pre-ceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Borrower and each other Credit Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Credit Party.

(d) Each party's obligations under this Section 10.6(iii) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or

obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

(iv) The Lenders acknowledge that there may be a constant flow of information (including information which may be subject to confidentiality obligations in favor of the Credit Parties) between the Credit Parties and their Affiliates, on the one hand, and JPMorgan Chase Bank, N.A. and its Affiliates, on the other hand. Without limiting the foregoing, the Credit Parties or their Affiliates may provide information, including updates to previously provided information to JPMorgan Chase Bank, N.A. and/or its Affiliates acting in different capacities, including as Lender, lead bank, arranger or potential securities investor, independent of such entity's role as administrative agent hereunder. The Lenders acknowledge that neither JPMorgan Chase Bank, N.A. nor its Affiliates shall be under any obligation to provide any of the foregoing information to them. Notwithstanding anything to the contrary set forth herein or in any other Loan Document, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent herein, the Administrative Agent shall not have any duty or responsibility to provide, and shall not be liable for the failure to provide, any Lender with any credit or other information concerning the Loans, the Lenders, the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Credit Parties or any of their respective Affiliates that is communicated to, obtained by, or in the possession of, the Administrative Agent or any of its Affiliates in any capacity, including any information obtained by the Administrative Agent in the course of communications among the Administrative Agent and any Credit Party, any Affiliate thereof or any other Person. Notwithstanding the foregoing, any such information may (but shall not be required to) be shared by the Administrative Agent with one or more Lenders, or any formal or informal committee or ad hoc group of such Lenders, including at the direction of a Credit Party.

10.7. Certain ERISA Matters.

(i) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower, that at least one of the following is and will be true:

(a) such Lender is not using "plan assets" (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(b) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration

of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(c) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(d) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(ii) In addition, unless sub-clause (a) in the immediately preceding clause (i) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (d) in the immediately preceding clause (i), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower, that none of the Administrative Agent, or any Arranger, any Syndication Agent, or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(iii) The Administrative Agent, each Arranger and each Syndication Agent hereby informs the Lenders that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (a) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Loan Documents (b) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (c) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

10.8. Flood Laws. JPMCB has adopted internal policies and procedures that address requirements placed on federally regulated lenders under the Flood Laws. JPMCB, as administrative agent on a syndicated facility, will post on the applicable electronic platform (or otherwise distribute to each Lender in the syndicate) documents that it receives in connection with the Flood Laws. However, JPMCB reminds each Lender and Participant in the facility that, pursuant to the Flood Laws, each federally regulated Lender (whether acting as a Lender or Participant in the facility) is responsible for assuring its own compliance with the flood insurance requirements.

10.9. Borrower Communications.

(i) The Administrative Agent, the Lenders and the Issuers agree that the Borrower may, but shall not be obligated to, make any Borrower Communications to the Administrative Agent through an electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Approved Borrower Portal").

(ii) Although the Approved Borrower Portal and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Restatement Effective Date, a user ID/password authorization system), each of the Lenders, each of the Issuers and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of the Borrower that are added to the Approved Borrower Portal, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuers and the Borrower hereby approves distribution of Borrower Communications through the Approved Borrower Portal and understands and assumes the risks of such distribution.

(iii) THE APPROVED BORROWER PORTAL IS PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER COMMUNICATION, OR THE ADEQUACY OF THE APPROVED BORROWER PORTAL AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED BORROWER PORTAL AND THE BORROWER COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE BORROWER COMMUNICATIONS OR THE APPROVED BORROWER PORTAL. IN NO EVENT SHALL ANY APPLICABLE PARTY HAVE ANY LIABILITY TO ANY CREDIT PARTY, ANY LENDER, ANY ISSUER OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER'S TRANSMISSION OF BORROWER COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED BORROWER PORTAL.

(iv) Each of the Lenders, each of the Issuers and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Borrower Communications on the Approved Borrower Portal in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(v) Nothing herein shall prejudice the right of the Borrower to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

ARTICLE XI

SETOFF; RATABLE PAYMENTS

11.1. Setoff. In addition to, and without limitation of, any rights of the Lenders under applicable law, if the Borrower becomes insolvent, however evidenced, or any Default occurs, any and all deposits (including all account balances, whether provisional or final and whether or not collected or available) and any other Indebtedness at any time held or owing by any Lender or any Affiliate of any Lender to or for the credit or account of the Borrower may be offset and applied toward the payment of the Obligations owing to such Lender, whether or not the Obligations, or any part thereof, shall then be due.

11.2. Ratable Payments. If any Lender, whether by setoff or otherwise, has payment made to it upon its Outstanding Credit Exposure (other than payments received pursuant to Section 3.1, 3.2 or 3.5 and payments made to any Issuer in respect of Reimbursement Obligations so long as the Lenders have not funded their participations therein) in a greater proportion than that received by any other Lender, such Lender agrees, promptly upon demand, to purchase a portion of the Aggregate Outstanding Credit Exposure held by the other Lenders so that after such purchase each Lender will hold its ratable proportion of the Aggregate Outstanding Credit Exposure. If any Lender, whether in connection with setoff or amounts which might be subject to setoff or otherwise, receives collateral or other protection for its Obligations or such amounts which may be subject to setoff, such Lender agrees, promptly upon demand, to take such action necessary such that all Lenders share in the benefits of such collateral ratably in proportion to their Loans. In case any such payment is disturbed by legal process, or otherwise, appropriate further adjustments shall be made.

ARTICLE XII

BENEFIT OF AGREEMENT; ASSIGNMENTS; PARTICIPATIONS

12.1. Successors and Assigns. The terms and provisions of the Loan Documents shall be binding upon and inure to the benefit of the Borrower and the Lenders and their respective successors and assigns, except that (i) the Borrower shall not have the right to assign its rights or obligations under the Loan Documents and (ii) any assignment by any Lender must be made in compliance with Section 12.3. The parties to this Agreement acknowledge that clause (ii) of this Section 12.1 relates only to absolute assignments and does not prohibit assignments creating security interests, including (x) any pledge or assignment by any Lender of all or any portion of

its rights under this Agreement and any Note to a Federal Reserve Bank or (y) in the case of a Lender which is a Fund, any pledge or assignment of all or any portion of its rights under this Agreement and any Note to its trustee in support of its obligation to its trustees; *provided* that no such pledge or assignment creating a security interest shall release the transferor Lender from its obligations hereunder unless and until the parties thereto have complied with the provisions of Section 12.3. The Administrative Agent may treat the Person which made any Loan or which holds any Note as the owner thereof for all purposes hereof unless and until such Person complies with Section 12.3; *provided* that the Administrative Agent may in its discretion (but shall not be required to) follow instructions from the Person which made any Loan or which holds any Note to direct payments relating to such Loan or Note to another Person. Any assignee of the rights to any Loan or any Note agrees by acceptance of such assignment to be bound by all the terms and provisions of the Loan Documents. Any request, authority or consent of any Person, who at the time of making such request or giving such authority or consent is the owner of the rights to any Loan (whether or not a Note has been issued in evidence thereof), shall be conclusive and binding on any subsequent holder, transferee or assignee of the rights to such Loan.

12.2. Participations.

12.2.1. Permitted Participants; Effect. Any Lender may, without the consent of, or notice to, the Borrower, the Administrative Agent or the Issuers, sell participations to one or more banks or other entities (a "Participant"), other than an Ineligible Institution, in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrower, the Administrative Agent, the Issuers and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 8.2 that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.1, 3.2 and 3.5 (subject to the requirements and limitations therein, including the requirements under Sections 3.5(vi) (it being understood that the documentation required under Sections 3.5(vi) shall be delivered to the participating Lender and the information) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.3; provided that such Participant (A) agrees to be subject to the provisions of Section 3.6 as if it were an assignee under Section 12.3; and (B) shall not be entitled to receive any greater payment under Section 3.1 or 3.5, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.5(ii) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.1 as

though it were a Lender; provided that such Participant agrees to be subject to Section 11.2 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

12.2.2. Voting Rights .Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, modification or waiver of any provision of the Loan Documents other than any amendment, modification or waiver with respect to any Credit Extension or Commitment in which such Participant has an interest which would require consent of all of the Lenders pursuant to the terms of Section 8.2 or of any other Loan Document.

12.2.3. Benefit of Setoff. The Borrower agrees that each Participant shall be deemed to have the right of setoff provided in Section 11.1 in respect of its participating interest in amounts owing under the Loan Documents to the same extent as if the amount of its participating interest were owing directly to it as a Lender under the Loan Documents, *provided* that each Lender shall retain the right of setoff provided in Section 11.1 with respect to the amount of participating interests sold to each Participant. The Lenders agree to share with each Participant, and each Participant, by exercising the right of setoff provided in Section 11.1, agrees to share with each Lender, any amount received pursuant to the exercise of its right of setoff, such amounts to be shared in accordance with Section 11.2 as if each Participant were a Lender.

12.3. Assignments.

12.3.1. Permitted Assignments. Any Lender may at any time assign to one or more banks or other entities ("Purchasers"), other than an Ineligible Institution, all or any part of its rights and obligations under the Loan Documents. Such assignment shall be substantially in the form of Exhibit C or in such other form as may be agreed to by the parties thereto. The consent of the Borrower, each Issuer and the Administrative Agent shall be required prior to an assignment becoming effective with respect to a Purchaser which is not a Lender or an Affiliate thereof; *provided* that if a Default has occurred and is continuing, the consent of the Borrower shall not be required. Such consent shall not be unreasonably withheld or delayed. Each such assignment with respect to a Purchaser which is not a Lender or an Affiliate thereof shall (unless each of the Borrower and the Administrative Agent otherwise consents) be in an amount not less than the lesser of (i) $5,000,000 or (ii) the remaining amount of the assigning Lender's Commitment (calculated as at the date of such assignment) or outstanding Loans (if the applicable Commitment has been terminated). Each such Purchaser, if it shall not be a Lender,

shall deliver to the Administrative Agent an Administrative Questionnaire in which such Purchaser designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the Credit Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

12.3.2. Effect; Effective Date. Upon (i) delivery to the Administrative Agent of an assignment, together with any consents required by Section 12.3.1, and (ii) payment of a $4,000 fee to the Administrative Agent for processing such assignment (unless such fee is waived by the Administrative Agent), such assignment shall become effective on the effective date specified in such assignment. The assignment shall contain a representation by the Purchaser to the effect that none of the consideration used to make the purchase of the Commitment and the Outstanding Credit Exposure under the applicable assignment agreement constitutes "plan assets" as defined under ERISA and that the rights and interests of the Purchaser in and under the Loan Documents will not be "plan assets" under ERISA. On and after the effective date of such assignment, such Purchaser shall for all purposes be a Lender party to this Agreement and any other Loan Document executed by or on behalf of the Lenders and shall have all the rights and obligations of a Lender under the Loan Documents, to the same extent as if it were an original party hereto, and no further consent or action by the Borrower, the Lenders or the Administrative Agent shall be required to release the transferor Lender with respect to the percentage of the Aggregate Commitment and the Aggregate Outstanding Credit Exposure assigned to such Purchaser. Upon the consummation of any assignment to a Purchaser pursuant to this Section 12.3.2, the transferor Lender, the Administrative Agent and the Borrower shall, if the Purchaser desires that its Loans be evidenced by a Note, make appropriate arrangements so that a Note is issued to such Purchaser.

12.3.3. Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

12.3.4. Resignation as Issuer. Notwithstanding anything to the contrary contained herein, if at any time any Lender assigns all of its Commitment and Loans pursuant to this Section 12.3, such Lender may, upon 30 days' notice to the Borrower and the Lenders, resign as an Issuer. If any Lender so assigns all of its Commitment and Loans, it shall (i) retain all the rights and obligations of an Issuer hereunder with respect to all Letters of Credit issued by it that are outstanding as of the effective date of such assignment (including the right to require the Lenders to fund risk participations in respect of such Letters of Credit) and (ii) have no right or obligation to issue Letters of Credit on or after the effective date of such assignment.

12.4. Dissemination of Information. The Borrower authorizes each Lender to disclose to any Participant or Purchaser or any other Person acquiring an interest in the Loan Documents by operation of law (each a "Transferee") and any prospective Transferee any and all information in such Lender's possession concerning the creditworthiness of the Borrower and its Subsidiaries, including any information contained in any Reports; *provided* that each Transferee and prospective Transferee agrees to be bound by Section 9.10 of this Agreement.

12.5. Tax Treatment. If any interest in any Loan Document is transferred to any Transferee which is organized under the laws of any jurisdiction other than the United States or any State thereof, the transferor Lender shall cause such Transferee, concurrently with the effectiveness of such transfer, to comply with the provisions of Section 3.5(iv).

12.6. Restriction on Transfer. Notwithstanding any other provision of this Agreement, no Lender may assign, sell a participation in or otherwise transfer any of its rights or obligations hereunder to the Borrower or any Affiliate thereof.

"Wholly-Owned Subsidiary" of a Person means (i) any Subsidiary all of the outstanding voting securities of which shall at the time be owned or controlled, directly or indirectly, by such Person or one or more Wholly-Owned Subsidiaries of such Person, or by such Person and one or more Wholly-Owned Subsidiaries of such Person, or (ii) any partnership, limited liability company, association, joint venture or similar business organization 100% of the ownership interests having ordinary voting power of which shall at the time be so owned or controlled.

"Withdrawal Liability" means liability to a Multiemployer Plan as a result of a complete or partial withdrawal from such Multiemployer Plan, as such terms are defined in Part I of Subtitle E of Title IV of ERISA.

"Write-Down and Conversion Powers" means (a) with respect to any EEA Resolution Authority, the write-down and conversion powers of such EEA Resolution Authority from time to time under the Bail-In Legislation for the applicable EEA Member Country, which write-down and conversion powers are described in the EU Bail-In Legislation Schedule, and (b) with respect to the United Kingdom, any powers of the applicable Resolution Authority under the Bail-In Legislation to cancel, reduce, modify or change the form of a liability of any UK Financial Institution or any contract or instrument under which that liability arises, to convert all or part of that liability into shares, securities or obligations of that person or any other person, to provide that any such contract or instrument is to have effect as if a right had been exercised under it or to suspend any obligation in respect of that liability or any of the powers under that Bail-In Legislation that are related to or ancillary to any of those powers.

1.2. Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the stated amount of such Letter of Credit in effect at such time; *provided* that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

1.3. Other Interpretative Provisions. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context requires, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include" and "including" shall be deemed to be followed by the phrase "without limitation." Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document shall be construed to refer to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (ii) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement unless another document is specifically referenced and (iii) any reference to any law or regulation shall include all statutory and regulatory provisions consolidating, amending, supplementing, reforming, replacing or interpreting such law or regulation. In the computation of periods of time from a specified date to a later specified date, the word "from" means "from and including"; and the word "to" means "to but excluding". Section headings herein are for convenience of reference only and shall not affect the interpretation of this Agreement.

1.4. Interest Rates; Benchmark Notification. The interest rate on a Loan may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 3.3(ii) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same

volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

ARTICLE II

THE CREDITS

2.1. The Facility.

2.1.1. Description of Facility. The Lenders grant to the Borrower a revolving credit facility pursuant to which, and upon the terms and subject to the conditions herein set forth, (a) each Lender severally agrees to make Loans to the Borrower in accordance with Section 2.2 and (b) each Issuer agrees to issue Letters of Credit for the account of the Borrower from time to time (and each Lender severally agrees to participate in each such Letter of Credit as more fully set forth in Section 2.17). There shall not at any time be more than a total of ten (10) Term Benchmark Advances, RFR Advances or Floating Rate Advances outstanding.

2.1.2. Limitations on Outstandings. In no event may (a) the Aggregate Outstanding Credit Exposure at any time exceed the Aggregate Commitment or (b) the Outstanding Credit Exposure of any Lender at any time exceed the amount of such Lender's Commitment.

2.1.3. Availability of Facility. Subject to the terms of this Agreement, the facility is available from the date hereof to the Facility Termination Date, and the Borrower may borrow, repay and reborrow at any time prior to the Facility Termination Date. The Commitments shall expire on the Facility Termination Date.

2.1.4. Repayment of Facility; Deposit of Cash Collateral. Any outstanding Advances and all other unpaid Obligations shall be paid in full in Dollars by the Borrower on the Facility Termination Date and on such date the Borrower will deposit into the LC Collateral Account an amount, in Dollars, in immediately available funds equal to the aggregate stated amount of all Letters of Credit that will remain outstanding after the Facility Termination Date. All payments hereunder shall be made in Dollars.

2.2. Advances.

2.2.1. Advances. Each Advance hereunder shall consist of Loans made from the several Lenders ratably in proportion to the ratio that their respective Commitments bear to the Aggregate Commitment.

2.2.2. Types of Advances. The Advances may be Floating Rate Advances or Term Benchmark Advances, or a combination thereof, selected by the Borrower in accordance with Section 2.2.3.

2.2.3. Method of Selecting Types and Interest Periods for Advances. The Borrower shall select the Type of Advance and, in the case of each Term Benchmark Advance, the Interest Period applicable thereto, from time to time. The Borrower shall give the Administrative Agent irrevocable notice (a "Borrowing Notice") signed by an Authorized Officer of the Borrower or through any Electronic System or an Approved Borrower Portal, in each case, if arrangements for doing so have been approved by the Administrative Agent, not later than 1:00 p.m. (New York time) (x) on the Borrowing Date of each Floating Rate Advance and (y) at least three Business Days before the Borrowing Date for each Term Benchmark Advance. A Borrowing Notice shall specify:

(i) the Borrowing Date, which shall be a Business Day, of such Advance,

(ii) the aggregate amount of such Advance,

(iii) the Type of Advance selected, and

(iv) in the case of each Term Benchmark Advance, the Interest Period applicable thereto (which may not end after the Facility Termination Date).

2.2.4. Conversion and Continuation of Outstanding Advances. Floating Rate Advances shall continue as Floating Rate Advances unless and until such Floating Rate Advances are either converted into Term Benchmark Advances in accordance with this Section 2.2.4 or are repaid in accordance with Section 2.6. Each Term Benchmark Advance shall continue as a Term Benchmark Advance until the end of the then applicable Interest Period therefor, at which time such Term Benchmark Advance shall be automatically continued as a Term Benchmark Advance with an Interest Period of one month unless (x) such Term Benchmark Advance is or was repaid in accordance with Section 2.6 or (y) the Borrower shall have given the Administrative Agent a Conversion/Continuation Notice (as defined below) requesting that, at the end of such Interest Period, such Term Benchmark Advance continue as a Term Benchmark Advance for the same or another Interest Period. Subject to the terms of Section 2.5, the Borrower may elect from time to time to convert all or any part of a Floating Rate Advance into a Term Benchmark Advance. The Borrower shall give the Administrative Agent irrevocable notice (a "Conversion/Continuation Notice") signed by an Authorized Officer of the Borrower or through any Electronic System or an Approved Borrower Portal, in each case, if arrangements for doing so have been approved by the Administrative Agent, of each conversion of a Floating Rate Advance into a Term Benchmark Advance, or continuation of a Term Benchmark Advance, not later than 1:00 p.m. (New York time) at least three Business Days prior to the date of the requested conversion or continuation, specifying:

(i) the requested date, which shall be a Business Day, of such conversion or continuation,

(ii) the aggregate amount and Type of the Advance which is to be converted or continued, and

(iii) the amount of such Advance(s) which is to be converted into or continued as a Term Benchmark Advance and the duration of the Interest Period applicable thereto.

2.3. Method of Borrowing. Not later than 2:00 p.m. (New York time) on each Borrowing Date, each Lender shall make available its Loan or Loans in funds immediately available in Chicago to the Administrative Agent at its address specified pursuant to Article XIII. The Administrative Agent will make the funds so received from the Lenders available to the Borrower at the Administrative Agent's aforesaid address.

2.4. Commitment Fee; Reductions in Aggregate Commitment. The Borrower agrees to pay to the Administrative Agent for the account of each Lender a commitment fee at a per annum rate equal to the Commitment Fee Rate on the average daily unused amount of such Lender's Commitment from the date hereof to the Facility Termination Date, payable on the last day of each calendar quarter hereafter and on the Facility Termination Date; provided that the Borrower shall not be obligated to pay a commitment fee for the account of any Lender with respect to any period during which such Lender is a Defaulting Lender. The Borrower may permanently reduce the Aggregate Commitment in whole, or in part ratably among the Lenders in an amount equal to $5,000,000 or an integral multiple of $1,000,000 in excess of $5,000,000 upon at least two Business Days' written notice to the Administrative Agent, which notice shall specify the amount of any such reduction, *provided,* that the amount of the Aggregate Commitment may not be reduced below the Aggregate Outstanding Credit Exposure. All accrued commitment fees shall be payable on the effective date of any termination of the obligations of the Lenders to make Loans hereunder.

2.5. Minimum Amount of Each Advance. Each Term Benchmark Advance shall be in the amount of $1,000,000 (or a higher integral multiple of $500,000), and each Floating Rate Advance shall be in the amount of (i) $1,000,000 (or a higher integral multiple of $500,000) or, if applicable, (ii) the amount of then outstanding commercial paper being repaid with the proceeds of such Floating Rate Advance, *provided* that any Floating Rate Advance may be in the amount of the unused Aggregate Commitment. The Borrower shall not request a Term Benchmark Advance if, after giving effect to the requested Term Benchmark Advance, more than ten (10) separate Term Benchmark Advances would be outstanding.

2.6. Optional Principal Payments. The Borrower may from time to time pay on any Business Day, without penalty or premium, all outstanding Floating Rate Advances, or, in the amount of $1,000,000 or a higher integral multiple of $500,000, any portion of the outstanding Floating Rate Advances upon notice to the Administrative Agent by facsimile or through any Electronic System or an Approved Borrower Portal, in each case, if arrangements for doing so have been approved by the Administrative Agent, (not later than 1:00 p.m. (New York time)) on the proposed day of payment. The Borrower may from time to time pay, subject to the payment of any funding indemnification amounts required by Section 3.2 but without penalty or premium, all outstanding Term Benchmark Advances or, in the amount of $1,000,000 (or, if less, the

outstanding amount of any Term Benchmark Advance) or a higher integral multiple of $500,000, any portion of any outstanding Term Benchmark Advance upon two Business Days' prior notice to the Administrative Agent.

2.7. Changes in Interest Rate, etc. Each Floating Rate Advance shall bear interest on the outstanding principal amount thereof, for each day from the date such Advance is made or is converted from a Term Benchmark Advance into a Floating Rate Advance pursuant to Section 2.2.4 to the date it becomes due or is converted into a Term Benchmark Advance pursuant to Section 2.2.4, at a rate per annum equal to the Floating Rate plus the Base Rate Margin for such day. Changes in the rate of interest on that portion of any Advance maintained as a Floating Rate Advance will take effect simultaneously with each change in the Alternate Base Rate. Each Term Benchmark Advance shall bear interest on the outstanding principal amount thereof from the first day of the Interest Period applicable thereto to the last day of such Interest Period at a rate per annum equal to the Term SOFR Rate plus the Term Benchmark Margin for each such day. Each RFR Advance shall bear interest on the outstanding principal amount thereof, for each day from the date such Advance is made or converted from a Term Benchmark Advance into an RFR Advance pursuant to Section 3.3 to the date it becomes due or is converted into a Term Benchmark Advance pursuant to Section 3.3, at a rate per annum equal to Daily Simple SOFR plus the RFR Margin for such date. No Interest Period may end after the Facility Termination Date.

2.8. Rates Applicable After Default. Notwithstanding anything to the contrary contained in Section 2.2.3 or Section 2.2.4, during the continuance of a Default or Unmatured Default, the Required Lenders may, at their option, by notice to the Borrower (which notice may be revoked at the option of the Required Lenders notwithstanding any provision of Section 8.2 requiring unanimous consent of the Lenders to changes in interest rates), declare that no Advance may be made as, converted into or continued as a Term Benchmark Advance. During the continuance of a Default, the Required Lenders may, at their option, by notice to the Borrower (which notice may be revoked at the option of the Required Lenders notwithstanding any provision of Section 8.2 requiring unanimous consent of the Lenders to changes in interest rates), declare that (i) each Term Benchmark Advance shall bear interest for the remainder of the applicable Interest Period at the rate otherwise applicable to such Interest Period plus 1.5% per annum, (ii) each Floating Rate Advance shall bear interest at a rate per annum equal to the Floating Rate in effect from time to time, plus the Base Rate Margin, plus 1.5% per annum, (iii) each RFR Advance shall bear interest at a rate per annum equal to Daily Simple SOFR, plus 1.5% per annum and/or (iv) the Letter of Credit Fee Rate shall be increased by 1.5% per annum, *provided* that, during the continuance of a Default under Section 7.7 or 7.8, the interest rates set forth in clauses (i), (ii) and (iii) above and the increase in the Letter of Credit Fee Rate set forth in clause (iv) above shall be applicable to all applicable Credit Extensions without any election or action on the part of the Administrative Agent or any Lender.

2.9. Method of Payment. All payments of the Obligations hereunder shall be made, without setoff, deduction, or counterclaim, in Dollars, in immediately available funds to the Administrative Agent at the Administrative Agent's address specified pursuant to Article XIII, or at any other Lending Installation of the Administrative Agent as described in the Administrative Questionnaire provided by the Administrative Agent to the Borrower from time to time, by noon (local time) on the date when due and shall be applied ratably by the Administrative Agent

among the Lenders. Each payment delivered to the Administrative Agent for the account of any Lender shall be delivered promptly by the Administrative Agent to such Lender in the same type of funds that the Administrative Agent received at its address specified pursuant to Article XIII or at any Lending Installation specified in a notice received by the Administrative Agent from such Lender. The Administrative Agent is hereby authorized to automatically charge any account of the Borrower maintained with the Administrative Agent for each payment of principal, interest and fees as it becomes due hereunder.

2.10. Noteless Agreement; Evidence of Indebtedness. (i) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(ii) The Administrative Agent shall also maintain accounts in which it will record (a) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (b) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder, (c) the original stated amount of each Letter of Credit and the amount of Letter of Credit Obligations outstanding and (d) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(iii) The entries maintained in the accounts maintained pursuant to paragraphs (i) and (ii) above shall be *prima facie* evidence of the existence and amounts of the Obligations therein recorded; *provided,* that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(iv) Any Lender may request that its Loans be evidenced by Notes. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 12.3) be represented by a Note payable to the order of the payee named therein or any assignee pursuant to Section 12.3, except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in paragraphs (i) and (ii) above.

2.11. Telephonic Notices. The Borrower hereby authorizes the Lenders and the Administrative Agent to extend, convert or continue Advances, effect selections of Types of Advances, and to transfer funds based on telephonic notices made by any person or persons the Administrative Agent or any Lender in good faith believes to be acting on behalf of the Borrower, it being understood that the foregoing authorization is specifically intended to allow Borrowing Notices and Conversion/Continuation Notices to be given telephonically. The Borrower agrees to deliver promptly to the Administrative Agent a written confirmation, if such confirmation is requested by the Administrative Agent or any Lender, of each telephonic notice signed by an Authorized Officer; provided that, if such Borrowing Notice is submitted through an Approved Borrower Portal, the foregoing signature requirement may be waived at the sole discretion of the Administrative Agent. If the written confirmation differs in any material

respect from the action taken by the Administrative Agent and the Lenders, the records of the Administrative Agent and the Lenders shall govern absent manifest error.

2.12. Interest Payment Dates; Interest and Fee Basis. Interest accrued on each Floating Rate Advance and each RFR Advance shall be payable on each Payment Date, commencing with the first such date to occur after the date hereof, on any date on which such Floating Rate Advance or such RFR Advance is prepaid, whether due to acceleration or otherwise, and at maturity. Interest accrued on that portion of the outstanding principal amount of any Floating Rate Advance converted into a Term Benchmark Advance on a day other than a Payment Date shall be payable on the date of conversion. Interest accrued on each Term Benchmark Advance shall be payable on the last day of its applicable Interest Period, on any date on which such Term Benchmark Advance is prepaid, whether by acceleration or otherwise, and at maturity. Interest accrued on each Term Benchmark Advance having an Interest Period longer than three months shall also be payable on the last day of each three-month interval during such Interest Period. Interest and commitment fees shall be calculated for actual days elapsed on the basis of a 360-day year, except that interest calculated based on the Prime Rate shall be calculated for actual days elapsed on the basis of a 365, or when appropriate 366, day year. Interest shall be payable for the day an Advance is made but not for the day of any payment on the amount paid if payment is received prior to noon (local time) at the place of payment. If any payment of principal of or interest on an Advance shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and, in the case of a principal payment, such extension of time shall be included in computing interest in connection with such payment.

2.13. Notification of Advances, Interest Rates, Prepayments and Commitment Reductions. Promptly after receipt thereof, the Administrative Agent will notify each Lender of the contents of each Aggregate Commitment reduction notice, Borrowing Notice, Conversion/Continuation Notice, and repayment notice received by it hereunder. The Administrative Agent will notify each Lender of the interest rate applicable to each Term Benchmark Advance promptly upon determination of such interest rate and will give each Lender prompt notice of each change in the Alternate Base Rate.

2.14. Lending Installations. Each Lender may book its Loans at any Lending Installation selected by such Lender and may change its Lending Installation from time to time. All terms of this Agreement shall apply to any such Lending Installation and any Loan issued hereunder shall be deemed held by each Lender for the benefit of any such Lending Installation. Each Lender may, by written notice to the Administrative Agent and the Borrower in accordance with Article XIII, designate replacement or additional Lending Installations through which Loans will be made by it and for whose account Loan payments are to be made.

2.15. Non-Receipt of Funds by the Administrative Agent. Unless the Borrower or a Lender, as the case may be, notifies the Administrative Agent prior to the date on which it is scheduled to make payment to the Administrative Agent of (i) in the case of a Lender, the proceeds of a Loan or (ii) in the case of the Borrower, a payment of principal, interest or fees to the Administrative Agent for the account of the Lenders, that it does not intend to make such payment, the Administrative Agent may assume that such payment has been made. The Administrative Agent may, but shall not be obligated to, make the amount of such payment

available to the intended recipient in reliance upon such assumption. If such Lender or the Borrower, as the case may be, has not in fact made such payment to the Administrative Agent, the recipient of such payment shall, on demand by the Administrative Agent, repay to the Administrative Agent the amount so made available together with interest thereon in respect of each day during the period commencing on the date such amount was so made available by the Administrative Agent until the date the Administrative Agent recovers such amount at a rate per annum equal to (x) in the case of payment by a Lender, the Federal Funds Effective Rate for such day for the first three days and, thereafter, the interest rate applicable to the relevant Loan or (y) in the case of payment by the Borrower, the interest rate applicable to the relevant Loan.

2.16. Extension of Facility Termination Date. The Borrower may request an extension of the Facility Termination Date for up to two additional one-year periods by submitting a request for an extension to the Administrative Agent (an "Extension Request") not more than 60 days or less than 30 days prior to any anniversary of the date of this Agreement (each an "Anniversary Date"). In response to such request, each Lender shall, not later than 20 days prior to the applicable Anniversary Date, notify the Administrative Agent whether it is willing (in its sole and complete discretion) to extend the scheduled Facility Termination Date for an additional year (and any Lender that fails to give such notice to the Administrative Agent shall be deemed to have elected not to extend the scheduled Facility Termination Date). The Administrative Agent will notify the Borrower of the Lenders' decisions no later than 15 days prior to such Anniversary Date. If Lenders holding more than 50% of the Commitments elect to extend the scheduled Facility Termination Date, then on such Anniversary Date the Commitments of such Lenders shall be extended for an additional year; provided that (i) no Default or Unmatured Default exists on such Anniversary Date and (ii) all representations and warranties are true and correct on such Anniversary Date, as though made as of such Anniversary Date (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date). No Lender shall be required to consent to any Extension Request and any Lender that elects, or is deemed to have elected, not to extend the scheduled Facility Termination Date (a "Declining Lender") will have its Commitment terminated on the then existing scheduled Facility Termination Date (without regard to any extension by other Lenders). The Borrower may, at its sole expense and effort, upon notice to any Declining Lender and the Administrative Agent, require any Declining Lender to assign and delegate its rights and obligations under this Agreement to an assignee selected by the Borrower and willing to accept such assignment (in accordance with, and subject to, the restrictions and consents otherwise required for assignments generally).

2.17. Letters of Credit.

(a) Issuance. The Borrower may request that one or more Issuers issue standby letters of credit (each a "Letter of Credit") up to the LC Sublimit. Each Issuer hereby agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit and to extend, increase, decrease or otherwise modify Letters of Credit ("Modify," and each such action a "Modification") from time to time from the date of this Agreement and prior to the Facility Termination Date upon the request of the Borrower for the Borrower as applicant thereof for the support of its or its Subsidiaries' obligations; provided that immediately after each Letter of Credit is issued or Modified, (x) the aggregate LC Exposure shall not exceed the LC Sublimit and (y) the Aggregate Outstanding Credit Exposure shall not exceed the Aggregate Commitment; and provided,

further, that each Issuer may, but shall not be obligated to, issue or Modify any Letter of Credit if, after giving effect thereto, the outstanding Letter of Credit Obligations under all Letters of Credit issued by such Issuer would exceed the LC Commitment of such Issuer. No Letter of Credit shall have an expiry date later than (i) one year following the date of issuance thereof, provided that any Letter of Credit with a one-year tenor may provide for the extension thereof for additional one-year periods, and (ii) five Business Days prior to the scheduled Facility Termination Date. Notwithstanding anything herein to the contrary, no Issuer shall have an obligation hereunder to issue, and no Issuer shall issue, any Letter of Credit the proceeds of which would be made available to any Person (i) to fund any activity or business (x) of or with any Sanctioned Person or (y) in any country or territory that is a Sanctioned Country or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement. Notwithstanding the foregoing, the letters of credit identified on Schedule 2.17 (the "Existing Letters of Credit") shall be deemed to be "Letters of Credit" issued on the Restatement Effective Date for all purposes of the Loan Documents. Notwithstanding anything to the contrary herein or in any other Loan Document, no Issuer shall be under any obligation to issue a Letter of Credit that would result in more than a total of 20 Letters of Credit outstanding.

(b) Participations. Upon the issuance or Modification by any Issuer of a Letter of Credit in accordance with this Section 2.17, such Issuer shall be deemed, without further action by any Person, to have unconditionally and irrevocably sold to each Lender, and each Lender shall be deemed, without further action by any Person, to have unconditionally and irrevocably purchased from such Issuer, a participation in such Letter of Credit (and each Modification thereof) and the related Letter of Credit Obligations in proportion to its pro rata share.

(c) Replacement and Resignation of an Issuer. (i) An Issuer may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuer and the successor Issuer. The Administrative Agent shall notify the Lenders of any such replacement of an Issuer. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuer pursuant to Section 2.17(e). From and after the effective date of any such replacement, (x) the successor Issuer shall have all the rights and obligations of Issuers under this Agreement with respect to Letters of Credit to be issued thereafter and (y) references herein to the term "Issuer" shall be deemed to refer to such successor or to any previous Issuers, or to such successor and all previous Issuers, as the context shall require. After the replacement of an Issuer hereunder, the replaced Issuer shall remain a party hereto and shall continue to have all the rights and obligations of an Issuer under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(ii) Subject to the appointment and acceptance of a successor Issuer, any Issuer may resign as an Issuer at any time upon thirty days' prior written notice to the Administrative Agent, the Borrower and the Lenders, in which case, such resigning Issuer shall be replaced in accordance with Section 2.17(c)(i) above.

(d) Notice. Subject to Section 2.17(a), the Borrower shall give the applicable Issuer and the Administrative Agent notice by hand delivery or fax (or transmission

through any Electronic System or an Approved Borrower Portal, in each case, if arrangements for doing so have been approved by the Issuer) prior to 11:00 a.m. (New York time) at least three Business Days (or such lesser period of time as such Issuer may agree in its sole discretion) prior to the proposed date of issuance or Modification of each Letter of Credit, specifying the beneficiary, the proposed date of issuance (or Modification) and the expiry date of such Letter of Credit, and, in the case of an issuance or a Modification (other than an extension, increase or decrease, for which such information shall not be required), describing the proposed terms of such Letter of Credit and the nature of the transactions proposed to be supported thereby. Upon receipt of such notice, the applicable Issuer shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender, of the contents thereof and of the amount of such Lender's participation in such proposed Letter of Credit. The issuance or Modification by an Issuer of any Letter of Credit shall, in addition to the conditions precedent set forth in Article IV (the satisfaction of which such Issuer shall have no duty to ascertain, it being understood, however, that such Issuer shall not issue any Letter of Credit if it has received written notice from the Borrower or the Administrative Agent that any such condition precedent has not been satisfied), be subject to the conditions precedent that such Letter of Credit shall be satisfactory to such Issuer and that the Borrower shall have executed and delivered such application agreement and/or such other instruments and agreements relating to such Letter of Credit as such Issuer shall have reasonably requested (each a "Letter of Credit Application"). In the event of any conflict between the terms of this Agreement and the terms of any Letter of Credit Application, the terms of this Agreement shall control.

(e) Letter of Credit Fees. The Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Term Benchmark Margin used to determine the interest rate applicable to Term Benchmark Loans on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Original Effective Date to but excluding the later of the date on which such Lender's Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the Issuer a fronting fee, which shall accrue at Letter of Credit Fee Rate on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Original Effective Date to but excluding the later of the date of termination of the Commitments and the date on which there ceases to be any LC Exposure, as well as the Issuer's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the fifteenth day following such last day, commencing on the first such date to occur after the Original Effective Date; provided that all such fees shall be payable on the date on which the Commitments terminate and any such fees accruing after the date on which the Commitments terminate shall be payable on demand. Any other fees payable to the Issuer pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the

basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(f) Administration; Reimbursement by Lenders. Upon receipt from the beneficiary of any Letter of Credit of any demand for payment under such Letter of Credit, the applicable Issuer shall notify the Administrative Agent and the Administrative Agent shall promptly notify the Borrower and each Lender of the amount to be paid by such Issuer as a result of such demand and the proposed payment date (the "Letter of Credit Payment Date"). The responsibility of any Issuer to the Borrower and each Lender shall be only to determine that the documents delivered under each Letter of Credit issued by such Issuer in connection with a demand for payment are in conformity in all material respects with such Letter of Credit. Each Issuer shall endeavor to exercise the same care in its issuance and administration of Letters of Credit as it does with respect to letters of credit in which no participations are granted, it being understood that each Lender shall be unconditionally and irrevocably obligated, without regard to the occurrence of any Default or any condition precedent whatsoever, to reimburse such Issuer on demand for (a) such Lender's pro rata share of the amount of each payment made by such Issuer under each Letter of Credit to the extent such amount is not reimbursed by the Borrower pursuant to Section 2.17(g) below, plus (b) interest on the foregoing amount, for each day from the date of the applicable payment by such Issuer to the date on which such Issuer is reimbursed by such Lender for its pro rata share thereof, at a rate per annum equal to the Federal Funds Effective Rate or, beginning on the third Business Day after demand for such amount by such Issuer, the rate applicable to Floating Rate Advances.

(g) Reimbursement by Borrower. The Borrower shall be irrevocably and unconditionally obligated to reimburse each Issuer through the Administrative Agent (not later than 12:00 noon (New York time) on the applicable Letter of Credit Payment Date if the Borrower shall have received notice of such payment under such Letter of Credit prior to 10:00 a.m. (New York time) on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 12:00 noon (New York time) on the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time on the day of receipt) for any amount to be paid by such Issuer upon any drawing under any Letter of Credit, without presentment, demand, protest or other formalities of any kind; *provided* that the Borrower shall not be precluded from asserting any claim for direct (but not indirect, consequential or punitive) damages suffered by the Borrower which the Borrower proves were caused by the willful misconduct or gross negligence of such Issuer (as determined by a court of competent jurisdiction by a final and non-appealable judgment) in determining whether a request presented under any Letter of Credit complied with the terms of such Letter of Credit. All such amounts paid by an Issuer and remaining unpaid by the Borrower shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 1.5% plus the rate applicable to Floating Rate Advances. The Administrative Agent will pay to each Lender ratably in accordance with its pro rata share all amounts received by it from the Borrower for application in payment, in whole or in part, of the Reimbursement Obligation in respect of any Letter of Credit, but only to the extent such Lender made payment to the applicable Issuer in respect of such Letter of Credit pursuant to Section 2.17(d).

(h) Obligations Absolute. The Borrower's obligations under this Section 2.17 shall be absolute, unconditional and irrevocable under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which the Borrower may have or have had against any Issuer, any Lender or any beneficiary of a Letter of Credit. The Borrower further agrees with the Issuers and the Lenders that neither any Issuer nor any Lender shall be responsible for, and the Borrower's Reimbursement Obligation in respect of any Letter of Credit shall not be affected by, among other things, (i) any lack of validity or enforceability of any Letter of Credit, any Letter of Credit Application or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the respective Issuer under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, (iv) any dispute between or among the Borrower, any of its Affiliates, the beneficiary of any Letter of Credit or any financing institution or other party to whom any Letter of Credit may be transferred or any claims or defenses whatsoever of the Borrower or of any of its Affiliates against the beneficiary of any Letter of Credit or any such transferee or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. No Issuer shall be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit. The Borrower agrees that any action taken or omitted by any Issuer or any Lender under or in connection with any Letter of Credit and the related drafts and documents, if done without gross negligence or willful misconduct (as determined by a court of competent jurisdiction by a final and non-appealable judgment), shall be binding upon the Borrower and shall not put any Issuer or any Lender under any liability to the Borrower. Nothing in this Section 2.17(h) is intended to limit the right of the Borrower to make a claim against any Issuer for damages as contemplated by the proviso to the first sentence of Section 2.17(g).

(i) Actions of Issuers. Each Issuer shall be entitled to rely, and shall be fully protected in relying, upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, facsimile, telex or teletype message, statement, order or other document believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuer. Each Issuer shall be fully justified in failing or refusing to take any action under this Agreement unless it shall first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Notwithstanding any other provision of this Section 2.17, each Issuer shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon the Lenders and any future holder of a participation in any Letter of Credit issued by such Issuer.

(j) Indemnification. The Borrower agrees to indemnify and hold harmless each Lender, each Issuer and the Administrative Agent, and their respective directors, officers, agents and employees, from and against any and all claims and damages, losses, liabilities, costs or expenses which such Person may incur (or which may be claimed against such Person by any other Person whatsoever) by reason of or in connection with the issuance, execution and delivery or transfer of or payment or failure to pay under any Letter of Credit or any actual or proposed use of any Letter of Credit, including any claims, damages, losses, liabilities, costs or expenses which any Issuer may incur by reason of or in connection with (a) the failure of any other Lender to fulfill or comply with its obligations to such Issuer hereunder (but nothing herein contained shall affect any right the Borrower may have against any Defaulting Lender) or (b) by reason of or on account of such Issuer issuing any Letter of Credit which specifies that the term "Beneficiary" therein includes any successor by operation of law of the named Beneficiary, but which Letter of Credit does not require that any drawing by any such successor Beneficiary be accompanied by a copy of a legal document, satisfactory to such Issuer, evidencing the appointment of such successor Beneficiary; *provided* that the Borrower shall not be required to indemnify any Person for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of any Issuer (as determined by a court of competent jurisdiction by a final and non-appealable judgment) in determining whether a request presented under any Letter of Credit issued by such Issuer complied with the terms of such Letter of Credit. Nothing in this Section 2.17(j) is intended to limit the obligations of the Borrower under any other provision of this Agreement.

(k) Lenders' Indemnification. Each Lender shall, ratably in accordance with its pro rata share, indemnify each Issuer and its Affiliates and their respective Related Parties (to the extent not reimbursed by the Borrower) against any cost, expense (including reasonable counsel fees and charges), claim, demand, action, loss or liability (except such as result from such indemnitees' gross negligence or willful misconduct (as determined by a court of competent jurisdiction by a final and non-appealable judgment)) that such indemnitees may suffer or incur in connection with this Section 2.17 or any action taken or omitted by such indemnitees hereunder.

(l) LC Collateral Account. The Borrower agrees that it will establish on the Facility Termination Date (or on such earlier date as may be required pursuant to Section 8.1), and thereafter maintain so long as any Letter of Credit Obligation remains outstanding or any other amount is payable to any Issuer or the Lenders in respect of any Letter of Credit, a special collateral account pursuant to arrangements satisfactory to the Administrative Agent (the "LC Collateral Account") at the Administrative Agent's office at the address specified pursuant to Article XIII, in the name of the Borrower but under the sole dominion and control of the Administrative Agent, for the benefit of the Lenders, and in which the Borrower shall have no interest other than as set forth in Section 8.1. The Borrower hereby pledges, assigns and grants to the Administrative Agent, on behalf of and for the ratable benefit of the Lenders and the Issuers, a security interest in all of the Borrower's right, title and interest in and to all funds which may from time to time be on deposit in the LC Collateral Account, to secure the prompt and complete payment and performance of the Obligations. The Administrative Agent will invest any funds on

deposit from time to time in the LC Collateral Account in certificates of deposit of the Administrative Agent having a maturity not exceeding 30 days. If funds are deposited in the LC Collateral Account pursuant to Section 2.1.4 and the provisions of Section 8.1 are not applicable, then the Administrative Agent shall release from the LC Collateral Account to the Borrower, upon the request of the Borrower, an amount equal to the excess (if any) of all funds in the LC Collateral Account over the Letter of Credit Obligations.

(m) Rights as a Lender. In its capacity as a Lender, each Issuer shall have the same rights and obligations as any other Lender.

(n) Letters of Credit Issued for Account of Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder supports any obligations of, or is for the account of, a Subsidiary, or states that a Subsidiary is the "account party," "applicant," "customer," "instructing party," or the like of or for such Letter of Credit, and without derogating from any rights of the applicable Issuer (whether arising by contract, at law, in equity or otherwise) against such Subsidiary in respect of such Letter of Credit, the Borrower (i) shall reimburse, indemnify and compensate the applicable Issuer hereunder for such Letter of Credit (including to reimburse any and all drawings thereunder) as if such Letter of Credit had been issued solely for the account of the Borrower and (ii) irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary in respect of such Letter of Credit. The Borrower hereby acknowledges that the issuance of such Letters of Credit for its Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

2.18. Increase in Aggregate Commitment.

(a) The Borrower may, from time to time (but not on more than four occasions during the term of this Agreement), by means of a letter delivered to the Administrative Agent substantially in the form of Exhibit F, request that the Aggregate Commitment be increased; provided that (i) the aggregate amount of all such increases during the term of this Agreement shall not exceed $0 and (ii) any such increase in the Aggregate Commitment shall be in an amount equal to $10,000,000 or a higher integral multiple of $1,000,000 (or, if less, the remaining amount of the increases permitted under this Section 2.18).

(b) Any increase in the Aggregate Commitment may be effected by (i) increasing the Commitment of one or more Lenders which have agreed to such increase and/or (ii) subject to clause (d) below, adding one or more commercial banks or other Persons as a party hereto (each an "Additional Lender") with a Commitment in an amount agreed to by any such Additional Lender.

(c) Any increase in the Aggregate Commitment pursuant to this Section 2.18 shall be effective three Business Days (or such other period agreed to by the Administrative Agent, the Borrower and, as applicable, each Lender that has agreed to increase its Commitment and each Additional Lender) after the date on which the

Administrative Agent has acknowledged receipt of the applicable increase letter in the form of Annex 1 (in the case of an increase in the Commitment of an existing Lender) or Annex 2 (in the case of the addition of an Additional Lender) to Exhibit F.

(d) No Additional Lender shall be added as a party hereto without the written consent of the Administrative Agent and each Issuer (which consents shall not be unreasonably withheld or delayed), and each increase in the Aggregate Commitment may only be effected if there is no Default or an Unmatured Default and the Borrower confirms the accuracy of all representations and warranties.

(e) The Administrative Agent shall promptly notify the Borrower and the Lenders of any increase in the Aggregate Commitment pursuant to this Section 2.18 and of the Commitment and pro rata share of the Aggregate Commitment of each Lender after giving effect thereto. The parties hereto agree that, notwithstanding any other provision of this Agreement, the Administrative Agent, the Borrower, each Additional Lender and each increasing Lender, as applicable, may make arrangements to stage the timing of any such increase, or to cause an Additional Lender or an increasing Lender to temporarily hold risk participations in the outstanding Advances of the other Lenders (rather than fund its pro rata share of all outstanding Advances concurrently with the applicable increase), in each case with a view toward minimizing breakage costs and transfers of funds in connection with any increase in the Aggregate Commitment. The Borrower acknowledges that if, as a result of a non-pro-rata increase in the Aggregate Commitment, any Term Benchmark Advance is prepaid or converted (in whole or in part) on a day other than the last day of an Interest Period therefor, then such prepayment or conversion shall be subject to the provisions of Section 3.2.

2.19. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the Commitment of such Defaulting Lender pursuant to Section 2.4 and fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.17(e);

(b) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8.1 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.1 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuer hereunder; *third*, to cash collateralize the Issuers' LC Exposure with respect to such Defaulting Lender in accordance with this Section; *fourth*, as the Borrower may request (so long as no Default or Unmatured Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in

a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) cash collateralize the Issuers' future LC Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with this Section; *sixth*, to the payment of any amounts owing to the Lenders, the Issuers as a result of any judgment of a court of competent jurisdiction obtained by any Lender or Issuer against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; *seventh*, so long as no Default or Unmatured Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Disbursements owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in the Borrower's obligations corresponding to such Defaulting Lender's LC Exposure are held by the Lenders pro rata in accordance with the Commitments without giving effect to clause (d) below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(c) the Commitment and Outstanding Credit Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 8.2); provided that this clause (c) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender affected thereby;

(d) if any LC Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the LC Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent that such reallocation does not, as to any non-Defaulting Lender, cause such non-Defaulting Lender's Outstanding Credit Exposure to exceed its Commitment;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within one Business Day following notice by the Administrative Agent cash collateralize for the benefit of the Issuers

only the Borrower's obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.1.4 for so long as such LC Exposure is outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.17(e) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.17(e) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of any Issuer or any other Lender hereunder, all facility fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such LC Exposure) and letter of credit fees payable under Section 2.17(e) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuers until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(e) so long as such Lender is a Defaulting Lender, no Issuer shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.19(d), and LC Exposure related to any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.19(d)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender parent shall occur following the date hereof and for so long as such event shall continue or (ii) any Issuer has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, no Issuer shall be required to issue, amend or increase any Letter of Credit, unless the Issuers shall have entered into arrangements with the Borrower or such Lender, satisfactory to such Issuer, to defease any risk to it in respect of such Lender hereunder.

In the event that each of the Administrative Agent, the Borrower and each Issuer agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such

of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

ARTICLE III

INCREASED COSTS; TAXES

3.1. Increased Costs.

(i) If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender or Issuer;

(b) impose on any Lender or Issuer or the applicable interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(c) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuer or such other Recipient of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, such Issuer or such other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender, such Issuer or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuer or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(ii) If any Lender or Issuer determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or the Issuer's capital or on the capital of such Lender's or Issuer's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuer, to a level below that which such Lender or Issuer or such Lender's or Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuer's policies and the policies of such Lender's or Issuer's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or Issuer or such Lender's or Issuer's holding company for any such reduction suffered.

(iii) A certificate of a Lender or Issuer setting forth the amount or amounts necessary to compensate such Lender or Issuer or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or Issuer, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(iv) Failure or delay on the part of any Lender or Issuer to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or Issuer's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or Issuer pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that such Lender or Issuer, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuer's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

3.2. Break Funding Payments.

(i) With respect to Loans that are not RFR Loans, in the event of (a) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period applicable thereto (including as a result of a Default), (b) the conversion of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.6 and is revoked in accordance therewith), or (d) the assignment of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 3.6, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event.

(ii) With respect to RFR Loans, in the event of (i) the payment of any principal of any RFR Loan other than on the Payment Date applicable thereto (including as a result of a Default or an optional or mandatory prepayment of Loans), (ii) the failure to borrow or prepay any RFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.6 and is revoked in accordance therewith), or (iii) the assignment of any RFR Loan other than on the Payment Date applicable thereto as a result of a request by the Borrower pursuant to Section 3.6, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event.

(iii) A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

3.3. Alternate Rate of Interest.

(i) Subject to clauses (ii), (iii), (iv), (v) and (vi) of this Section 3.3, if:

(a) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Advance that adequate and reasonable means do not exist for ascertaining the Term SOFR Rate (including, without limitation, because the Term SOFR Reference Rate is not available or published on a current basis) for such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Daily Simple SOFR for an RFR Loan; or

(b) the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Term Benchmark Advance that the Term SOFR Rate for the applicable Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or Loan) included in such Advance for such Interest Period, or (B) at any time, the applicable Daily Simple SOFR for an RFR Loan will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Advance;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders through any Electronic System as provided in Article XIII as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Conversion/Continuation Notice or a new Borrowing Notice, (A) any Conversion/Continuation Notice that requests the conversion of any Advance to, or continuation of any Advance as, a Term Benchmark Advance and any Borrowing Notice that requests a Term Benchmark Advance shall instead be deemed to be an Conversion/Continuation Notice or a Borrowing Notice, as applicable, for (1) an RFR Advance so long as the Daily Simple SOFR is not also the subject of Section 3.3(i)(a) or (b) above or (2) a Floating Rate Advance if the Daily Simple SOFR also is the subject of Section 3.3(i)(a) or (b) above, and (B) any outstanding RFR Advance shall be converted to a Floating Rate Advance at such time. Furthermore, if any Term Benchmark Loan or RFR Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 3.3(i) with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers any Conversion/Continuation Notice, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Advance so long as the Daily Simple SOFR is not also the subject of Section 3.3(i)(a) or (b) above or (y) a Floating Rate Loan if the Daily Simple SOFR also is the subject of Section 3.3(i)(a) or (b) above, on such day, and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute, a Floating Rate Loan.

(ii) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark (including any related adjustments) for all purposes

hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark (including any related adjustments) for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(iii) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iv) The Administrative Agent will promptly notify the Borrower and the Lenders of (a) any occurrence of a Benchmark Transition Event, (b) the implementation of any Benchmark Replacement, (c) the effectiveness of any Benchmark Replacement Conforming Changes, (d) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 3.3(iii) and (e) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.3, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.3.

(v) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (a) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (b) if a tenor that was removed pursuant to clause (a) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then

the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(vi) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to any Relevant Rate, (i) in the case of a Term Benchmark Advance, the Borrower may revoke any request for a Term Benchmark Advance of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for an Advance of or conversion to (A) solely with respect to any such request for a Term Benchmark Advance, an RFR Advance so long as the Daily Simple SOFR is not the subject of a Benchmark Transition Event or (B) a Floating Rate Advance if the Daily Simple SOFR is the subject of a Benchmark Transition Event, and (ii) in the case of any outstanding RFR Advance, such Advance shall on and from such day be converted by the Administrative Agent to, and shall constitute, a Floating Rate Loan. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate. Furthermore, if any Term Benchmark Loan or RFR Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 3.3, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Advance so long as the Daily Simple SOFR is not the subject of a Benchmark Transition Event or (y) a Floating Rate Loan if the Daily Simple SOFR is the subject of a Benchmark Transition Event, on such day and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute, a Floating Rate Loan.

3.4. [Reserved].

3.5. Withholding of Taxes; Gross-Up.

(i) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(ii) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(iii) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(iv) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(v) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (a) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (b) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.2.1 relating to the maintenance of a Participant Register and (c) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (v).

(vi) Status of Lenders.

(a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is

subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.5(vi)(b)(i), (b)(ii) and (b)(iii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(b) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(i) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), an executed copy of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(ii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

1. in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN-E or IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E or IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

2. in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W-8ECI;

3. in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a

"U.S. Tax Compliance Certificate") and (y) an executed copy of IRS Form W-8BEN-E or IRS Form W-8BEN; or

4. to the extent a Foreign Lender is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner;

(iii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(iv) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (iv), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(vii) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been

indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (vii) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (vii), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (vii) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(viii) Survival. Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(ix) Defined Terms. For purposes of this Section, the term "***Lender***" includes any Issuer and the term "***applicable law***" includes FATCA.

3.6. Mitigation Obligations; Replacement of Lenders.

(i) If any Lender requests compensation under Section 3.1, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.5, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Sections 3.1 or 3.5, as the case may be, in the future and (b) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(ii) If any Lender requests compensation under Section 3.1, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.5, or if any Lender becomes Defaulting Lender, or if any Lender does not consent to any proposed amendment, supplement, modification, consent or waiver of any provision of this Agreement or any other Loan Document that requires the consent of each of the Lenders or each of the Lenders affected

thereby (so long as the consent of the Required Lenders has been obtained), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 12.1), all its interests, rights (other than its existing rights to payments pursuant to Section 3.1 or 3.5) and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (a) the Borrower shall have received the prior written consent of the Administrative Agent (and if a Commitment is being assigned, the Issuers), which consent shall not unreasonably be withheld, (b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (c) in the case of any such assignment resulting from a claim for compensation under Section 3.1 or payments required to be made pursuant to Section 3.5, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that (x) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants), and (y) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to an be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender; provided that any such documents shall be without recourse to or warranty by the parties thereto.

ARTICLE IV

CONDITIONS PRECEDENT

4.1. Initial Credit Extension. The Lenders and the Issuers shall not be required to make the initial Credit Extension hereunder unless the Borrower has made payment to the Administrative Agent for the account of the Lenders in immediately available funds the upfront fees payable under the Fee Letter and the Borrower has furnished to the Administrative Agent with sufficient copies for the Lenders:

(i) Copies of the restated articles or certificate of incorporation of the Borrower, together with all amendments, and a certificate of good standing, each certified by the appropriate governmental officer in its jurisdiction of incorporation, as well as any other information required by Section 326 of the Patriot Act or necessary for the Administrative Agent or any Lender to verify the identity of Borrower as required by Section 326 of the Patriot Act.

(iv) A certificate, signed by the chief financial officer of the Borrower, stating that on the date of this Agreement (a) the representations and warranties contained in Article V are true and correct in all material respects, (b) no Default or Unmatured Default has occurred and is continuing, and (c) the Borrower and its Subsidiaries, taken as a whole, are Solvent.

(viii) Evidence satisfactory to the Administrative Agent of any required governmental approvals or consents regarding this Agreement.

(ix) All fees and other amounts due and payable on or prior to the Restatement Effective Date, including, to the extent invoiced, reimbursement or payment of all any reasonable costs, internal charges and out-of-pocket expenses required to be reimbursed or paid by the Borrower hereunder.

(x) Such other documents as any Lender or its counsel may have reasonably requested.

4.2. Each Credit Extension. The Lenders and the Issuers shall not be required to make any Credit Extension unless on the date of such Credit Extension:

(i) No Default or Unmatured Default exists or would result from such Credit Extension.

(ii) The representations and warranties contained in Article V (other than, in the case of each Credit Extension to be made after the date of this Agreement, Sections 5.5 and 5.7) are true and correct in all material respects as of the date of such Credit Extension except to the extent any such representation or warranty is stated to relate solely to an earlier date, in which case such representation or warranty shall have been true and correct on and as of such earlier date.

(iii) All legal matters incident to the making of such Credit Extension shall be satisfactory to the Lenders, the Issuers and their counsel (including evidence satisfactory to the Administrative Agent of any required governmental approvals or consents regarding such Credit Extension).

Each delivery of a Borrowing Notice and each request for the issuance of a Letter of Credit shall constitute a representation and warranty by the Borrower that the conditions contained in Sections 4.2(i) and (ii) have been satisfied. Any Lender may require delivery of a duly completed compliance certificate in substantially the form of Exhibit B as a condition to making a Credit Extension.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants to the Lenders that:

5.1. Existence and Standing. Each of the Borrower and each Principal Subsidiary is a corporation, partnership (in the case of Principal Subsidiaries only) or limited liability company duly and properly incorporated or organized, as the case may be, validly existing and (to the extent such concept applies to such entity) in good standing under the laws of its jurisdiction of incorporation or organization. Each of the Borrower and each Principal Subsidiary has all requisite authority to conduct its business in each jurisdiction in which its business is conducted other than where the failure to be so authorized would not reasonably be expected to have a Material Adverse Effect.

5.2. Authorization and Validity. The Borrower has the power and authority and legal right to execute and deliver the Loan Documents and to perform its obligations thereunder. The execution and delivery by the Borrower of the Loan Documents and the performance of its obligations thereunder have been duly authorized by proper corporate proceedings, and the Loan Documents constitute legal, valid and binding obligations of the Borrower enforceable against the Borrower in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally or by equitable principles.

5.3. No Conflict; Government Consent. Neither the execution and delivery by the Borrower of the Loan Documents, nor the consummation by the Borrower of the transactions therein contemplated, nor compliance by the Borrower with the provisions thereof will violate (i) any law, rule, regulation, order, writ, judgment, injunction, decree or award binding on the

Borrower or any of its Principal Subsidiaries or (ii) the Borrower's or any Principal Subsidiary's articles or certificate of incorporation, partnership agreement, certificate of partnership, articles or certificate of organization, by-laws, or operating or other management agreement, as the case may be, or (iii) the provisions of any indenture, instrument or agreement to which the Borrower or any of its Principal Subsidiaries is a party or is subject, or by which it, or its Property, is bound, or conflict with or constitute a default thereunder, or result in, or require, the creation or imposition of any Lien in, of or on the Property of the Borrower or a Principal Subsidiary pursuant to the terms of any such indenture, instrument or agreement. No order, consent, adjudication, approval, license, authorization, or validation of, or filing, recording or registration with, or exemption by, or other action in respect of any Governmental Authority, or any subdivision thereof, which has not been obtained by the Borrower or any of its Principal Subsidiaries, is required to be obtained by the Borrower or any of its Principal Subsidiaries in connection with the execution and delivery by the Borrower of the Loan Documents, the borrowings under this Agreement, the payment and performance by the Borrower of the Obligations or the legality, validity, binding effect or enforceability against the Borrower of any of the Loan Documents.

5.4. Financial Statements. The December 31, 2025 consolidated financial statements of the Borrower and its Subsidiaries heretofore delivered to the Lenders were prepared in accordance with generally accepted accounting principles in effect on the date such statements were prepared and fairly present in all material respects the consolidated financial condition and operations of the Borrower and its Subsidiaries at such date and the consolidated results of their operations for the period then ended.

5.5. Material Adverse Change. Since December 31, 2025, there has been no change in the business, Property, condition (financial or otherwise) or results of operations of the Borrower and its Subsidiaries, taken as a whole, which could reasonably be expected to have a Material Adverse Effect.

5.6. Taxes. MGE Energy, Inc., the parent corporation for the Borrower, has, or the Borrower and its Subsidiaries have, filed all United States federal tax returns and all other material tax returns which are required to be filed and have paid all taxes due pursuant to such returns or pursuant to any assessment received by the Borrower or any of its Subsidiaries, except such taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided in accordance with GAAP. The United States income tax returns of the Borrower and its Subsidiaries through the fiscal year ended December 31, 2025, are not subject to audit by the Internal Revenue Service. No tax liens have been filed and no claims are being asserted with respect to any such taxes, except such taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided in accordance with GAAP. The charges, accruals and reserves on the books of the Borrower and its Subsidiaries in respect of any taxes or other governmental charges are adequate.

5.7. Litigation and Contingent Obligations. There is no litigation, arbitration, governmental investigation, proceeding or inquiry pending or, to the knowledge of the chief executive officer, the chief financial officer, the chief accounting officer, the controller or the general counsel, overtly threatened against or affecting the Borrower or any of its Principal Subsidiaries which could reasonably be expected to have a Material Adverse Effect or which seeks to prevent, enjoin or delay the making of any Credit Extension. Other than any liability incident to any litigation, arbitration or proceeding which could not reasonably be expected to

have a Material Adverse Effect, the Borrower has no material contingent obligations not provided for or disclosed in the financial statements referred to in Section 5.4.

5.8. Subsidiaries. Schedule 5.8 contains an accurate list of all Subsidiaries of the Borrower as of the date of this Agreement, setting forth their respective jurisdictions of organization and the percentage of their respective capital stock or other ownership interests owned by the Borrower or other Subsidiaries. All of the issued and outstanding shares of capital stock or other ownership interests of such Subsidiaries have been (to the extent such concepts are relevant with respect to such ownership interests) duly authorized and issued and are fully paid and non-assessable.

5.9. ERISA.

(i) Each Pension Plan is in compliance in all material respects with the applicable provisions of ERISA, the Code and other Federal or state laws. Each Pension Plan that is intended to be a qualified plan under Section 401(a) of the Code has received a favorable determination letter from the Internal Revenue Service to the effect that the form of such Pension Plan is qualified under Section 401(a) of the Code and the trust related thereto has been determined by the Internal Revenue Service to be exempt from federal income tax under Section 501(a) of the Code, and to the knowledge of the Borrower, nothing has occurred that would prevent or cause the loss of such tax-qualified status.

(ii) There are no pending or, to the knowledge of the Borrower, threatened claims, actions or lawsuits, or actions by any Governmental Authority, with respect to any Pension Plan that could reasonably be expected to have a Material Adverse Effect. There has been no prohibited transaction or violation of the fiduciary responsibility rules with respect to any Pension Plan that has resulted or could reasonably be expected to result in a Material Adverse Effect.

(iii) No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Pension Plan (other than a Multiemployer Plan) (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $50,000,000 the fair market value of the assets of such Pension Plan, and the present value of all accumulated benefit obligations of all underfunded Pension Plans (other than a Multiemployer Plan) (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $50,000,000 the fair market value of the assets of all such underfunded Pension Plans.

5.10. Accuracy of Information.

(i) No information, exhibit or report furnished by the Borrower or any of its Subsidiaries to the Administrative Agent or to any Lender in connection with the negotiation of, or compliance with, the Loan Documents, taken as a whole, contained any material misstatement of fact or omitted to state a material fact or any fact necessary to make the statements contained therein not misleading in any material respect as of the time when made or delivered.

(ii) As of the Restatement Effective Date, to the knowledge of the Borrower, the information included in the Beneficial Ownership Certification provided on or prior to the Restatement Effective Date to any Lender in connection with this Agreement is true and correct in all material respects.

5.11. Margin Regulations. The Borrower is not engaged and will not engage, principally or as one of its important activities, in the business of purchasing or carrying Margin Stock, or extending credit for the purpose of purchasing or carrying Margin Stock, and no part of the proceeds of any Advance or Letter of Credit extension hereunder will be used to buy or carry any Margin Stock. Following the application of the proceeds of each Advance or drawing under each Letter of Credit, not more than 25% of the value of the assets (either of the Borrower only or of the Borrower and its Subsidiaries on a consolidated basis) will be Margin Stock. Neither the making of any Loan hereunder nor the use of proceeds thereof will violate the provisions of Regulation U or X of the Federal Reserve Board.

5.12. Compliance With Laws. The Borrower and its Principal Subsidiaries have complied with all applicable statutes, rules, regulations, orders and restrictions of any domestic or foreign government or any instrumentality or agency thereof having jurisdiction over the conduct of their respective businesses or the ownership of their respective Property except for any failure to comply with any of the foregoing which could not reasonably be expected to have a Material Adverse Effect.

5.13. Ownership of Properties. On the date of this Agreement, the Borrower and its Principal Subsidiaries have good title, free of all Liens other than those permitted by Section 6.13, to all of the Property and assets reflected in the Borrower's most recent consolidated financial statements provided to the Administrative Agent as owned by the Borrower and its Subsidiaries.

5.14. Plan Assets; Prohibited Transactions. None of the Borrower or any of its Subsidiaries is an entity deemed to hold "plan assets" (within the meaning of the Plan Asset Regulations), and neither the execution, delivery nor performance of the transactions contemplated under this Agreement, including the making of any Loan and the issuance of any Letter of Credit hereunder, will give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

5.15. Environmental Matters. In the ordinary course of its business, the officers of the Borrower consider the effect of Environmental Laws on the business of the Borrower and its Subsidiaries, in the course of which they identify and evaluate potential risks and liabilities accruing to the Borrower due to Environmental Laws. On the basis of this consideration as of the date hereof, the Borrower has concluded that Environmental Laws cannot reasonably be expected to have a Material Adverse Effect, except to the extent disclosed in the Borrower's Form 10-K and Form 10-Q reports filed with the SEC prior to the date hereof. Except to the extent disclosed in the Borrower's Form 10-K and Form 10-Q reports filed with the SEC prior to the date hereof, neither the Borrower nor any Principal Subsidiary has received any notice to the effect that its operations are not in material compliance with any of the requirements of applicable Environmental Laws or are the subject of any federal or state investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, which non-compliance or remedial action could reasonably be expected to have a Material Adverse Effect.

5.16. Investment Company Act. Neither the Borrower nor any Subsidiary is required to register as an "investment company" under the Investment Company Act of 1940.

5.17. Insurance. The Borrower and its Principal Subsidiaries maintain with financially sound and reputable insurance companies insurance on all their Property in such amounts and covering such risks as is consistent with sound business practice.

5.18. Regulatory Approval. No consent, authorization or approval of, and/or filing or registration with, any governmental body or regulatory authority which has not been obtained by the Borrower or any of its Principal Subsidiaries is required in connection with the execution, delivery or performance of the Loan Documents or for the consummation of the transactions herein contemplated, or for the validity or enforceability thereof.

5.19. Anti-Corruption Laws and Sanctions. The Borrower has implemented and maintains in effect policies and procedures designed to ensure compliance by the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and the Borrower, its Subsidiaries and their respective directors and officers and, to the knowledge of the Borrower, the Borrower's and the applicable Subsidiaries' respective employees and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects and are not engaged in any activity that could reasonably be expected to result in any Credit Party being designated as a Sanctioned Person. 6.1. Financial Reporting. The Borrower will maintain, for itself and each Subsidiary, a system of accounting established and administered in accordance with generally accepted accounting principles, and furnish to the Lenders:

(i) Within 90 days after the close of each of its fiscal years, an unqualified (except for qualifications relating to changes in accounting principles or practices reflecting changes in generally accepted accounting principles and required or approved by the Borrower's independent certified public accountants) audit report certified by independent certified public accountants reasonably acceptable to the Lenders, prepared in accordance with GAAP on a consolidated basis for itself and its Subsidiaries, including balance sheets as of the end of such

period, related profit and loss and reconciliation of surplus statements, and a statement of cash flows.

(ii) Within 45 days after the close of the first three quarterly periods of each of its fiscal years (including, for the avoidance of doubt, the fiscal quarter of the Borrower ended September 30, 2026), for itself and its Subsidiaries, consolidated unaudited balance sheets as at the close of each such period and consolidated profit and loss and reconciliation of surplus statements and a statement of cash flows for the period from the beginning of such fiscal year to the end of such quarter, all certified by its chief executive officer, chief financial officer or treasurer.

(iii) Notwithstanding the preceding provisions of this Section 6.1, if and so long as the Borrower shall file regular and periodic reports with the SEC pursuant to Sections 13 and 15 of the Securities Exchange Act of 1934, delivery to the Administrative Agent of copies of the Borrower's reports on Forms 10K and 10Q promptly following filing thereof with the SEC, but in any event not later than within the periods set forth in Sections 6.1(i) and (ii), shall constitute full compliance with those sections.

(iv) Together with the financial statements required under Sections 6.1(i) and (ii), a compliance certificate in substantially the form of Exhibit B signed by its chief executive officer, chief financial officer or treasurer showing the calculations necessary to determine compliance with this Agreement and stating that no Default or Unmatured Default exists, or if any Default or Unmatured Default exists, stating the nature and status thereof.

(v) As soon as possible and in any event within 10 days after the Borrower knows that any Reportable Event has occurred with respect to any Pension Plan, a statement, signed by the chief financial officer or treasurer of the Borrower, describing such Reportable Event and the action which the Borrower proposes to take with respect thereto.

(vi) As soon as possible and in any event within 10 days after receipt by the Borrower, a copy of (a) any notice or claim to the effect that the Borrower or any of its Principal Subsidiaries is or may be liable to any Person as a result of the release by the Borrower, any of its Principal Subsidiaries, or any other Person of any toxic or hazardous waste or substance into the environment, and (b) any notice alleging any violation of any federal, state or local environmental, health or safety law or regulation by the Borrower or any of its Principal Subsidiaries, which, in either case, could reasonably be expected to have a Material Adverse Effect. The Borrower may satisfy any such notice requirement by delivering to the Administrative Agent a copy of the Borrower's report on Form 8-K describing such event, promptly following filing thereof with the SEC.

(vii) Promptly upon the filing thereof, copies of all registration statements and annual, quarterly, monthly or other regular reports which the Borrower or any of its Principal Subsidiaries files with the SEC.

(viii) (a) Such other information (including non-financial information) as the Administrative Agent or any Lender may from time to time reasonably request and (b) information and documentation reasonably requested by the Administrative Agent or any Lender for purposes of compliance with applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act and the Beneficial Ownership Regulation.

6.2. Litigation. The Borrower shall promptly give to each Lender notice of all legal or arbitral proceedings, and of all proceedings before any Governmental Authority, to which the Borrower or its Principal Subsidiaries is a party, except proceedings that would not reasonably be expected to have a Material Adverse Effect. The Borrower may satisfy any such notice requirement by delivering to the Administrative Agent a copy of the Borrower's report on Form 8-K describing such event, promptly following filing thereof with the SEC.

6.3. Use of Proceeds. The Borrower will, and will cause each Subsidiary to, use the proceeds of the Advances and the Letters of Credit for general corporate purposes (in compliance with all applicable legal and regulatory requirements). No part of the proceeds of any Loan will be used, whether directly or indirectly, for any purpose that entails a violation of any of Regulations T, U and X. The Borrower will not request any Advance or Letter of Credit, and the Borrower shall not use, and shall procure that its Subsidiaries and its or their respective directors, officers, employees and agents shall not use, the proceeds of any Advance or Letter of Credit (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (B) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, except to the extent permitted for a Person required to comply with Sanctions, or (C) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

6.4. Notices of Material Events. The Borrower will, and will cause each Principal Subsidiary to, give prompt notice in writing to the Lenders of:

(i) The occurrence of any Default or Unmatured Default of which the Borrower becomes aware and of any other development, financial or otherwise, of which the Borrower becomes aware which could reasonably be expected to have a Material Adverse Effect. The Borrower may satisfy any such notice requirement by delivering to the Administrative Agent a copy of the Borrower's report on Form 8-K describing such event, promptly following filing thereof with the SEC.

(ii) Any change in the information provided in the Beneficial Ownership Certification delivered to any Lender that would result in a change to the list of beneficial owners identified in such certification.

(iii) The occurrence of any ERISA Event that, alone or together with any other ERISA Events that have occurred, could reasonably be expected to result in a Material Adverse Effect.

6.5. Conduct of Business. The Borrower will, and will cause each Principal Subsidiary to, (a) carry on and conduct its business in substantially the same manner and in substantially the same fields of enterprise as it is presently conducted, including reasonable extensions of such business, (b) do all things necessary to remain duly incorporated or organized, validly existing and (to the extent such concept applies to such entity) in good standing as a domestic corporation, partnership or limited liability company in its jurisdiction of incorporation or organization, as the case may be, and (c) maintain all requisite authority to conduct its business in each jurisdiction in which its business is conducted and the failure so to maintain such

authority would reasonably be expected to have a Material Adverse Effect, *provided* that this Section shall not be deemed to prohibit any transaction permitted under Section 6.11 or 6.12.

6.6. Taxes. The Borrower will, and will cause each Principal Subsidiary to, timely file complete and correct United States federal and applicable foreign, state and local tax returns required by law and pay when due Taxes imposed upon it or upon its property, except those which are being contested in good faith by appropriate proceedings and with respect to which adequate reserves have been set aside in accordance with generally accepted accounting principles or where nonpayment could not reasonably be expected to have a Material Adverse Effect.

6.7. Insurance. The Borrower will, and will cause each Principal Subsidiary to, maintain with financially sound and reputable insurance companies insurance on all their Property in such amounts and covering such risks as is consistent with sound business practice, and the Borrower will furnish to any Lender upon request full information as to the insurance carried.

6.8. Compliance with Laws. The Borrower will, and will cause each Principal Subsidiary to, comply with all laws, rules, regulations, orders, writs, judgments, injunctions, decrees or awards to which it may be subject, including all Environmental Laws, except where noncompliance would not have a Material Adverse Effect. Without limiting the foregoing, the Borrower will maintain in effect and enforce policies and procedures designed to ensure compliance by the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions.

6.9. Maintenance of Properties. The Borrower will, and will cause each Principal Subsidiary to, do all things necessary to maintain, preserve, protect and keep its Property (except such Property the failure of which to maintain or preserve would not have individually or in the aggregate, a Material Adverse Effect) in good repair, working order and condition, ordinary wear and tear excepted, and make all necessary and proper repairs, renewals and replacements so that its business carried on in connection therewith may be properly conducted at all times; provided the foregoing shall not prevent the Borrower or its Principal Subsidiaries from abandoning or disposing of any property that is no longer used or useful in its business or obsolete.

6.10. Inspection. Subject to Section 9.10, the Borrower will, and will cause each Principal Subsidiary to, permit the Administrative Agent and the Lenders, by their respective representatives and agents, to inspect any of the Property, books and financial records of the Borrower and each Principal Subsidiary, to examine and make copies of the books of accounts and other financial records of the Borrower and each Principal Subsidiary, and to discuss the affairs, finances and accounts of the Borrower and each Principal Subsidiary with, and to be advised as to the same by, their respective officers at such reasonable times and intervals as the Administrative Agent or any Lender may designate.

6.11. Merger. The Borrower will not, nor will it permit any Principal Subsidiary to, merge or consolidate with or into any other Person, or permit any other Person to merge into or consolidate with it, consummate a Division as the Dividing Person or otherwise Dispose of all or substantially all of its assets, or all or substantially all of the stock of its Subsidiaries in each case, whether now owned or hereafter acquired, or liquidate or dissolve, except that (i) a Subsidiary may merge into the Borrower or a Wholly-Owned Subsidiary and (ii) the Borrower or any Principal Subsidiary may merge with or into or consolidate with any other Person;

provided that, in each case, immediately before and after giving effect thereto, no Default or Unmatured Default shall have occurred and be continuing and (A) in the case of any such merger or consolidation to which the Borrower is a party, either (x) the Borrower shall be the surviving entity or (y) the surviving entity shall be an Eligible Successor and shall have assumed all of the obligations of the Borrower under this Agreement and the Letters of Credit pursuant to a written instrument in form and substance satisfactory to the Administrative Agent and the Administrative Agent shall have received an opinion of counsel in form and substance satisfactory to it as to the enforceability of such obligations assumed and (B) subject to clause (A) above, in the case of any such merger or consolidation to which any Principal Subsidiary is a party, a Principal Subsidiary shall be the surviving entity.

6.12. Sale of Assets. The Borrower will not, nor will it permit any Principal Subsidiary to, make any Disposition, except:

(i) Dispositions of inventory in the ordinary course of business.

(ii) Dispositions of assets which have become obsolete or no longer used or useful in the business of the Borrower or any such Principal Subsidiary.

(iii) Dispositions of equipment or real property to the extent that (A) such disposition is in the ordinary course of business or (B) such property is exchanged for credit against the purchase price of similar replacement property or the proceeds of such disposition are reasonably promptly applied to the purchase price of such replacement property.

(iv) Dispositions of Property by a Subsidiary to the Borrower or another Subsidiary.

(v) Dispositions of Property that, together with all other Property of the Borrower and its Principal Subsidiaries previously leased, sold or disposed of (other than dispositions permitted by the foregoing provisions of this Section 6.12) as permitted by this Section during the twelve-month period ending with the month in which any such lease, sale or other disposition occurs, do not constitute a Substantial Portion of the Property of the Borrower and its Subsidiaries.

6.13. Liens. The Borrower will not, nor will it permit any Principal Subsidiary to, create, incur, or suffer to exist any Lien in, of or on the Property of the Borrower or any of its Principal Subsidiaries, except:

(i) Liens for taxes, assessments or governmental charges or levies on its Property if the same shall not at the time be delinquent or thereafter can be paid without penalty, or are being contested in good faith and by appropriate proceedings.

(ii) Liens imposed by law, such as carriers', warehousemen's and mechanics' liens and other similar liens arising in the ordinary course of business which secure payment of obligations not more than 60 days past due or which are being contested in good faith and by appropriate proceedings diligently conducted.

(iii) Liens arising out of pledges or deposits under worker's compensation laws, unemployment insurance, old age pensions, or other social security or retirement benefits, or similar legislation.

(iv) Liens incidental to the normal conduct of the business of the Borrower or any Subsidiary or the ownership of its property or the conduct of the ordinary course of its business, including (A) zoning restrictions, easements, rights of way, reservations, restrictions on the use of real property and other minor irregularities of title, (B) rights of lessees under leases, (C) rights of collecting banks having rights of setoff, revocation, refund or chargeback with respect to money or instruments of the Borrower or any Subsidiary on deposit with or in the possession of such banks, (D) Liens or deposits to secure the performance of statutory obligations, tenders, bids, leases, progress payments, performance or return-of-money bonds, performance or other similar bonds or other obligations of a similar nature incurred in the ordinary course of business, and (E) Liens required by any contract or statute in order to permit the Borrower or a Subsidiary of the Borrower to perform any contract or subcontract made by it with or pursuant to the requirements of a Governmental Authority, in each case which are not incurred in connection with the borrowing of money, the obtaining of advances or credit or the payment of the deferred purchase price of Property and which do not in the aggregate impair the use of property in the operation of the business of the Borrower and its Subsidiaries taken as a whole.

(v) Liens on property existing at the time of acquisition thereof or Liens affecting property of a Person existing at the time it becomes a Subsidiary of the Borrower or at the time it is merged into or consolidated with the Borrower or a Subsidiary of the Borrower; *provided* that, in either case, such Liens were not granted in contemplation of such acquisition or in contemplation of the transaction pursuant to which such Person became a Subsidiary; and provided further that in either case, such Liens do not extend to or cover any property of the Borrower or of any of its Subsidiaries other than the property that secured the acquired Indebtedness prior to the time such Indebtedness became Indebtedness of the Borrower or a Subsidiary.

(vi) Liens on property securing Indebtedness incurred prior to, at the time of, or within 12 months after the acquisition thereof for the purpose of financing all or part of the purchase price thereof, provided that such Liens do not extend to or cover any other property of the Borrower or any Subsidiary and the Indebtedness secured thereby was incurred to pay, and does not exceed, the purchase price thereof.

(ix) any Lien incurred or deposits to secure the performance of surety bonds incurred in the ordinary course of business consistent with past practice, provided that such Liens shall cover only the Borrower's or the applicable Subsidiary's interests in and relating to the contract underlying the transaction for which such surety bonds were issued.

(x) Liens on cash or cash equivalents created or existing to secure stay or appeal bonds or otherwise resulting from any litigation or legal proceeding which is being contested in good faith by appropriate action promptly initiated and diligently conducted, including the Lien of any judgment; *provided* that the aggregate amount secured by all such Liens does not exceed $50,000,000.

(xi) Liens securing any extension, renewal, replacement or refinancing of Indebtedness secured by any Lien referred to in the foregoing clauses (v), (vi), (vii), (viii), and (xii); *provided* that

(A) such new Lien shall be limited to all or part of the same property that secured the original Lien (plus improvements on such property) and

(B) the amount secured by such Lien at such time is not increased to any amount greater than the amount outstanding at the time of such renewal, replacement or refinancing.

(xii) agreements for and obligations relating to the joint or common use of property owned by the Borrower or any Principal Subsidiary in common or jointly with one or more other parties.

6.15. Financial Covenant. The Borrower will not permit the ratio of (i) its Consolidated Indebtedness to (ii) its Consolidated Total Capitalization to exceed 0.65 to 1.00 at any time.

ARTICLE VIII

ACCELERATION, WAIVERS, AMENDMENTS AND REMEDIES

8.1. Acceleration; Letter of Credit Account. If any Default described in Section 7.7, 7.8 or 7.9 occurs with respect to the Borrower, the obligations of the Lenders to make Loans hereunder and the obligation and power of the Issuers to issue Letters of Credit shall automatically terminate and the Obligations shall immediately become due and payable without any election or action on the part of the Administrative Agent, any Lender or any Issuer and the Borrower will be and become thereby unconditionally obligated, without any further notice, act or demand, to pay to the Administrative Agent an amount in immediately available funds, which funds shall be held in the LC Collateral Account, equal to the excess of the amount of Letter of Credit Obligations at such time over the amount on deposit in the LC Collateral Account at such time that is free and clear of all rights and claims of third parties and has not been applied against the Obligations (such excess, the "Collateral Shortfall Amount"). If any other Default occurs, the Required Lenders (or the Administrative Agent with the consent of the Required Lenders) may (x) terminate or suspend the obligations of the Lenders to make Loans hereunder and the obligation and power of the Issuers to issue Letters of Credit, or declare the Obligations to be due and payable, or both, whereupon the Obligations shall become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which the Borrower hereby expressly waives, and (y) upon notice to the Borrower and in addition to the continuing right to demand payment of all amounts payable under this Agreement, make demand on the Borrower to pay, and the Borrower will, forthwith upon such demand and without any further notice or act, pay to the Administrative Agent in immediately available funds the Collateral Shortfall Amount, which funds shall be deposited in the LC Collateral Account.

If, within 30 days after acceleration of the maturity of the Obligations or termination of the obligations of the Lenders to make Loans hereunder as a result of any Default (other than any Default as described in Section 7.7, 7.8 or 7.9 with respect to the Borrower) and before any judgment or decree for the payment of the Obligations due shall have been obtained or entered, the Required Lenders (in their sole discretion) shall so direct, the Administrative Agent shall, by notice to the Borrower, rescind and annul such acceleration and/or termination.

8.2. Amendments. Subject to the provisions of this Article VIII and Section 3.3, the Required Lenders (or the Administrative Agent with the consent in writing of the Required Lenders) and the Borrower may enter into agreements supplemental hereto for the purpose of adding or modifying any provisions to the Loan Documents or changing in any manner the rights of the Lenders or the Borrower hereunder or waiving any Default hereunder; *provided* that no such supplemental agreement shall:

(i) without the consent of each Lender affected thereby:

(a) extend the Facility Termination Date or the final maturity of any Loan, forgive all or any portion of the principal amount of any Loan or reduce the rate or extend the time of payment of any interest or fees hereunder;

(b) extend the expiry date of any Letter of Credit to a date after the Facility Termination Date; or

(c) increase the amount of the Commitment of any Lender; or

(d) amend Section 11.2; or

(ii) without the consent of all Lenders:

(a) reduce the percentage specified in the definition of Required Lenders;

(b) permit the Borrower to assign its rights under this Agreement;

(c) amend this Section 8.2; or

(d) release any funds from the LC Collateral Account, except to the extent such release is expressly permitted hereunder.

No amendment of any provision of this Agreement relating to the Administrative Agent shall be effective without the written consent of the Administrative Agent, and no amendment of any provision of this Agreement relating to any Issuer shall be effective without the written consent of such Issuer. The Administrative Agent may waive payment of the fee required under Section 12.3.2 without obtaining the consent of any other party to this Agreement. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except for matters described in subsection (i) or clauses (c) and (d) of subsection (ii) of this Section 8.2.

8.3. Preservation of Rights. No delay or omission of the Lenders, the Issuers or the Administrative Agent to exercise any right under the Loan Documents shall impair such right or be construed to be a waiver of any Default or an acquiescence therein, and the making of a Credit Extension notwithstanding the existence of a Default or the inability of the Borrower to satisfy the conditions precedent to such Credit Extension shall not constitute any waiver or acquiescence. Any single or partial exercise of any such right shall not preclude other or further exercise thereof or the exercise of any other right, and no waiver, amendment or other variation of the terms, conditions or provisions of the Loan Documents whatsoever shall be valid unless in writing signed by the Lenders required pursuant to Section 8.2, and then only to the extent in such writing specifically set forth. All remedies contained in the Loan Documents or by law afforded shall be cumulative and all shall be available to the Administrative Agent, the Lenders and the Issuers until the Obligations have been paid in full.

ARTICLE IX

GENERAL PROVISIONS

9.1. Survival of Representations. All representations and warranties of the Borrower contained in this Agreement shall survive during the period that the Credit Extensions are outstanding.

9.2. Governmental Regulation. Anything contained in this Agreement to the contrary notwithstanding, no Lender shall be obligated to extend credit to the Borrower in violation of any limitation or prohibition provided by any applicable statute or regulation.

9.3. Entire Agreement. The Loan Documents embody the entire agreement and understanding among the Borrower, the Administrative Agent, the Lenders and the Issuers and supersede all prior agreements and understandings among the Borrower, the Administrative Agent, the Lenders and the Issuers relating to the subject matter thereof other than the Fee Letter.

9.4. Several Obligations; Benefits of this Agreement. The respective obligations of the Lenders hereunder are several and not joint and no Lender shall be the partner or agent of any other (except to the extent to which the Administrative Agent is authorized to act as such). The failure of any Lender to perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of an Issuer that issues any Letter of Credit), Participants and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuers and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement, *provided* that the parties hereto expressly agree that the Arranger shall enjoy the benefits of the provisions of Sections 9.5, 9.9 and 10.6 to the extent specifically set forth therein and shall have the right to enforce such provisions on its own behalf and in its own name to the same extent as if it were a party to this Agreement.

9.5. Expenses; Indemnification. (i) The Borrower shall reimburse the Administrative Agent and the Arranger for any reasonable costs, internal charges and out-of-pocket expenses (including reasonable attorneys' fees and charges of attorneys for the Administrative Agent, which attorneys may be employees of the Administrative Agent) paid or incurred by the Administrative Agent or the Arranger in connection with the preparation, negotiation, execution, delivery, syndication, distribution (including via the internet), review, amendment, modification, and administration of the Loan Documents. The Borrower also agrees to reimburse the Administrative Agent, the Arranger, each Lender and each Issuer for any costs, internal charges and out-of-pocket expenses (including attorneys' fees and time charges of attorneys for the Administrative Agent, the Arranger, such Lender and such Issuer, which attorneys may be employees of the Administrative Agent, the Arranger, such Lender or such Issuer) paid or incurred by the Administrative Agent, the Arranger, any Lender or any Issuer in connection with the collection and enforcement of the Loan Documents. Expenses being reimbursed by the Borrower under this Section include costs and expenses incurred in connection with the Reports described in the following sentence. The Borrower acknowledges that from time to time JPMCB may prepare and may distribute to the Lenders (but shall have no obligation or duty to prepare or to distribute to the Lenders) certain audit reports (the "Reports") pertaining to the Borrower's assets for internal use by JPMCB from information furnished to it by or on behalf of the Borrower, after JPMCB has exercised its rights of inspection pursuant to this Agreement.

(ii) The Borrower hereby further agrees to indemnify the Administrative Agent, the Arranger, each Lender, each Issuer, their respective affiliates, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against all losses, claims, damages, penalties, judgments, liabilities and expenses (including all expenses of litigation or

preparation therefor whether or not the Administrative Agent, the Arranger, any Lender, any Issuer or any affiliate is a party thereto) which any of them may pay or incur arising out of or relating to this Agreement, the other Loan Documents, the transactions contemplated hereby or the direct or indirect application or proposed application of the proceeds of any Loan hereunder except to the extent that they are determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the party seeking indemnification. In the case of any investigation, litigation or proceeding to which the indemnity in this Section applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by a third party, by the Borrower or by an affiliate of the Borrower. The obligations of the Borrower under this Section 9.5 shall survive the payment of the Obligations and the termination of this Agreement.

(iii) Each Lender severally agrees to pay any amount required to be paid by the Borrower under paragraph (i) or (ii) of this Section 9.5 to the Administrative Agent, each Issuer and each Related Party of any of the foregoing Persons (each, an "Agent Indemnitee") (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Applicable Percentage in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Applicable Percentage immediately prior to such date), from and against any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Agent Indemnitee in its capacity as such; provided further that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee's gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(iv) To the extent permitted by applicable law (a) the Borrower shall not assert, and the Borrower hereby waives, any claim against any Indemnitee for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), and (b) no party hereto shall assert, and each such party hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this clause (iv)(b) shall relieve the Borrower of any

obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(v) All amounts due under this Section shall be payable promptly after written demand therefor.

9.6. Numbers of Documents. All statements, notices, closing documents, and requests hereunder shall be furnished to the Administrative Agent with sufficient counterparts so that the Administrative Agent may furnish one to each of the Lenders.

9.7. Accounting. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that, (i) any calculation or determination which is to be made on a consolidated basis shall exclude any assets, liabilities, revenues and expenses that are included in Borrower's financial statements from "variable interest entities" as a result of the application of FIN No. 46, Consolidation of Variable Interest Entities – an Interpretation of ARB No. 51, as updated through FIN No. 46-R and as modified by FIN No. 94 and (ii) if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to (a) any election under Financial Accounting Standards Board Accounting Standards Codification 825 (or any other Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of the Borrower or any Subsidiary at "fair value", as defined therein and (b) any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof.

9.8. Severability of Provisions. Any provision in any Loan Document that is held to be inoperative, unenforceable, or invalid in any jurisdiction shall, as to that jurisdiction, be inoperative, unenforceable, or invalid without affecting the remaining provisions in that jurisdiction or the operation, enforceability, or validity of that provision in any other jurisdiction, and to this end the provisions of all Loan Documents are declared to be severable.

9.9. Nonliability of Lenders. The relationship between the Borrower on the one hand and the Lenders, the Issuers and the Administrative Agent on the other hand shall be solely that of borrower and lender. None of the Administrative Agent, the Arranger, any Lender or any Issuer shall have any fiduciary responsibilities to the Borrower. None of the Administrative Agent, the Arranger, any Lender or any Issuer undertakes any responsibility to the Borrower to review or inform the Borrower of any matter in connection with any phase of the Borrower's business or

operations. The Borrower agrees that none of the Administrative Agent, the Arranger, any Lender or any Issuer shall have liability to the Borrower (whether sounding in tort, contract or otherwise) for losses suffered by the Borrower in connection with, arising out of, or in any way related to, the transactions contemplated and the relationship established by the Loan Documents, or any act, omission or event occurring in connection therewith, unless it is determined in a final non-appealable judgment by a court of competent jurisdiction that such losses resulted from the gross negligence or willful misconduct of the party from which recovery is sought. None of the Administrative Agent, the Arranger, any Lender or any Issuer shall have any liability with respect to, and the Borrower hereby waives, releases and agrees not to sue for, any special, indirect or consequential damages suffered by the Borrower in connection with, arising out of, or in any way related to the Loan Documents or the transactions contemplated thereby.

9.10. Confidentiality. Each Lender agrees to maintain the confidentiality of Information (as defined below) which it may receive from the Borrower pursuant to this Agreement or in connection with any inspection conducted pursuant to Section 6.10, except for disclosure (i) to its Affiliates, to other Lenders and their respective Affiliates and the directors, officers, employees, agents, trustees, advisors and representatives of any of the foregoing (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to legal counsel, accountants, and other professional advisors to such Lender or to a Transferee, (iii) to regulatory officials, (iv) to any Person as requested pursuant to or as required by law, regulation, or legal process, (v) to any Person in connection with any legal proceeding to which such Lender is a party, (vi) to such Lender's direct or indirect contractual counterparties in swap agreements or to legal counsel, accountants and other professional advisors to such counterparties, (vii) permitted by Section 12.4, (viii) with the consent of Borrower, and (ix) to the extent such Information (a) becomes publicly available other than as a result of a breach of this Section or (b) becomes available to any Lender on a nonconfidential basis from a source other than Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent, JPMCB or any Lender on a non-confidential basis prior to disclosure by the Borrower and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry; provided that, in the case of information received from the Borrower after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information but no less than a reasonable degree of care.

For the avoidance of doubt, nothing in this Section 9.10 shall prohibit any Person from voluntarily disclosing or providing any Information within the scope of this confidentiality provision to any governmental, regulatory or self-regulatory organization (any such entity, a "Regulatory Authority") to the extent that any such prohibition on disclosure set forth in this Section 9.10 shall be prohibited by the laws or regulations applicable to such Regulatory Authority.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THIS SECTION 9.10 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER, THE OTHER CREDIT PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE CREDIT PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

9.11. Nonreliance. Each Lender hereby represents that it is not relying on or looking to any margin stock (as defined in Regulation U of the FRB) for the repayment of the Loans provided for herein.

9.12. Disclosure. The Borrower and each Lender hereby acknowledge and agree that JPMCB and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with the Borrower and its Affiliates.

9.13. No Fiduciary Duty, etc.

(i) The Borrower and each Lender hereby acknowledge and agree that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with the Borrower and its Affiliates. The Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that no Credit Party will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an arm's length contractual counterparty to the Borrower with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, the Borrower or any other Person. The Borrower agrees that it will not assert any claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby. Additionally, the Borrower acknowledges and agrees that no Credit Party is advising the Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. The Borrower shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated herein or in the

other Loan Documents, and the Credit Parties shall have no responsibility or liability to the Borrower with respect thereto.

(ii) The Borrower further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party, together with its Affiliates, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, the Borrower and other companies with which the Borrower may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(iii) In addition, the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrower may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from the Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrower in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. The Borrower also acknowledges that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower, confidential information obtained from other companies.

9.14. USA Patriot Act. Each Lender that is subject to the requirements of the USA PATRIOT Act of 2001 (the "Patriot Act") hereby notifies the Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Patriot Act.

9.15. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(i) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(ii) the effects of any Bail-In Action on any such liability, including, if applicable:

(a) a reduction in full or in part or cancellation of any such liability;

(b) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(c) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

9.16. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any agreement or instrument that is a QFC (such support "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

9.17. Additional Covenants and Defaults. If at any time the U.S. Bank Facility is amended or otherwise modified so that, as so amended or modified, it has any material covenant or default provision not substantially provided for in this Agreement or that is more favorable to the lender or lenders thereunder than those provided for in this Agreement, then (a) the terms of this Agreement shall, without any further action on the part of the Borrower or any Lender, be deemed to be amended automatically to include the applicable covenant or default provision contained in the U.S. Bank Facility; and (b) upon request of the Administrative Agent, the Borrower shall promptly enter into an amendment to this Agreement, in form and substance satisfactory to the Borrower and the Administrative Agent, incorporating such covenant or default into this Agreement (it being understood that the execution and delivery of such

amendment shall not be a condition to the effectiveness of the automatic amendment described in clause (a) above, but shall merely be for the convenience of the parties hereto).

Any covenant or default provision incorporated into this Agreement pursuant to this Section 9.17 (herein referred to as an "Incorporated Covenant") (i) shall be deemed automatically amended herein to reflect any subsequent amendments made to such covenant or default provision in the U.S. Bank Facility; provided that if any Unmatured Default or Default then exists (including in respect of such Incorporated Covenant) and the amendment of such covenant or default provision would result in such covenant or provision being less restrictive on the Borrower, such Incorporated Covenant shall only be deemed automatically amended at such time as no Unmatured Default or Default then exists and (ii) shall be deemed automatically deleted from this Agreement at such time as such covenant or default provision is deleted or otherwise removed from the U.S. Bank Facility or the U.S. Bank Facility shall have been terminated, all commitments thereunder cancelled and all liabilities existing thereunder paid in full (other than unasserted contingent liabilities and obligations); provided that, if an Unmatured Default or Default then exists (including in respect of such Incorporated Covenant), such Incorporated Covenant shall only be deemed automatically deleted from this Agreement at such time as no Unmatured Default or Default then exists.

ARTICLE X

THE ADMINISTRATIVE AGENT

10.1. Authorization and Action.

(i) Each Lender and each Issuer hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors and assigns to serve as the administrative agent under the Loan Documents and each Lender and each Issuer authorizes the Administrative Agent to take such actions as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Administrative Agent under such agreements and to exercise such powers as are reasonably incidental thereto. Without limiting the foregoing, each Lender and each Issuer hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(ii) As to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, pursuant to the terms in the Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender and each Issuer; provided, however, that the Administrative Agent shall not be required to take any action that (a) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Lenders and the Issuers with respect to such action or (b) is contrary to this Agreement or any other Loan Document or

applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(iii) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuers (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. The motivations of the Syndication Agents, the Arranger and the Administrative Agent are commercial in nature and not to invest in the general performance or operations of the Borrower. Without limiting the generality of the foregoing:

(a) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender, Issuer or holder of any other obligation other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Unmatured Default has occurred and is continuing (and it is understood and agreed that the use of the term "agent" (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and/or the transactions contemplated hereby; and

(b) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender for any sum or the profit element of any sum received by the Administrative Agent for its own account;

(iv) The Administrative Agent may perform any of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of their respective duties and exercise their respective rights and powers

through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities pursuant to this Agreement. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

(v) None of any Syndication Agent or any Arranger shall have obligations or duties whatsoever in such capacity under this Agreement or any other Loan Document and shall incur no liability hereunder or thereunder in such capacity, but all such persons shall have the benefit of the indemnities provided for hereunder.

(vi) In case of the pendency of any proceeding with respect to the Borrower under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any Reimbursement Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit Disbursements and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuers and the Administrative Agent (including any claim under Sections 2.4, 2.12, 3.1, 3.5 and 9.5) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender and each Issuer to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuers, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.5). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuer or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuer in any such proceeding.

(vii) The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Issuers, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrower or any Subsidiary, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions.

10.2. Administrative Agent's Reliance, Indemnification, Etc.

(i) Neither the Administrative Agent nor any of its Related Parties shall be (a) liable for any action taken or omitted to be taken by such party, the Administrative Agent or any of its Related Parties under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or (y) in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and non-appealable judgment) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of the Borrower to perform its obligations hereunder or thereunder.

(ii) The Administrative Agent shall be deemed not to have knowledge of any (x) notice of any of the events or circumstances set forth or described in Section 6.4 unless and until written notice thereof stating that it is a "notice under Section 6.4" in respect of this Agreement and identifying the specific clause under said Section is given to the Administrative Agent by the Borrower, or (y) notice of any Default unless and until written notice thereof (stating that it is a "notice of default") is given to the Administrative Agent by the Borrower, a Lender or an Issuer, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (a) any statement, warranty or representation made in or in connection with any Loan Document, (b) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (c) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (d) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (e) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any Liability, cost or expense suffered by the Borrower, any Subsidiary, any Lender or the Issuer as a result of, any determination of any Outstanding Credit Exposure, any of the component amounts thereof or any portion thereof attributable to each Lender or the Issuer.

(iii) Without limiting the foregoing, the Administrative Agent (a) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 12.1, (b) may rely on the Register to the extent set forth in Section 12.2.1, (c) may consult with legal counsel (including counsel to the Borrower), independent public accountants

and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (d) makes no warranty or representation to any Lender or Issuer and shall not be responsible to any Lender or Issuer for any statements, warranties or representations made by or on behalf of the Borrower in connection with this Agreement or any other Loan Document, (e) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuer, may presume that such condition is satisfactory to such Lender or Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuer sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (f) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

10.3. Posting of Communications.

(i) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make any Communications available to the Lenders and the Issuers by posting the Communications on IntraLinks™, DebtDomain, SyndTrak, ClearPar or any other electronic system chosen by the Administrative Agent to be its electronic transmission system (the "Approved Electronic Platform").

(ii) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Restatement Effective Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuers and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Approved Electronic Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuers and the Borrower hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(iii) THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS ARE PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE APPROVED ELECTRONIC PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR

A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE APPROVED ELECTRONIC PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, "APPLICABLE PARTIES") HAVE ANY LIABILITY TO THE BORROWER, ANY LENDER, ANY ISSUER OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THROUGH AN ELECTRONIC SYSTEM OR THE APPROVED ELECTRONIC PLATFORM.

"Communications" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of the Borrower pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender or any Issuer by means of electronic communications pursuant to this Section, including through an Approved Electronic Platform.

(iv) Each Lender and each Issuer agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender and Issuer agrees (a) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender's or Issuer's (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (b) that the foregoing notice may be sent to such email address.

(v) Each of the Lenders, each of the Issuers and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(vi) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuer to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

10.4. The Administrative Agent Individually. With respect to its Commitment, Loans, LC Sublimit and Letters of Credit, the Person serving as the Administrative Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein for any other Lender or Issuer, as the case may be. The terms "Issuers", "Lenders", "Required Lenders" and any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Lender, Issuer or as one of the Required Lenders, as applicable. The Person serving as the Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of banking, trust or other business with, the Borrower, any Subsidiary or any Affiliate of

any of the foregoing as if such Person was not acting as the Administrative Agent and without any duty to account therefor to the Lenders or the Issuers.

10.5. Successor Administrative Agent.

(i) The Administrative Agent may resign at any time by giving 30 days' prior written notice thereof to the Lenders, the Issuers and the Borrower, whether or not a successor Administrative Agent has been appointed. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuers, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York or an Affiliate of any such bank. In either case, such appointment shall be subject to the prior written approval of the Borrower (which approval may not be unreasonably withheld, conditioned or delayed and shall not be required while a Default has occurred and is continuing). Upon the acceptance of any appointment as Administrative Agent by a successor Administrative Agent, such successor Administrative Agent shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Administrative Agent. Upon the acceptance of appointment as Administrative Agent by a successor Administrative Agent, the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. Prior to any retiring Administrative Agent's resignation hereunder as Administrative Agent, the retiring Administrative Agent shall take such action as may be reasonably necessary to assign to the successor Administrative Agent its rights as Administrative Agent under the Loan Documents.

(ii) Notwithstanding paragraph (i) of this Section, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuers and the Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (x) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (y) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall directly be given or made to each Lender and each Issuer. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article and Section 9.5, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

10.6. Acknowledgement of Lenders and Issuers.

(i) Each Lender represents that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and that it has, independently and without reliance upon the Administrative Agent, any Arranger, any Syndication Agent, or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger, any Syndication Agent, or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(ii) Each Lender, by delivering its signature page to this Agreement on the Restatement Effective Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Restatement Effective Date.

(iii) (a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 10.6(iii) shall be conclusive, absent manifest error.

(b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not pre-ceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees

that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Borrower and each other Credit Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Credit Party.

(d) Each party's obligations under this Section 10.6(iii) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

(iv) The Lenders acknowledge that there may be a constant flow of information (including information which may be subject to confidentiality obligations in favor of the Credit Parties) between the Credit Parties and their Affiliates, on the one hand, and JPMorgan Chase Bank, N.A. and its Affiliates, on the other hand. Without limiting the foregoing, the Credit Parties or their Affiliates may provide information, including updates to previously provided information to JPMorgan Chase Bank, N.A. and/or its Affiliates acting in different capacities, including as Lender, lead bank, arranger or potential securities investor, independent of such entity's role as administrative agent hereunder. The Lenders acknowledge that neither JPMorgan Chase Bank, N.A. nor its Affiliates shall be under any obligation to provide any of the foregoing information to them. Notwithstanding anything to the contrary set forth herein or in any other Loan Document, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent herein, the Administrative Agent shall not have any duty or responsibility to provide, and shall not be liable for the failure to provide, any Lender with any credit or other information concerning the Loans, the Lenders, the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Credit Parties or any of their respective Affiliates that is communicated to, obtained by, or in the possession of, the Administrative Agent or any of its Affiliates in any capacity, including any information obtained by the Administrative Agent in the course of communications among the Administrative Agent and any Credit Party, any Affiliate thereof or any other Person. Notwithstanding the foregoing, any such information may (but shall not be required to) be shared by the Administrative Agent with one or more Lenders, or any formal or informal committee or ad hoc group of such Lenders, including at the direction of a Credit Party.

10.7. Certain ERISA Matters.

(i) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower, that at least one of the following is and will be true:

(a) such Lender is not using "plan assets" (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(b) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(c) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(d) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(ii) In addition, unless sub-clause (a) in the immediately preceding clause (i) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (d) in the immediately preceding clause (i), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower, that none of the Administrative Agent, or any Arranger, any Syndication Agent, or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(iii) The Administrative Agent, each Arranger and each Syndication Agent hereby informs the Lenders that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (a) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Loan Documents (b) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (c) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

10.8. Flood Laws. JPMCB has adopted internal policies and procedures that address requirements placed on federally regulated lenders under the Flood Laws. JPMCB, as administrative agent on a syndicated facility, will post on the applicable electronic platform (or otherwise distribute to each Lender in the syndicate) documents that it receives in connection with the Flood Laws. However, JPMCB reminds each Lender and Participant in the facility that, pursuant to the Flood Laws, each federally regulated Lender (whether acting as a Lender or Participant in the facility) is responsible for assuring its own compliance with the flood insurance requirements.

10.9. Borrower Communications.

(i) The Administrative Agent, the Lenders and the Issuers agree that the Borrower may, but shall not be obligated to, make any Borrower Communications to the Administrative Agent through an electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Approved Borrower Portal").

(ii) Although the Approved Borrower Portal and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Restatement Effective Date, a user ID/password authorization system), each of the Lenders, each of the Issuers and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of the Borrower that are added to the Approved Borrower Portal, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuers and the Borrower hereby approves distribution of Borrower Communications through the Approved Borrower Portal and understands and assumes the risks of such distribution.

(iii) THE APPROVED BORROWER PORTAL IS PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER COMMUNICATION, OR THE ADEQUACY OF THE APPROVED BORROWER PORTAL AND EXPRESSLY DISCLAIM LIABILITY FOR

ERRORS OR OMISSIONS IN THE APPROVED BORROWER PORTAL AND THE BORROWER COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE BORROWER COMMUNICATIONS OR THE APPROVED BORROWER PORTAL. IN NO EVENT SHALL ANY APPLICABLE PARTY HAVE ANY LIABILITY TO ANY CREDIT PARTY, ANY LENDER, ANY ISSUER OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER'S TRANSMISSION OF BORROWER COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED BORROWER PORTAL.

(iv) Each of the Lenders, each of the Issuers and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Borrower Communications on the Approved Borrower Portal in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(v) Nothing herein shall prejudice the right of the Borrower to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

ARTICLE XI

SETOFF; RATABLE PAYMENTS

11.1. Setoff. In addition to, and without limitation of, any rights of the Lenders under applicable law, if the Borrower becomes insolvent, however evidenced, or any Default occurs, any and all deposits (including all account balances, whether provisional or final and whether or not collected or available) and any other Indebtedness at any time held or owing by any Lender or any Affiliate of any Lender to or for the credit or account of the Borrower may be offset and applied toward the payment of the Obligations owing to such Lender, whether or not the Obligations, or any part thereof, shall then be due.

11.2. Ratable Payments. If any Lender, whether by setoff or otherwise, has payment made to it upon its Outstanding Credit Exposure (other than payments received pursuant to Section 3.1, 3.2 or 3.5 and payments made to any Issuer in respect of Reimbursement Obligations so long as the Lenders have not funded their participations therein) in a greater proportion than that received by any other Lender, such Lender agrees, promptly upon demand, to purchase a portion of the Aggregate Outstanding Credit Exposure held by the other Lenders so that after such purchase each Lender will hold its ratable proportion of the Aggregate Outstanding Credit Exposure. If any Lender, whether in connection with setoff or amounts which might be subject to setoff or otherwise, receives collateral or other protection for its Obligations or such amounts which may be subject to setoff, such Lender agrees, promptly upon demand, to take such action necessary such that all Lenders share in the benefits of such

collateral ratably in proportion to their Loans. In case any such payment is disturbed by legal process, or otherwise, appropriate further adjustments shall be made.

ARTICLE XII

BENEFIT OF AGREEMENT; ASSIGNMENTS; PARTICIPATIONS

12.1. Successors and Assigns. The terms and provisions of the Loan Documents shall be binding upon and inure to the benefit of the Borrower and the Lenders and their respective successors and assigns, except that (i) the Borrower shall not have the right to assign its rights or obligations under the Loan Documents and (ii) any assignment by any Lender must be made in compliance with Section 12.3. The parties to this Agreement acknowledge that clause (ii) of this Section 12.1 relates only to absolute assignments and does not prohibit assignments creating security interests, including (x) any pledge or assignment by any Lender of all or any portion of its rights under this Agreement and any Note to a Federal Reserve Bank or (y) in the case of a Lender which is a Fund, any pledge or assignment of all or any portion of its rights under this Agreement and any Note to its trustee in support of its obligation to its trustees; *provided* that no such pledge or assignment creating a security interest shall release the transferor Lender from its obligations hereunder unless and until the parties thereto have complied with the provisions of Section 12.3. The Administrative Agent may treat the Person which made any Loan or which holds any Note as the owner thereof for all purposes hereof unless and until such Person complies with Section 12.3; *provided* that the Administrative Agent may in its discretion (but shall not be required to) follow instructions from the Person which made any Loan or which holds any Note to direct payments relating to such Loan or Note to another Person. Any assignee of the rights to any Loan or any Note agrees by acceptance of such assignment to be bound by all the terms and provisions of the Loan Documents. Any request, authority or consent of any Person, who at the time of making such request or giving such authority or consent is the owner of the rights to any Loan (whether or not a Note has been issued in evidence thereof), shall be conclusive and binding on any subsequent holder, transferee or assignee of the rights to such Loan.

12.2. Participations.

12.2.1. Permitted Participants; Effect. Any Lender may, without the consent of, or notice to, the Borrower, the Administrative Agent or the Issuers, sell participations to one or more banks or other entities (a "Participant"), other than an Ineligible Institution, in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrower, the Administrative Agent, the Issuers and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first

proviso to Section 8.2 that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.1, 3.2 and 3.5 (subject to the requirements and limitations therein, including the requirements under Sections 3.5(vi) (it being understood that the documentation required under Sections 3.5(vi) shall be delivered to the participating Lender and the information) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.3; provided that such Participant (A) agrees to be subject to the provisions of Section 3.6 as if it were an assignee under Section 12.3; and (B) shall not be entitled to receive any greater payment under Section 3.1 or 3.5, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.5(ii) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.1 as though it were a Lender; provided that such Participant agrees to be subject to Section 11.2 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

12.2.2. Voting Rights. Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, modification or waiver of any provision of the Loan Documents other than any amendment, modification or waiver with respect to any Credit Extension or Commitment in which such Participant has an interest which would require consent of all of the Lenders pursuant to the terms of Section 8.2 or of any other Loan Document.

12.2.3. Benefit of Setoff. The Borrower agrees that each Participant shall be deemed to have the right of setoff provided in Section 11.1 in respect of its participating interest in amounts owing under the Loan Documents to the same extent as if the amount of its participating interest were owing directly to it as a Lender under the Loan Documents, *provided* that each Lender shall retain the right of setoff provided in Section 11.1 with respect to the amount of participating interests sold to each Participant. The Lenders agree to share with each Participant, and each Participant, by exercising the right of setoff provided in Section 11.1, agrees to share with each Lender, any amount received pursuant to the exercise of its right of setoff, such amounts to be shared in accordance with Section 11.2 as if each Participant were a Lender.

12.3. Assignments.

12.3.1. Permitted Assignments. Any Lender may at any time assign to one or more banks or other entities ("Purchasers"), other than an Ineligible Institution, all or any part of its rights and obligations under the Loan Documents. Such assignment shall be substantially in the form of Exhibit C or in such other form as may be agreed to by the parties thereto. The consent of the Borrower, each Issuer and the Administrative Agent shall be required prior to an assignment becoming effective with respect to a Purchaser which is not a Lender or an Affiliate thereof; *provided* that if a Default has occurred and is continuing, the consent of the Borrower shall not be required. Such consent shall not be unreasonably withheld or delayed. Each such assignment with respect to a Purchaser which is not a Lender or an Affiliate thereof shall (unless each of the Borrower and the Administrative Agent otherwise consents) be in an amount not less than the lesser of (i) $5,000,000 or (ii) the remaining amount of the assigning Lender's Commitment (calculated as at the date of such assignment) or outstanding Loans (if the applicable Commitment has been terminated). Each such Purchaser, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which such Purchaser designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the Credit Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

12.3.2. Effect; Effective Date. Upon (i) delivery to the Administrative Agent of an assignment, together with any consents required by Section 12.3.1, and (ii) payment of a $4,000 fee to the Administrative Agent for processing such assignment (unless such fee is waived by the Administrative Agent), such assignment shall become effective on the effective date specified in such assignment. The assignment shall contain a representation by the Purchaser to the effect that none of the consideration used to make the purchase of the Commitment and the Outstanding Credit Exposure under the applicable assignment agreement constitutes "plan assets" as defined under ERISA and that the rights and interests of the Purchaser in and under the Loan Documents will not be "plan assets" under ERISA. On and after the effective date of such assignment, such Purchaser shall for all purposes be a Lender party to this Agreement and any other Loan Document executed by or on behalf of the Lenders and shall have all the rights and obligations of a Lender under the Loan Documents, to the same extent as if it were an original party hereto, and no further consent or action by the Borrower, the Lenders or the Administrative Agent shall be required to release the transferor Lender with respect to the percentage of the Aggregate Commitment and the Aggregate Outstanding Credit Exposure assigned to such Purchaser. Upon the consummation of any assignment to a Purchaser pursuant to this Section 12.3.2, the transferor Lender, the Administrative Agent and the Borrower shall, if the Purchaser desires that its Loans be evidenced by a Note, make appropriate arrangements so that a Note is issued to such Purchaser.

12.3.3. Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall

be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

12.3.4. Resignation as Issuer. Notwithstanding anything to the contrary contained herein, if at any time any Lender assigns all of its Commitment and Loans pursuant to this Section 12.3, such Lender may, upon 30 days' notice to the Borrower and the Lenders, resign as an Issuer. If any Lender so assigns all of its Commitment and Loans, it shall (i) retain all the rights and obligations of an Issuer hereunder with respect to all Letters of Credit issued by it that are outstanding as of the effective date of such assignment (including the right to require the Lenders to fund risk participations in respect of such Letters of Credit) and (ii) have no right or obligation to issue Letters of Credit on or after the effective date of such assignment.

12.4. Dissemination of Information. The Borrower authorizes each Lender to disclose to any Participant or Purchaser or any other Person acquiring an interest in the Loan Documents by operation of law (each a "Transferee") and any prospective Transferee any and all information in such Lender's possession concerning the creditworthiness of the Borrower and its Subsidiaries, including any information contained in any Reports; *provided* that each Transferee and prospective Transferee agrees to be bound by Section 9.10 of this Agreement.

12.5. Tax Treatment. If any interest in any Loan Document is transferred to any Transferee which is organized under the laws of any jurisdiction other than the United States or any State thereof, the transferor Lender shall cause such Transferee, concurrently with the effectiveness of such transfer, to comply with the provisions of Section 3.5(iv).

12.6. Restriction on Transfer. Notwithstanding any other provision of this Agreement, no Lender may assign, sell a participation in or otherwise transfer any of its rights or obligations hereunder to the Borrower or any Affiliate thereof.

"Benchmark Replacement Adjustment" means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement pursuant to clause (2) of the definition of "Benchmark Replacement" for any applicable Interest Period and Available Tenor for any setting of such Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated syndicated credit facilities.

"Benchmark Replacement Conforming Changes" means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of "Advance" and "Term SOFR Advance," the definition of "Alternate Base Rate," the definition of "Business Day," the definition of "Interest Period," timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Administrative Agent decides may be appropriate to reflect the adoption and implementation of such Benchmark

Replacement and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Administrative Agent determines that no market practice for the administration of such Benchmark Replacement exists, in such other manner of administration as the Administrative Agent decides is reasonably necessary in connection with the administration of this Agreement and the other Loan Documents).

"Benchmark Replacement Date" means the earliest to occur of the following events with respect to the then-current Benchmark:

(1) in the case of clause (1) or (2) of the definition of "Benchmark Transition Event," the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); and

(2) in the case of clause (3) of the definition of "Benchmark Transition Event," the first date on which such Benchmark (or the published component used in the calculation thereof) has been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be no longer representative; provided, that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (3) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, the "Benchmark Replacement Date" will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Transition Event" means the occurrence of one or more of the following events with respect to the then-current Benchmark:

The Commitments shall expire on the Facility Termination Date.

2.2. Advances.

2.2.1. Advances. Each Advance hereunder shall consist of Loans made from the several Lenders ratably in proportion to the ratio that their respective Commitments bear to the Aggregate Commitment.

2.2.2. Types of Advances. The Advances may be Base Rate Advances or Term SOFR Advances, or a combination thereof, selected by the Borrower in accordance with Section 2.2.3.

2.2.3. Method of Selecting Types and Interest Periods for Advances. The Borrower shall select the Type of Advance and, in the case of each Term SOFR Advance, the Interest Period

applicable thereto, from time to time. The Borrower shall give the Administrative Agent irrevocable notice (a "Borrowing Notice") not later than 12:00 noon (x) on the Borrowing Date of each Base Rate Advance and (y) at least three Business Days before the Borrowing Date for each Term SOFR Advance. The Borrower may permanently reduce the Aggregate Commitment in whole, or in part ratably among the Lenders in an amount equal to $5,000,000 or an integral multiple of $1,000,000 in excess of $5,000,000 upon at least two Business Days' written notice to the Administrative Agent, which notice shall specify the amount of any such reduction, *provided,* that the amount of the Aggregate Commitment may not be reduced below the aggregate principal amount of the outstanding Advances. All accrued commitment fees shall be payable on the effective date of any termination of the obligations of the Lenders to make Loans hereunder.

2.5. Minimum Amount of Each Advance. Each Term SOFR Advance shall be in the amount of $1,000,000 (or a higher integral multiple of $500,000), and each Base Rate Advance shall be in the amount of (i) $1,000,000 (or a higher integral multiple of $500,000) or, if applicable, (ii) the amount of then outstanding commercial paper being repaid with the proceeds of such Base Rate Advance, *provided* that any Base Rate Advance may be in the amount of the unused Aggregate Commitment. The Borrower shall not request a Term SOFR Advance if, after giving effect to the requested Term SOFR Advance, more than ten separate Term SOFR Advances would be outstanding.

2.7. Changes in Interest Rate, Etc. Each Base Rate Advance shall bear interest on the outstanding principal amount thereof, for each day from the date such Advance is made or is converted from a Term SOFR Advance into a Base Rate Advance pursuant to Section 2.2.4 to the date it becomes due or is converted into a Term SOFR Advance pursuant to Section 2.2.4, at a rate per annum equal to the Base Rate. Changes in the rate of interest on that portion of any Advance maintained as a Base Rate Advance will take effect simultaneously with each change in the Alternate Base Rate. Each Term SOFR Advance shall bear interest on the outstanding principal amount thereof from the first day of the Interest Period applicable thereto to the last day of such Interest Period at the Term SOFR Rate determined as applicable to such Term SOFR Advance based upon the Borrower's selections under Sections 2.2.3 and 2.2.4 and the Pricing Schedule. No Interest Period may end after the Facility Termination Date.

2.8. Rates Applicable After Default. Notwithstanding anything to the contrary contained in Section 2.2.3 or Section 2.2.4, during the continuance of a Default or Unmatured Default, the Required Lenders may, at their option, by notice to the Borrower (which notice may be revoked at the option of the Required Lenders notwithstanding any provision of Section 8.2 requiring unanimous consent of the Lenders to changes in interest rates), declare that no Advance may be made as, converted into or continued as a Term SOFR Advance. During the continuance of a Default, the Required Lenders may, at their option, by notice to the Borrower (which notice may be revoked at the option of the Required Lenders notwithstanding any provision of Section 8.2 requiring unanimous consent of the Lenders to changes in interest rates), declare that (i) each Term SOFR Advance shall bear interest for the remainder of the applicable Interest Period at the rate otherwise applicable to such Interest Period plus 1.5% per annum or (ii) each Base Rate Advance shall bear interest at a rate per annum equal to the Base Rate in effect from time to time plus 1.5% per annum, *provided* that, during the continuance of a Default under Section 7.7 or 7.8, the interest rates set forth in clauses (i) and (ii) above shall be applicable to all Advances without any election or action on the part of the Administrative Agent or any Lender.

Each payment delivered to the Administrative Agent for the account of any Lender shall be delivered promptly by the Administrative Agent to such Lender in the same type of funds that the Administrative Agent received at its address specified pursuant to Article XIII or at any Lending Installation specified in a notice received by the Administrative Agent from such Lender. The Administrative Agent is hereby authorized to automatically charge the account of the Borrower maintained with U.S. Bank (account number: [Omitted]) for each payment of principal, interest and fees as it becomes due hereunder.

2.10. Noteless Agreement; Evidence of Indebtedness. (i) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(ii) The Administrative Agent shall also maintain accounts in which it will record (a) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (b) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and, (c) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(iii) The entries maintained in the accounts maintained pursuant to paragraphs (i) and (ii) above shall be *prima facie* evidence of the existence and amounts of the Obligations therein recorded; *provided,* that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(iv) Any Lender may request that its Loans be evidenced by Notes. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 12.3) be represented by a Note payable to the order of the payee named therein or any assignee pursuant to Section 12.3, except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in paragraphs (i) and (ii) above.

2.11. Telephonic Notices. The Borrower hereby authorizes the Lenders and the Administrative Agent to extend, convert or continue Advances, effect selections of Types of Advances, and to transfer funds based on telephonic notices made by any person or persons the Administrative Agent or any Lender in good faith believes to be acting on behalf of the Borrower, it being understood that the foregoing authorization is specifically intended to allow Borrowing Notices and Conversion/Continuation Notices to be given telephonically. The Borrower agrees to deliver promptly to the Administrative Agent a written confirmation, if such confirmation is requested by the Administrative Agent or any Lender, of each telephonic notice signed by an Authorized Officer. If the written confirmation differs in any material respect from the action taken by the Administrative Agent and the Lenders, the records of the Administrative Agent and the Lenders shall govern absent manifest error.

2.12. Interest Payment Dates; Interest and Fee Basis. Interest accrued on each Base Rate Advance shall be payable on each Payment Date, commencing with the first such date to occur after the date hereof, on any date on which the Base Rate Advance is prepaid, whether due to acceleration or otherwise, and at maturity. Interest accrued on that portion of the outstanding principal amount of any Base Rate Advance converted into a Term SOFR Advance on a day other than a Payment Date shall be payable on the date of conversion. Interest accrued on each Term SOFR Advance shall be payable on the last day of its applicable Interest Period, on any date on which such Term SOFR Advance is prepaid, whether by acceleration or otherwise, and at maturity. Interest accrued on each Term SOFR Advance having an Interest Period longer than three months shall also be payable on the last day of each three-month interval during such Interest Period. Interest and commitment fees shall be calculated for actual days elapsed on the basis of a 360-day year, except that interest calculated based on the Prime Rate shall be calculated for actual days elapsed on the basis of a 365, or when appropriate 366, day year. Interest shall be payable for the day an Advance is made but not for the day of any payment on the amount paid if payment is received prior to noon (local time) at the place of payment. If any payment of principal of or interest on an Advance shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and, in the case of a principal payment, such extension of time shall be included in computing interest in connection with such payment.

2.13. Notification of Advances, Interest Rates, Prepayments and Commitment Reductions. Promptly after receipt thereof, the Administrative Agent will notify each Lender of the contents of each Aggregate Commitment reduction notice, Borrowing Notice, Conversion/Continuation Notice, and repayment notice received by it hereunder. 2.14. Lending Installations. Each Lender may book its Loans at any Lending Installation selected by such Lender and may change its Lending Installation from time to time. All terms of this Agreement shall apply to any such Lending Installation and any Loan issued hereunder shall be deemed held by each Lender for the benefit of any such Lending Installation. Each Lender may, by written notice to the Administrative Agent and the Borrower in accordance with Article XIII, designate replacement or additional Lending Installations through which Loans will be made by it and for whose account Loan payments are to be made.

2.15. Non-Receipt of Funds by the Administrative Agent. Unless the Borrower or a Lender, as the case may be, notifies the Administrative Agent prior to the date on which it is scheduled to make payment to the Administrative Agent of (i) in the case of a Lender, the proceeds of a Loan or (ii) in the case of the Borrower, a payment of principal, interest or fees to the Administrative Agent for the account of the Lenders, that it does not intend to make such payment, the Administrative Agent may assume that such payment has been made. The Administrative Agent may, but shall not be obligated to, make the amount of such payment available to the intended recipient in reliance upon such assumption. If such Lender or the Borrower, as the case may be, has not in fact made such payment to the Administrative Agent, the recipient of such payment shall, on demand by the Administrative Agent, repay to the Administrative Agent the amount so made available together with interest thereon in respect of each day during the period commencing on the date such amount was so made available by the Administrative Agent until the date the Administrative Agent recovers such amount at a rate per annum equal to (x) in the case of payment by a Lender, the Federal Funds Effective Rate for such day for the first three days and, thereafter, the interest rate applicable to the relevant Loan or (y) in the case of payment by the Borrower, the interest rate applicable to the relevant Loan.

(c) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting or maintaining any Loan (or of maintaining its

obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender or such other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(ii) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(iii) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(iv) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that such Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

3.2. Break Funding Payments. In the event of (a) the payment of any principal of any Term SOFR Advance other than on the last day of an Interest Period applicable thereto (including as a result of a Default), (b) the conversion of any Term SOFR Advance other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term SOFR Advance on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.6 and is revoked in accordance therewith), or (d) the assignment of any Term SOFR Advance other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 3.6, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

3.3. Availability of Types of Advances; Adequacy of Interest Rate; Benchmark Replacement.

(i) Availability of Term SOFR Advances. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, but subject to Section 3.3(ii), if, on or prior to the first day of any Interest Period for any Term SOFR Advance, the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Required Lenders notify the Administrative Agent that the Required Lenders have determined, that the interest rate applicable to Term SOFR Advances for any requested Interest Period is not ascertainable or available (including, without limitation, because the applicable Screen (or on any successor or substitute page on such screen) is unavailable) and such inability to ascertain or unavailability is not expected to be permanent, then, until the Administrative Agent revokes such notice, the Administrative Agent shall suspend the availability of Term SOFR Advances and require any affected Term SOFR Advances to be repaid or converted to Base Rate Advances at the end of the applicable Interest Period.

(ii) Benchmark Replacement.

(a) Benchmark Transition Event. Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth Business Day after the date notice of such Benchmark Replacement is provided by the Administrative Agent to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on the last day of each month.

(b) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (A) the implementation of any Benchmark Replacement, and (B) the effectiveness of any Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.3(ii), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.3(ii).

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Screen Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove any tenor of such Benchmark that is unavailable or non-representative for any Benchmark settings and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon notice to the Borrower by the Administrative Agent in accordance with Section 10.1 of the commencement of a Benchmark Unavailability Period and until a Benchmark Replacement is determined in accordance with this Section 3.3(ii), the Borrower may revoke any request for a Term SOFR Advance, or any request for the conversion or continuation of a Term SOFR Advance to be made, converted or continued during any Benchmark Unavailability Period at the end of the applicable Interest Period, and, failing that, the Borrower will be deemed to have converted any such request at the end of the applicable Interest Period into a request for a Base Rate Advance or conversion to a Base Rate Advance. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

3.4. Withholding of Taxes; Gross-Up.

(i) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(ii) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(iii) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(iv) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(v) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (a) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (b) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.2.1 relating to the maintenance of a Participant Register and (c) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan

Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (v).

(vi) Status of Lenders.

(a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.4(vi)(b)(i), (b)(ii) and (b)(iii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(b) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(i) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), an executed copy of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(ii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

1. in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN-E or IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E or IRS Form W-8BEN establishing an exemption from, or reduction

of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

2. in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W-8ECI;

3. in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) an executed copy of IRS Form W-8BEN-E or IRS Form W-8BEN; or

4. to the extent a Foreign Lender is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 on behalf of each such direct and indirect partner;

(iii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(iv) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and

the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (iv), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(vii) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (vii) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (vii), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (vii) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(viii) Survival. Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(ix) Defined Terms. For purposes of this Section, the term "***applicable law***" includes FATCA.

3.5. Illegality. If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain, or fund Loans whose interest is determined by reference to the Term SOFR Rate, or to determine or charge interest rates based upon the Term SOFR Rate, then, upon notice thereof by such Lender to the Borrower (through the Administrative Agent), (a) any obligation of such Lender to make or continue Term SOFR Advances or to convert Base Rate Advances to Term SOFR Advances shall be suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Advances the interest rate on which is determined by reference to the Term SOFR Rate component of the Alternate Base Rate, the

interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR Rate component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert each Term SOFR Loan of such Lender to a Base Rate Loan (the interest rate on which Base Rate Loan shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR Rate component of the Alternate Base Rate), either on the last day of the Interest Period therefor, if such Lender can lawfully continue to maintain such Term SOFR Loan to such day, or immediately, if such Lender cannot lawfully continue to maintain such Term SOFR Loan, and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Term SOFR Rate, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Term SOFR Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Term SOFR Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 3.2.

3.6. Mitigation Obligations; Replacement of Lenders.

(i) If any Lender requests compensation under Section 3.1, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.4, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Sections 3.1 or 3.4, as the case may be, in the future and (b) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(ii) If any Lender requests compensation under Section 3.1, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.4, or if any Lender becomes Defaulting Lender, or if any Lender does not consent to any proposed amendment, supplement, modification, consent or waiver of any provision of this Agreement or any other Loan Document that requires the consent of each of the Lenders or each of the Lenders affected thereby (so long as the consent of the Required Lenders has been obtained), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 12.1), all its interests, rights (other than its existing rights to payments pursuant to Section 3.1 or 3.4) and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (a) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not

unreasonably be withheld, (b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (c) in the case of any such assignment resulting from a claim for compensation under Section 3.1 or payments required to be made pursuant to Section 3.4, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that (x) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants), and (y) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to an be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender; provided that any such documents shall be without recourse to or warranty by the parties thereto.

3.7. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively, the "Charges"), exceeds the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all charges payable in respect thereof, shall be limited to the Maximum Rate. To the extent lawful, the interest and charges that would have been paid in respect of such Loan but were not paid as a result of the operation of this Section 3.7 shall be cumulated and the interest and charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the amount collectible at the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate for each day to the date of repayment, has been received by such Lender.

3.8. Defaulting Lenders.

(i) Defaulting Lender Adjustments. Notwithstanding anything to the contrary in this Agreement, if any Lender becomes a Defaulting Lender, then, until such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(a) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders and Section 8.2.

(b) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting

Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.1 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, as the Borrower may request (so long as no Default or Unmatured Default exists), to the funding of any Advance in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata to satisfy such Defaulting Lender's potential future funding obligations with respect to Advances under this Agreement; fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Unmatured Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; sixth, if so determined by the Administrative Agent, distributed to the Lenders other than the Defaulting Lender until the ratio of the outstanding Loans of such Lenders to the aggregate outstanding Advances equals such ratio immediately prior to the Defaulting Lender's failure to fund any portion of any Advances; and seventh, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Advances in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Advances were made at a time when the conditions set forth in Section 4.2 were satisfied or waived, such payment shall be applied solely to pay the Advances of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Advances of such Defaulting Lender until such time as all Advances are held by the Lenders pro rata in accordance with the Commitments. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section 3.8(i)(b) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(c) Certain Fees. No Defaulting Lender shall be entitled to receive any commitment fee for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(ii) Defaulting Lender Cure. If the Borrower and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Advances of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Advances to be held pro rata by the Lenders in accordance with the Commitments, whereupon such Lender will cease to be a Defaulting Lender; provided that (i) no adjustments will be made retroactively with respect to fees accrued

or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and (ii) except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE IV

CONDITIONS PRECEDENT

4.1. Initial Advance. The Lenders shall not be required to make the initial Advance hereunder unless the Borrower has made payment to the Administrative Agent for the account of the Lenders in immediately available funds the upfront fees payable under Section 2.4 and the Borrower has furnished to the Administrative Agent with sufficient copies for the Lenders:

(i) Copies of the restated articles or certificate of incorporation of the Borrower, together with all amendments, and a certificate of good standing, each certified by the appropriate governmental officer in its jurisdiction of incorporation, as well as any other information required by Section 326 of the Patriot Act or necessary for the Administrative Agent or any Lender to verify the identity of Borrower as required by Section 326 of the Patriot Act.

(ii) Copies, certified by the Secretary or Assistant Secretary of the Borrower, of its by-laws and of its Board of Directors' resolutions and of resolutions or actions of any other body authorizing the execution of the Loan Documents to which the Borrower is a party.

(iii) An incumbency certificate, executed by the Secretary or Assistant Secretary of the Borrower, which shall identify by name and title and bear the signatures of the Authorized Officers and any other officers of the Borrower authorized to sign the Loan Documents to which the Borrower is a party, upon which certificate the Administrative Agent and the Lenders shall be entitled to rely until informed of any change in writing by the Borrower.

(iv) A certificate, signed by the chief financial officer of the Borrower, stating that on the date of this Agreement (a) the representations and warranties contained in Article V are true and correct in all material respects, (b) no Default or Unmatured Default has occurred and is continuing and (c) the Borrower and its Subsidiaries, taken as a whole, are Solvent.

(v) A written opinion of the Borrower's counsel, addressed to the Lenders form and substance satisfactory to the Administrative Agent.

(vi) Any Note requested by a Lender pursuant to Section 2.10 payable to the order of such requesting Lender.

(vii) (a) At least five days prior to the Restatement Effective Date, all documentation and other information regarding the Borrower requested in connection with applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act, to the extent requested in writing of the Borrower at least 10 days prior to the Restatement Effective Date and (b) to the extent the Borrower qualifies as a "legal entity customer" under the Beneficial Ownership Regulation, at least five days prior to the Restatement Effective Date, any Lender that has requested, in a written notice to the Borrower at least 10 days prior to the Restatement Effective Date, a Beneficial Ownership Certification in relation to the Borrower

shall have received such Beneficial Ownership Certification (provided that, upon the execution and delivery by such Lender of its signature page to this Agreement, the condition set forth in this clause (vii) shall be deemed to be satisfied).

(viii) Evidence satisfactory to the Administrative Agent of any required governmental approvals or consents regarding this Agreement.

(ix) All fees and other amounts due and payable on or prior to the Restatement Effective Date, including, to the extent invoiced, reimbursement or payment of any reasonable costs, internal charges and out of pocket expenses required to be reimbursed or paid by the Borrower hereunder.

(x) Such other documents as any Lender or its counsel may have reasonably requested.

4.2. Each Advance. The Lenders shall not be required to make any Advance unless on the date of such Advance:

(i) No Default or Unmatured Default exists or would result from such Advance.

(ii) The representations and warranties contained in Article V (other than, in the case of each Advance to be made after the date of this Agreement, Sections 5.5 and 5.7) are true and correct in all material respects as of the date of such Advance except to the extent any such representation or warranty is stated to relate solely to an earlier date, in which case such representation or warranty shall have been true and correct on and as of such earlier date.

(iii) All legal matters incident to the making of such Advance shall be satisfactory to the Lenders and their counsel (including evidence satisfactory to the Administrative Agent of any required governmental approvals or consents regarding such Advance).

Each delivery of a Borrowing Notice shall constitute a representation and warranty by the Borrower that the conditions contained in Sections 4.2(i) and (ii) have been satisfied. Any Lender may require delivery of a duly completed compliance certificate in substantially the form of Exhibit B as a condition to making an Advance.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants to the Lenders that:

5.1. Existence and Standing. Each of the Borrower and each Principal Subsidiary is a corporation, partnership (in the case of Principal Subsidiaries only) or limited liability company duly and properly incorporated or organized, as the case may be, validly existing and (to the extent such concept applies to such entity) in good standing under the laws of its jurisdiction of incorporation or organization. Each of the Borrower and each Principal Subsidiary has all requisite authority to conduct its business in each jurisdiction in which its business is conducted other than where the failure to be so authorized would not reasonably be expected to have a Material Adverse Effect.

5.2. Authorization and Validity. The Borrower has the power and authority and legal right to execute and deliver the Loan Documents and to perform its obligations thereunder. The execution and delivery by the Borrower of the Loan Documents and the performance of its obligations thereunder have been duly authorized by proper corporate proceedings, and the Loan Documents constitute legal, valid and binding obligations of the Borrower enforceable against the Borrower in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally or by equitable principles.

5.3. No Conflict; Government Consent. Neither the execution and delivery by the Borrower of the Loan Documents, nor the consummation by the Borrower of the transactions therein contemplated, nor compliance by the Borrower with the provisions thereof will violate (i) any law, rule, regulation, order, writ, judgment, injunction, decree or award binding on the Borrower or any of its Principal Subsidiaries or (ii) the Borrower's or any Principal Subsidiary's articles or certificate of incorporation, partnership agreement, certificate of partnership, articles or certificate of organization, by-laws, or operating or other management agreement, as the case may be, or (iii) the provisions of any indenture, instrument or agreement to which the Borrower or any of its Principal Subsidiaries is a party or is subject, or by which it, or its Property, is bound, or conflict with or constitute a default thereunder, or result in, or require, the creation or imposition of any Lien in, of or on the Property of the Borrower or a Principal Subsidiary pursuant to the terms of any such indenture, instrument or agreement. No order, consent, adjudication, approval, license, authorization, or validation of, or filing, recording or registration with, or exemption by, or other action in respect of any Governmental Authority, or any subdivision thereof, which has not been obtained by the Borrower or any of its Principal Subsidiaries, is required to be obtained by the Borrower or any of its Principal Subsidiaries in connection with the execution and delivery by the Borrower of the Loan Documents, the borrowings under this Agreement, the payment and performance by the Borrower of the Obligations or the legality, validity, binding effect or enforceability against the Borrower of any of the Loan Documents.

5.4. Financial Statements. The December 31, 2025 consolidated financial statements of the Borrower and its Subsidiaries heretofore delivered to the Lenders were prepared in accordance with generally accepted accounting principles in effect on the date such statements were prepared and fairly present in all material respects the consolidated financial condition and operations of the Borrower and its Subsidiaries at such date and the consolidated results of their operations for the period then ended.

5.5. Material Adverse Change. Since December 31, 2025, there has been no change in the business, Property, condition (financial or otherwise) or results of operations of the Borrower and its Subsidiaries, taken as a whole, which could reasonably be expected to have a Material Adverse Effect.

5.6. Taxes. MGE Energy, Inc., the parent corporation for the Borrower, has, or the Borrower and its Subsidiaries have, filed all United States federal tax returns and all other material tax returns which are required to be filed and have paid all taxes due pursuant to such returns or pursuant to any assessment received by the Borrower or any of its Subsidiaries, except such taxes, if any, as are being contested in good faith and as to which adequate reserves have

been provided in accordance with GAAP. The United States income tax returns of the Borrower and its Subsidiaries through the fiscal year ended December 31, 2021, are not subject to audit by the Internal Revenue Service. No tax liens have been filed and no claims are being asserted with respect to any such taxes, except such taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided in accordance with GAAP. The charges, accruals and reserves on the books of the Borrower and its Subsidiaries in respect of any taxes or other governmental charges are adequate.

5.7. Litigation and Contingent Obligations. There is no litigation, arbitration, governmental investigation, proceeding or inquiry pending or, to the knowledge of the chief executive officer, the chief financial officer, the chief accounting officer, the controller or the general counsel, overtly threatened against or affecting the Borrower or any of its Principal Subsidiaries which could reasonably be expected to have a Material Adverse Effect or which seeks to prevent, enjoin or delay the making of any Advance. Other than any liability incident to any litigation, arbitration or proceeding which could not reasonably be expected to have a Material Adverse Effect, the Borrower has no material contingent obligations not provided for or disclosed in the financial statements referred to in Section 5.4.

5.8. Subsidiaries. Schedule 5.8 contains an accurate list of all Subsidiaries of the Borrower as of the date of this Agreement, setting forth their respective jurisdictions of organization and the percentage of their respective capital stock or other ownership interests owned by the Borrower or other Subsidiaries. All of the issued and outstanding shares of capital stock or other ownership interests of such Subsidiaries have been (to the extent such concepts are relevant with respect to such ownership interests) duly authorized and issued and are fully paid and non-assessable.

5.9. ERISA.

(i) Each Pension Plan is in compliance in all material respects with the applicable provisions of ERISA, the Code and other Federal or state laws. Each Pension Plan that is intended to be a qualified plan under Section 401(a) of the Code has received a favorable determination letter from the Internal Revenue Service to the effect that the form of such Pension Plan is qualified under Section 401(a) of the Code and the trust related thereto has been determined by the Internal Revenue Service to be exempt from federal income tax under Section 501(a) of the Code, and to the knowledge of the Borrower, nothing has occurred that would prevent or cause the loss of such tax-qualified status.

(ii) There are no pending or, to the knowledge of the Borrower, threatened claims, actions or lawsuits, or actions by any Governmental Authority, with respect to any Pension Plan that could reasonably be expected to have a Material Adverse Effect. There has been no prohibited transaction or violation of the fiduciary responsibility rules with respect to any Pension Plan that has resulted or could reasonably be expected to result in a Material Adverse Effect.

(iii) No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all

accumulated benefit obligations under each Pension Plan (other than a Multiemployer Plan) (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $50,000,000 the fair market value of the assets of such Pension Plan, and the present value of all accumulated benefit obligations of all underfunded Pension Plans (other than a Multiemployer Plan) (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $50,000,000 the fair market value of the assets of all such underfunded Pension Plans.

5.10. Accuracy of Information.

(i) No information, exhibit or report furnished by the Borrower or any of its Subsidiaries to the Administrative Agent or to any Lender in connection with the negotiation of, or compliance with, the Loan Documents, taken as a whole, contained any material misstatement of fact or omitted to state a material fact or any fact necessary to make the statements contained therein not misleading in any material respect as of the time when made or delivered.

(ii) As of the Restatement Effective Date, to the knowledge of the Borrower, the information included in the Beneficial Ownership Certification provided on or prior to the Restatement Effective Date to any Lender in connection with this Agreement is true and correct in all material respects.

5.11. Regulation U. The Borrower is not engaged and will not engage, principally or as one of its important activities, in the business of purchasing or carrying Margin Stock, or extending credit for the purpose of purchasing or carrying Margin Stock, and no part of the proceeds of any Advance hereunder will be used to buy or carry any Margin Stock. Following the application of the proceeds of each Advance, not more than 25% of the value of the assets (either of the Borrower only or of the Borrower and its Subsidiaries on a consolidated basis) will be Margin Stock.

5.12. Compliance With Laws. The Borrower and its Principal Subsidiaries have complied with all applicable statutes, rules, regulations, orders and restrictions of any domestic or foreign government or any instrumentality or agency thereof having jurisdiction over the conduct of their respective businesses or the ownership of their respective Property except for any failure to comply with any of the foregoing which could not reasonably be expected to have a Material Adverse Effect.

5.13. Ownership of Properties. On the date of this Agreement, the Borrower and its Principal Subsidiaries have good title, free of all Liens other than those permitted by Section 6.13, to all of the Property and assets reflected in the Borrower's most recent consolidated financial statements provided to the Administrative Agent as owned by the Borrower and its Subsidiaries.

5.14. Plan Assets; Prohibited Transactions. None of the Borrower or any of its Subsidiaries is an entity deemed to hold "plan assets" (within the meaning of the Plan Asset Regulations), and neither the execution, delivery nor performance of the transactions

contemplated under this Agreement, including the making of any Advance, will give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

5.15. Environmental Matters. In the ordinary course of its business, the officers of the Borrower consider the effect of Environmental Laws on the business of the Borrower and its Subsidiaries, in the course of which they identify and evaluate potential risks and liabilities accruing to the Borrower due to Environmental Laws. On the basis of this consideration, as of the date hereof, the Borrower has concluded that Environmental Laws cannot reasonably be expected to have a Material Adverse Effect, except to the extent disclosed in the Borrower's Form 10-K and Form 10-Q reports filed with the SEC prior to the date hereof. Except to the extent disclosed in the Borrower's Form 10-K and Form 10-Q reports filed with the SEC prior to the date hereof, neither the Borrower nor any Principal Subsidiary has received any notice to the effect that its operations are not in material compliance with any of the requirements of applicable Environmental Laws or are the subject of any federal or state investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, which non-compliance or remedial action could reasonably be expected to have a Material Adverse Effect.

5.16. Investment Company Act. Neither the Borrower nor any Subsidiary is required to register as an "investment company" under the Investment Company Act of 1940.

5.17. Insurance. The Borrower and its Principal Subsidiaries maintain with financially sound and reputable insurance companies insurance on all their Property in such amounts and covering such risks as is consistent with sound business practice.

5.18. Regulatory Approval. No consent, authorization or approval of, and/or filing or registration with, any governmental body or regulatory authority which has not been obtained by the Borrower or any of its Principal Subsidiaries is required in connection with the execution, delivery or performance of the Loan Documents or for the consummation of the transactions herein contemplated, or for the validity or enforceability thereof.

5.19. Anti-Corruption Laws and Sanctions. The Borrower has implemented and maintains in effect policies and procedures designed to ensure compliance by the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and the Borrower, its Subsidiaries and their respective directors and officers and, to the knowledge of the Borrower, the Borrower's and the applicable Subsidiaries' respective employees and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects. None of (a) the Borrower, any Subsidiary or any of their respective directors, officers or employees, or (b) to the knowledge of the Borrower, any agent of the Borrower or any Subsidiary that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No Advance, use of proceeds or other transaction contemplated by this Agreement will violate Anti-Corruption Laws or applicable Sanctions.

5.20. Affected Financial Institutions. The Borrower is not an Affected Financial Institution.

5.21. Solvency. The Borrower and its Subsidiaries taken as a whole are Solvent as of the Restatement Effective Date.

ARTICLE VI

COVENANTS

6.1. Financial Reporting. The Borrower will maintain, for itself and each Subsidiary, a system of accounting established and administered in accordance with generally accepted accounting principles, and furnish to the Lenders:

(i) Within 90 days after the close of each of its fiscal years, an unqualified (except for qualifications relating to changes in accounting principles or practices reflecting changes in generally accepted accounting principles and required or approved by the Borrower's independent certified public accountants) audit report certified by independent certified public accountants reasonably acceptable to the Lenders, prepared in accordance with GAAP on a consolidated basis for itself and its Subsidiaries, including balance sheets as of the end of such period, related profit and loss and reconciliation of surplus statements, and a statement of cash flows.

(ii) Within 45 days after the close of the first three quarterly periods of each of its fiscal years, for itself and its Subsidiaries, consolidated unaudited balance sheets as at the close of each such period and consolidated profit and loss and reconciliation of surplus statements and a statement of cash flows for the period from the beginning of such fiscal year to the end of such quarter, all certified by its chief executive officer, chief financial officer or treasurer.

(iii) Notwithstanding the preceding provisions of this Section 6.1, if and so long as the Borrower shall file regular and periodic reports with the SEC pursuant to Sections 13 and 15 of the Securities Exchange Act of 1934, delivery to the Administrative Agent of copies of the Borrower's reports on Forms 10K and 10Q promptly following filing thereof with the SEC, but in any event not later than within the periods set forth in Sections 6.1(i) and (ii), shall constitute full compliance with those sections.

(iv) Together with the financial statements required under Sections 6.1(i) and (ii), a compliance certificate in substantially the form of Exhibit B signed by its chief executive officer, chief financial officer or treasurer showing the calculations necessary to determine compliance with this Agreement and stating that no Default or Unmatured Default exists, or if any Default or Unmatured Default exists, stating the nature and status thereof.

(v) As soon as possible and in any event within 10 days after the Borrower knows that any Reportable Event has occurred with respect to any Pension Plan, a statement, signed by the chief financial officer or treasurer of the Borrower, describing such Reportable Event and the action which the Borrower proposes to take with respect thereto.

(vi) As soon as possible and in any event within 10 days after receipt by the Borrower, a copy of (a) any notice or claim to the effect that the Borrower or any of its Principal Subsidiaries is or may be liable to any Person as a result of the release by the Borrower, any of its Principal Subsidiaries, or any other Person of any toxic or hazardous waste or substance into the environment, and (b) any notice alleging any violation of any federal, state or local environmental, health or safety law or regulation by the Borrower or any of its Principal Subsidiaries, which, in either case, could reasonably be expected to have a Material Adverse Effect. The Borrower may satisfy any such notice requirement by delivering to the Administrative Agent a copy of the Borrower's report on Form 8-K describing such event, promptly following filing thereof with the SEC.

(vii) Promptly upon the filing thereof, copies of all registration statements and annual, quarterly, monthly or other regular reports which the Borrower or any of its Principal Subsidiaries files with the SEC.

(viii) (a) Such other information (including non-financial information) as the Administrative Agent or any Lender may from time to time reasonably request and (b) information and documentation reasonably requested by the Administrative Agent or any Lender for purposes of compliance with applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act and the Beneficial Ownership Regulation.

6.2. Litigation. The Borrower shall promptly give to each Lender notice of all legal or arbitral proceedings, and of all proceedings before any Governmental Authority, to which the Borrower or its Principal Subsidiaries is a party, except proceedings that would not reasonably be expected to have a Material Adverse Effect. The Borrower may satisfy any such notice requirement by delivering to the Administrative Agent a copy of the Borrower's report on Form 8-K describing such event, promptly following filing thereof with the SEC.

6.3. Use of Proceeds. The Borrower will, and will cause each Subsidiary to, use the proceeds of the Advances for general corporate purposes, including commercial paper back-up (in compliance with all applicable legal and regulatory requirements). No part of the proceeds of any Advance will be used, whether directly or indirectly, for any purpose that entails a violation of any of Regulations T, U and X. The Borrower will not request any Advance, and the Borrower shall not use, and shall procure that its Subsidiaries and its or their respective directors, officers, employees and agents shall not use, the proceeds of any Advance (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (B) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, except to the extent permitted for a Person required to comply with Sanctions, or (C) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

6.4. Notices of Material Events. The Borrower will, and will cause each Principal Subsidiary to, give prompt notice in writing to the Lenders of:

(i) The occurrence of any Default or Unmatured Default of which the Borrower becomes aware and of any other development, financial or otherwise, of which the Borrower

becomes aware which could reasonably be expected to have a Material Adverse Effect. The Borrower may satisfy any such notice requirement by delivering to the Administrative Agent a copy of the Borrower's report on Form 8-K describing such event, promptly following filing thereof with the SEC.

(ii) Any change in the information provided in the Beneficial Ownership Certification delivered to any Lender that would result in a change to the list of beneficial owners identified in such certification.

(iii) The occurrence of any ERISA Event that, alone or together with any other ERISA Events that have occurred, could reasonably be expected to result in a Material Adverse Effect.

6.5. Conduct of Business. The Borrower will, and will cause each Principal Subsidiary to, (a) carry on and conduct its business in substantially the same manner and in substantially the same fields of enterprise as it is presently conducted, including reasonable extensions of such business, (b) do all things necessary to remain duly incorporated or organized, validly existing and (to the extent such concept applies to such entity) in good standing as a domestic corporation, partnership or limited liability company in its jurisdiction of incorporation or organization, as the case may be, and (c) maintain all requisite authority to conduct its business in each jurisdiction in which its business is conducted and the failure so to maintain such authority would reasonably be expected to have a Material Adverse Effect, *provided* that this Section shall not be deemed to prohibit any transaction permitted under Section 6.11 or 6.12.

6.6. Taxes. The Borrower will, and will cause each Principal Subsidiary to, timely file complete and correct United States federal and applicable foreign, state and local tax returns required by law and pay when due Taxes imposed upon it or upon its property, except those which are being contested in good faith by appropriate proceedings and with respect to which adequate reserves have been set aside in accordance with generally accepted accounting principles or where nonpayment could not reasonably be expected to have a Material Adverse Effect.

6.7. Insurance. The Borrower will, and will cause each Principal Subsidiary to, maintain with financially sound and reputable insurance companies insurance on all their Property in such amounts and covering such risks as is consistent with sound business practice, and the Borrower will furnish to any Lender upon request full information as to the insurance carried.

6.8. Compliance with Laws. The Borrower will, and will cause each Principal Subsidiary to, comply with all laws, rules, regulations, orders, writs, judgments, injunctions, decrees or awards to which it may be subject, including all Environmental Laws, except where noncompliance would not have a Material Adverse Effect. Without limiting the foregoing, the Borrower will maintain in effect and enforce policies and procedures designed to ensure compliance by the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions.

6.9. Maintenance of Properties. The Borrower will, and will cause each Principal Subsidiary to, do all things necessary to maintain, preserve, protect and keep its Property (except such Property the failure of which to maintain or preserve would not have individually or in the

aggregate, a Material Adverse Effect) in good repair, working order and condition, ordinary wear and tear excepted, and make all necessary and proper repairs, renewals and replacements so that its business carried on in connection therewith may be properly conducted at all times; provided the foregoing shall not prevent the Borrower or its Principal Subsidiaries from abandoning or disposing of any property that is no longer used or useful in its business or obsolete.

6.10. Inspection. Subject to Section 9.10, the Borrower will, and will cause each Principal Subsidiary to, permit the Administrative Agent and the Lenders, by their respective representatives and agents, to inspect any of the Property, books and financial records of the Borrower and each Principal Subsidiary, to examine and make copies of the books of accounts and other financial records of the Borrower and each Principal Subsidiary, and to discuss the affairs, finances and accounts of the Borrower and each Principal Subsidiary with, and to be advised as to the same by, their respective officers at such reasonable times and intervals as the Administrative Agent or any Lender may designate.

6.11. Merger. The Borrower will not, nor will it permit any Principal Subsidiary to, merge or consolidate with or into any other Person, or permit any other Person to merge into or consolidate with it, consummate a Division as the Dividing Person or otherwise Dispose of all or substantially all of its assets, or all or substantially all of the stock of its Subsidiaries in each case, whether now owned or hereafter acquired, or liquidate or dissolve, except that (i) a Subsidiary may merge into the Borrower or a Wholly-Owned Subsidiary and (ii) the Borrower or any Principal Subsidiary may merge with or into or consolidate with any other Person; provided that, in each case, immediately before and after giving effect thereto, no Default or Unmatured Default shall have occurred and be continuing and (A) in the case of any such merger or consolidation to which the Borrower is a party, either (x) the Borrower shall be the surviving entity or (y) the surviving entity shall be an Eligible Successor and shall have assumed all of the obligations of the Borrower under this Agreement pursuant to a written instrument in form and substance satisfactory to the Administrative Agent and the Administrative Agent shall have received an opinion of counsel in form and substance satisfactory to it as to the enforceability of such obligations assumed and (B) subject to clause (A) above, in the case of any such merger or consolidation to which any Principal Subsidiary is a party, a Principal Subsidiary shall be the surviving entity.

6.12. Sale of Assets. The Borrower will not, nor will it permit any Principal Subsidiary to, make any Disposition, except:

(i) Dispositions of inventory in the ordinary course of business.

(ii) Dispositions of assets which have become obsolete or no longer used or useful in the business of the Borrower or any such Principal Subsidiary.

(iii) Dispositions of equipment or real property to the extent that (A) such disposition is in the ordinary course of business or (B) such property is exchanged for credit against the purchase price of similar replacement property or the proceeds of such disposition are reasonably promptly applied to the purchase price of such replacement property.

(iv) Dispositions of Property by a Subsidiary to the Borrower or another Subsidiary.

(v) Dispositions of Property that, together with all other Property of the Borrower and its Principal Subsidiaries previously leased, sold or disposed of (other than dispositions permitted by the foregoing provisions of this Section 6.12) as permitted by this Section during the twelve-month period ending with the month in which any such lease, sale or other disposition occurs, do not constitute a Substantial Portion of the Property of the Borrower and its Subsidiaries.

6.13. Liens. The Borrower will not, nor will it permit any Principal Subsidiary to, create, incur, or suffer to exist any Lien in, of or on the Property of the Borrower or any of its Principal Subsidiaries, except:

(i) Liens for taxes, assessments or governmental charges or levies on its Property if the same shall not at the time be delinquent or thereafter can be paid without penalty, or are being contested in good faith and by appropriate proceedings.

(ii) Liens imposed by law, such as carriers', warehousemen's and mechanics' liens and other similar liens arising in the ordinary course of business which secure payment of obligations not more than 60 days past due or which are being contested in good faith and by appropriate proceedings diligently conducted.

(iii) Liens arising out of pledges or deposits under worker's compensation laws, unemployment insurance, old age pensions, or other social security or retirement benefits, or similar legislation.

(iv) Liens incidental to the normal conduct of the business of the Borrower or any Subsidiary or the ownership of its property or the conduct of the ordinary course of its business, including (A) zoning restrictions, easements, rights of way, reservations, restrictions on the use of real property and other minor irregularities of title, (B) rights of lessees under leases, (C) rights of collecting banks having rights of setoff, revocation, refund or chargeback with respect to money or instruments of the Borrower or any Subsidiary on deposit with or in the possession of such banks, (D) Liens or deposits to secure the performance of statutory obligations, tenders, bids, leases, progress payments, performance or return-of-money bonds, performance or other similar bonds or other obligations of a similar nature incurred in the ordinary course of business, and (E) Liens required by any contract or statute in order to permit the Borrower or a Subsidiary of the Borrower to perform any contract or subcontract made by it with or pursuant to the requirements of a Governmental Authority, in each case which are not incurred in connection with the borrowing of money, the obtaining of advances or credit or the payment of the deferred purchase price of Property and which do not in the aggregate impair the use of property in the operation of the business of the Borrower and its Subsidiaries taken as a whole.

(v) Liens on property existing at the time of acquisition thereof or Liens affecting property of a Person existing at the time it becomes a Subsidiary of the Borrower or at the time it is merged into or consolidated with the Borrower or a Subsidiary of the Borrower; *provided* that, in either case, such Liens were not granted in contemplation of such acquisition or in contemplation of the transaction pursuant to which such Person became a Subsidiary; and provided further that in either case, such Liens do not extend to or cover any property of the Borrower or of any of its Subsidiaries other than the property that secured the acquired

Indebtedness prior to the time such Indebtedness became Indebtedness of the Borrower or a Subsidiary.

(vi) Liens on property securing Indebtedness incurred prior to, at the time of, or within 12 months after the acquisition thereof for the purpose of financing all or part of the purchase price thereof, provided that such Liens do not extend to or cover any other property of the Borrower or any Subsidiary and the Indebtedness secured thereby was incurred to pay, and does not exceed, the purchase price thereof.

(x) Liens on cash or cash equivalents created or existing to secure stay or appeal bonds or otherwise resulting from any litigation or legal proceeding which is being contested in good faith by appropriate action promptly initiated and diligently conducted, including the Lien of any judgment; *provided* that the aggregate amount secured by all such Liens does not exceed $50,000,000.

(xi) Liens securing any extension, renewal, replacement or refinancing of Indebtedness secured by any Lien referred to in the foregoing clauses (v), (vi), (vii), (viii), and (xii); *provided* that:

(A) such new Lien shall be limited to all or part of the same property that secured the original Lien (plus improvements on such property) and

(B) the amount secured by such Lien at such time is not increased to any amount greater than the amount outstanding at the time of such renewal, replacement or refinancing.

(xii) agreements for and obligations relating to the joint or common use of property owned by the Borrower or any Principal Subsidiary in common or jointly with one or more other parties.

A proceeding or case shall be commenced, without the application or consent of the Borrower, in any court of competent jurisdiction, seeking (i) its liquidation, reorganization, dissolution or winding-up, or the composition or readjustment of its debts, (ii) the appointment of a trustee, receiver, custodian, liquidator or the like of the Borrower or of all or any substantial part of its assets, or (iii) similar relief in respect of the Borrower under any law relating to bankruptcy, insolvency, reorganization, winding-up or composition or adjustment of debts, and such proceeding or case shall continue undismissed, or an order, judgment or decree approving or ordering any of the foregoing shall be entered and continue unstayed and in effect, for a period of 60 days; or an order for relief against the Borrower shall be entered in an involuntary case under the Bankruptcy Code.

7.10. A final judgment or judgments for the payment of money in excess of $50,000,000 in the aggregate that is not covered by insurance, performance bonds or the like shall be rendered by a court or courts against the Borrower or any of its Principal Subsidiaries, and the same shall not be discharged (or provision shall not be made for such discharge), or a stay of execution thereof shall not be procured, within 90 days from the date of entry thereof and the Borrower or the relevant Principal Subsidiary shall not, within such period of 90 days, or such longer period during which execution of the same shall have been stayed, appeal therefrom and cause the execution thereof to be stayed during such appeal.

7.11. Any of the following events shall occur with respect to any Pension Plan:

(i) the institution of any steps by the Borrower, any ERISA Affiliate or any other Person to terminate a Pension Plan if, as a result of such termination, the Borrower or any ERISA Affiliate could be required to make a contribution to such Pension Plan, or could

reasonably expect to incur a liability or obligation to such Pension Plan, in excess of $50,000,000; or

(ii) the complete or partial withdrawal from any Pension Plan by the Borrower or any ERISA Affiliate if, as a result of such withdrawal, the Borrower or any ERISA Affiliate could incur any liability by such Pension Plan in excess of $50,000,000; or

(iii) a contribution failure occurs with respect to any Pension Plan sufficient to give rise to a Lien under Section 302(f) of ERISA; or

(iv) an ERISA Event shall have occurred that, in the opinion of the Required Lenders, when taken together with all other ERISA Events that have occurred, could reasonably be expected to result in a Material Adverse Effect.

7.12. Any license, consent, authorization or approval, filing or registration now or hereafter necessary to enable the Borrower to comply with its obligations hereunder or under any other Loan Document shall be revoked, withdrawn, withheld or not effected or shall cease to be in full force and effect.

7.13. A Change in Control shall occur.

7.14. Any material provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder or satisfaction in full of all Obligations, ceases to be in full force and effect; or the Borrower or any other Person contests in writing the validity or enforceability of any provision of any Loan Document; or the Borrower denies in writing that it has any or further liability or obligation under any Loan Document, or purports in writing to revoke, terminate or rescind any Loan Document.

ARTICLE VIII

ACCELERATION, WAIVERS, AMENDMENTS AND REMEDIES

8.1. Acceleration. If any Default described in Section 7.7, 7.8 or 7.9 occurs with respect to the Borrower, the obligations of the Lenders to make Loans hereunder shall automatically terminate and the Obligations shall immediately become due and payable without any election or action on the part of the Administrative Agent or any Lender. If any other Default occurs, the Required Lenders (or the Administrative Agent with the consent of the Required Lenders) may terminate or suspend the obligations of the Lenders to make Loans hereunder, or declare the Obligations to be due and payable, or both, whereupon the Obligations shall become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which the Borrower hereby expressly waives.

If, within 30 days after acceleration of the maturity of the Obligations or termination of the obligations of the Lenders to make Loans hereunder as a result of any Default (other than any Default as described in Section 7.7, 7.8 or 7.9 with respect to the Borrower) and before any judgment or decree for the payment of the Obligations due shall have been obtained or entered,

the Required Lenders (in their sole discretion) shall so direct, the Administrative Agent shall, by notice to the Borrower, rescind and annul such acceleration and/or termination.

8.2. Amendments. Subject to the provisions of this Article VIII and Section 3.3, the Required Lenders (or the Administrative Agent with the consent in writing of the Required Lenders) and the Borrower may enter into agreements supplemental hereto for the purpose of adding or modifying any provisions to the Loan Documents or changing in any manner the rights of the Lenders or the Borrower hereunder or waiving any Default hereunder; *provided* that no such supplemental agreement shall:

(i) without the consent of each Lender affected thereby:

(a) extend the Facility Termination Date or the final maturity of any Loan, forgive all or any portion of the principal amount of any Loan or reduce the rate or extend the time of payment of any interest or fees hereunder; or

(b) increase the amount of the Commitment of any Lender; or

(c) amend Section 11.2; or

(ii) without the consent of all Lenders:

(a) reduce the percentage specified in the definition of Required Lenders;

(b) permit the Borrower to assign its rights under this Agreement; or

(c) amend this Section 8.2.

No amendment of any provision of this Agreement relating to the Administrative Agent shall be effective without the written consent of the Administrative Agent. The Administrative Agent may waive payment of the fee required under Section 12.3.2 without obtaining the consent of any other party to this Agreement. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except for matters described in subsection (i) or clause (c) of subsection (ii) of this Section 8.2.

8.3. Preservation of Rights. No delay or omission of the Lenders or the Administrative Agent to exercise any right under the Loan Documents shall impair such right or be construed to be a waiver of any Default or an acquiescence therein, and the making of an Advance notwithstanding the existence of a Default or the inability of the Borrower to satisfy the conditions precedent to such Advance shall not constitute any waiver or acquiescence. Any single or partial exercise of any such right shall not preclude other or further exercise thereof or the exercise of any other right, and no waiver, amendment or other variation of the terms, conditions or provisions of the Loan Documents whatsoever shall be valid unless in writing signed by the Lenders required pursuant to Section 8.2, and then only to the extent in such writing specifically set forth. All remedies contained in the Loan Documents or by law afforded shall be cumulative and all shall be available to the Administrative Agent and the Lenders until the Obligations have been paid in full.

ARTICLE IX

GENERAL PROVISIONS

9.1. Survival of Representations. All representations and warranties of the Borrower contained in this Agreement shall survive during the period that the Advances are outstanding.

9.2. Governmental Regulation. Anything contained in this Agreement to the contrary notwithstanding, no Lender shall be obligated to extend credit to the Borrower in violation of any limitation or prohibition provided by any applicable statute or regulation.

9.3. Entire Agreement. The Loan Documents embody the entire agreement and understanding among the Borrower, the Administrative Agent and the Lenders and supersede all prior agreements and understandings among the Borrower, the Administrative Agent and the Lenders relating to the subject matter thereof other than the fee letter described in Section 10.13.

9.4. Several Obligations; Benefits of this Agreement. The respective obligations of the Lenders hereunder are several and not joint and no Lender shall be the partner or agent of any other (except to the extent to which the Administrative Agent is authorized to act as such). The failure of any Lender to perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement, *provided* that the parties hereto expressly agree that the Arranger shall enjoy the benefits of the provisions of Sections 9.5, 9.9 and 10.11 to the extent specifically set forth therein and shall have the right to enforce such provisions on its own behalf and in its own name to the same extent as if it were a party to this Agreement.

9.5. Expenses; Indemnification. (i) The Borrower shall reimburse the Administrative Agent and the Arranger for any reasonable costs, internal charges and out-of-pocket expenses (including reasonable attorneys' fees and charges of attorneys for the Administrative Agent, which attorneys may be employees of the Administrative Agent) paid or incurred by the Administrative Agent or the Arranger in connection with the preparation, negotiation, execution, delivery, syndication, distribution (including via the internet), review, amendment, modification, and administration of the Loan Documents. The Borrower also agrees to reimburse the Administrative Agent, the Arranger and each Lender for any costs, internal charges and out-of-pocket expenses (including attorneys' fees and time charges of attorneys for the Administrative Agent, the Arranger and such Lender, which attorneys may be employees of the Administrative Agent, the Arranger or such Lender) paid or incurred by the Administrative Agent, the Arranger or any Lender in connection with the collection and enforcement of the Loan Documents. Expenses being reimbursed by the Borrower under this Section include costs and expenses incurred in connection with the Reports described in the following sentence. The Borrower acknowledges that from time to time U.S. Bank may prepare and may distribute to the Lenders (but shall have no obligation or duty to prepare or to distribute to the Lenders) certain audit reports (the "Reports") pertaining to the Borrower's assets for internal use by U.S. Bank

from information furnished to it by or on behalf of the Borrower, after U.S. Bank has exercised its rights of inspection pursuant to this Agreement.

(ii) The Borrower hereby further agrees to indemnify the Administrative Agent, the Arranger, each Lender, their respective affiliates, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against all losses, claims, damages, penalties, judgments, liabilities and expenses (including all expenses of litigation or preparation therefor whether or not the Administrative Agent, the Arranger, any Lender or any affiliate is a party thereto) which any of them may pay or incur arising out of or relating to this Agreement, the other Loan Documents, the transactions contemplated hereby or the direct or indirect application or proposed application of the proceeds of any Loan hereunder except to the extent that they are determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the party seeking indemnification. In the case of any investigation, litigation or proceeding to which the indemnity in this Section applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by a third party, by the Borrower or by an affiliate of the Borrower. The obligations of the Borrower under this Section 9.5 shall survive the payment of the Obligations and the termination of this Agreement.

(iii) Each Lender severally agrees to pay any amount required to be paid by the Borrower under paragraph (i) or (ii) of this Section 9.5 to the Administrative Agent and each Related Party of any of the foregoing Persons (each, an "Agent Indemnitee") (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Applicable Percentage in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Applicable Percentage immediately prior to such date), from and against any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Agent Indemnitee in its capacity as such; provided further that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee's gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(iv) To the extent permitted by applicable law (a) the Borrower shall not assert, and the Borrower hereby waives, any claim against any Indemnitee for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), and (b) no party hereto shall

assert, and each such party hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof; provided that, nothing in this clause (iv)(b) shall relieve the Borrower of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(v) All amounts due under this Section shall be payable promptly after written demand therefor.

9.6. Numbers of Documents. All statements, notices, closing documents, and requests hereunder shall be furnished to the Administrative Agent with sufficient counterparts so that the Administrative Agent may furnish one to each of the Lenders.

9.7. Accounting. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that, (i) any calculation or determination which is to be made on a consolidated basis shall exclude any assets, liabilities, revenues and expenses that are included in Borrower's financial statements from "variable interest entities" as a result of the application of FIN No. 46, Consolidation of Variable Interest Entities – an Interpretation of ARB No. 51, as updated through FIN No. 46-R and as modified by FIN No. 94 and (ii) if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to (a) any election under Financial Accounting Standards Board Accounting Standards Codification 825 (or any other Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of the Borrower or any Subsidiary at "fair value", as defined therein and (b) any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof.

9.8. Severability of Provisions. Any provision in any Loan Document that is held to be inoperative, unenforceable, or invalid in any jurisdiction shall, as to that jurisdiction, be inoperative, unenforceable, or invalid without affecting the remaining provisions in that

jurisdiction or the operation, enforceability, or validity of that provision in any other jurisdiction, and to this end the provisions of all Loan Documents are declared to be severable.

9.9. Nonliability of Lenders. The relationship between the Borrower on the one hand and the Lenders and the Administrative Agent on the other hand shall be solely that of borrower and lender. None of the Administrative Agent, the Arranger or any Lender shall have any fiduciary responsibilities to the Borrower. None of the Administrative Agent, the Arranger or any Lender undertakes any responsibility to the Borrower to review or inform the Borrower of any matter in connection with any phase of the Borrower's business or operations. The Borrower agrees that none of the Administrative Agent, the Arranger or any Lender shall have liability to the Borrower (whether sounding in tort, contract or otherwise) for losses suffered by the Borrower in connection with, arising out of, or in any way related to, the transactions contemplated and the relationship established by the Loan Documents, or any act, omission or event occurring in connection therewith, unless it is determined in a final non-appealable judgment by a court of competent jurisdiction that such losses resulted from the gross negligence or willful misconduct of the party from which recovery is sought. None of the Administrative Agent, the Arranger or any Lender shall have any liability with respect to, and the Borrower hereby waives, releases and agrees not to sue for, any special, indirect or consequential damages suffered by the Borrower in connection with, arising out of, or in any way related to the Loan Documents or the transactions contemplated thereby.

9.10. Confidentiality. Each Lender agrees to maintain the confidentiality of Information (as defined below) which it may receive from the Borrower pursuant to this Agreement or in connection with any inspection conducted pursuant to Section 6.10, except for disclosure (i) to its Affiliates, to other Lenders and their respective Affiliates and the directors, officers, employees, agents, trustees, advisors and representatives of any of the foregoing (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to legal counsel, accountants, and other professional advisors to such Lender or to a Transferee, (iii) to regulatory officials, (iv) to any Person as requested pursuant to or as required by law, regulation, or legal process, (v) to any Person in connection with any legal proceeding to which such Lender is a party, (vi) to such Lender's direct or indirect contractual counterparties in swap agreements or to legal counsel, accountants and other professional advisors to such counterparties, (vii) permitted by Section 12.4, (viii) with the consent of Borrower, and (ix) to the extent such Information (a) becomes publicly available other than as a result of a breach of this Section or (b) becomes available to any Lender on a nonconfidential basis from a source other than Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent, U.S. Bank or any Lender on a non-confidential basis prior to disclosure by the Borrower and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry; provided that, in the case of information received from the Borrower after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such

Person would accord to its own confidential information but no less than a reasonable degree of care.

For the avoidance of doubt, nothing in this Section 9.10 shall prohibit any Person from voluntarily disclosing or providing any Information to any governmental, regulatory or self-regulatory organization to the extent that such prohibition is prohibited by the laws or regulations applicable to such governmental, regulatory or self-regulatory organization.

9.11. Nonreliance. Each Lender hereby represents that it is not relying on or looking to any margin stock (as defined in Regulation U of the FRB) for the repayment of the Loans provided for herein.

9.12. Disclosure. The Borrower and each Lender hereby acknowledge and agree that U.S. Bank and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with the Borrower and its Affiliates.

9.13. No Fiduciary Duty, Etc.

(i) The Borrower and each Lender hereby acknowledge and agree that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with the Borrower and its Affiliates. The Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that no Credit Party will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an arm's length contractual counterparty to the Borrower with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, the Borrower or any other Person. The Borrower agrees that it will not assert any claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby. Additionally, the Borrower acknowledges and agrees that no Credit Party is advising the Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. The Borrower shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated herein or in the other Loan Documents, and the Credit Parties shall have no responsibility or liability to the Borrower with respect thereto.

(ii) The Borrower further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party, together with its Affiliates, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, the Borrower and other companies with which the Borrower may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(iii) In addition, the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrower may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from the Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrower in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. The Borrower also acknowledges that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower, confidential information obtained from other companies.

9.14. USA Patriot Act. Each Lender that is subject to the requirements of the USA PATRIOT Act of 2001 (the "Patriot Act") hereby notifies the Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Patriot Act.

9.15. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(i) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder that may be payable to it by any party hereto that is an Affected Financial Institution; and

(ii) the effects of any Bail-In Action on any such liability, including, if applicable:

(a) a reduction in full or in part or cancellation of any such liability;

(b) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(c) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

9.16. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal

Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

9.17. Additional Covenants and Defaults. If at any time the JPM Facility is amended or otherwise modified so that, as so amended or modified, it has any material covenant or default provision not substantially provided for in this Agreement or that is more favorable to the lender or lenders thereunder than those provided for in this Agreement, then (a) the terms of this Agreement shall, without any further action on the part of the Borrower or any Lender, be deemed to be amended automatically to include the applicable covenant or default provision contained in the JPM Facility; and (b) upon request of the Administrative Agent, the Borrower shall promptly enter into an amendment to this Agreement, in form and substance satisfactory to the Borrower and the Administrative Agent, incorporating such covenant or default into this Agreement (it being understood that the execution and delivery of such amendment shall not be a condition to the effectiveness of the automatic amendment described in clause (a) above, but shall merely be for the convenience of the parties hereto).

Any covenant or default provision incorporated into this Agreement pursuant to this Section 9.17 (herein referred to as an "Incorporated Covenant") (i) shall be deemed automatically amended herein to reflect any subsequent amendments made to such covenant or default provision in the JPM Facility; provided that if any Unmatured Default or Default then exists (including in respect of such Incorporated Covenant) and the amendment of such covenant or default provision would result in such covenant or provision being less restrictive on the Borrower, such Incorporated Covenant shall only be deemed automatically amended at such time as no Unmatured Default or Default then exists and (ii) shall be deemed automatically deleted from this Agreement at such time as such covenant or default provision is deleted or otherwise

removed from the JPM Facility or the JPM Facility shall have been terminated, all commitments thereunder cancelled and all liabilities existing thereunder paid in full (other than unasserted contingent liabilities and obligations); provided that, if an Unmatured Default or Default then exists (including in respect of such Incorporated Covenant), such Incorporated Covenant shall only be deemed automatically deleted from this Agreement at such time as no Unmatured Default or Default then exists.

ARTICLE X

THE ADMINISTRATIVE AGENT

10.1. Appointment; Nature of Relationship. U.S. Bank National Association is hereby appointed by each of the Lenders as its contractual representative (herein referred to as the "Administrative Agent") hereunder and under each other Loan Document, and each of the Lenders irrevocably authorizes the Administrative Agent to act as the contractual representative of such Lender with the rights and duties expressly set forth herein and in the other Loan Documents. The Administrative Agent agrees to act as such contractual representative upon the express conditions contained in this Article X. The motivations of the Administrative Agent are commercial in nature and not to invest in the general performance or operations of the Borrower and its Subsidiaries. Notwithstanding the use of the defined term "Administrative Agent," it is expressly understood and agreed that the Administrative Agent shall not have any fiduciary responsibilities to any Lender by reason of this Agreement or any other Loan Document and that the Administrative Agent is merely acting as the contractual representative of the Lenders with only those duties as are expressly set forth in this Agreement and the other Loan Documents. In its capacity as the Lenders' contractual representative, the Administrative Agent (i) does not hereby assume any fiduciary duties to any of the Lenders, (ii) is a "representative" of the Lenders within the meaning of the term "secured party" as defined in the Illinois Uniform Commercial Code and (iii) is acting as an independent contractor, the rights and duties of which are limited to those expressly set forth in this Agreement and the other Loan Documents. Each of the Lenders hereby agrees to assert no claim against the Administrative Agent on any agency theory or any other theory of liability for breach of fiduciary duty, all of which claims each Lender hereby waives.

10.2. Powers. The Administrative Agent shall have and may exercise such powers under the Loan Documents as are specifically delegated to the Administrative Agent by the terms of each thereof, together with such powers as are reasonably incidental thereto. The Administrative Agent shall have no implied duties to the Lenders, or any obligation to the Lenders to take any action thereunder except any action specifically provided by the Loan Documents to be taken by the Administrative Agent.

10.3. General Immunity. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable to the Borrower, the Lenders or any Lender for any action taken or omitted to be taken by it or them hereunder or under any other Loan Document or in connection herewith or therewith except to the extent such action or inaction is determined in a final non-appealable judgment by a court of competent jurisdiction to have arisen from the gross negligence or willful misconduct of such Person.

10.4. No Responsibility for Loans, Recitals, Etc. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be responsible for or have any duty to ascertain, inquire into, or verify (a) any statement, warranty or representation made in connection with any Loan Document or any borrowing hereunder; (b) the performance or observance of any of the covenants or agreements of any obligor under any Loan Document, including any agreement by an obligor to furnish information directly to each Lender; (c) the satisfaction of any condition specified in Article IV, except receipt of items required to be delivered solely to the Administrative Agent; (d) the existence or possible existence of any Default or Unmatured Default; (e) the validity, enforceability, effectiveness, sufficiency or genuineness of any Loan Document or any other instrument or writing furnished in connection therewith; (f) the value, sufficiency, creation, perfection or priority of any Lien in any collateral security; or (g) the financial condition of the Borrower or any guarantor of any of the Obligations or of any of the Borrower's or any such guarantor's respective Subsidiaries. The Administrative Agent shall have no duty to disclose to the Lenders information that is not required to be furnished by the Borrower to the Administrative Agent at such time, but is voluntarily furnished by the Borrower to the Administrative Agent (either in its capacity as Administrative Agent or in its individual capacity).

10.5. Action on Instructions of Lenders. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, hereunder and under any other Loan Document in accordance with written instructions signed by the Required Lenders or all Lenders, as appropriate, and such instructions and any action taken or failure to act pursuant thereto shall be binding on all of the Lenders. The Lenders hereby acknowledge that the Administrative Agent shall be under no duty to take any discretionary action permitted to be taken by it pursuant to the provisions of this Agreement or any other Loan Document unless it shall be requested in writing to do so by the Required Lenders. The Administrative Agent shall be fully justified in failing or refusing to take any action hereunder and under any other Loan Document unless it shall first be indemnified to its satisfaction by the Lenders pro rata against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action.

10.6. Employment of Administrative Agents and Counsel. The Administrative Agent may execute any of its duties as Administrative Agent hereunder and under any other Loan Document by or through employees, agents, and attorneys-in-fact and shall not be answerable to the Lenders, except as to money or securities received by it or its authorized agents, for the default or misconduct of any such agents or attorneys-in-fact selected by it with reasonable care. The Administrative Agent shall be entitled to advice of counsel concerning the contractual arrangement between the Administrative Agent and the Lenders and all matters pertaining to the Administrative Agent's duties hereunder and under any other Loan Document.

10.7. Reliance on Documents; Counsel. The Administrative Agent shall be entitled to rely upon any Note, notice, consent, certificate, affidavit, letter, telegram, statement, paper or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, and, in respect to legal matters, upon the opinion of counsel selected by the Administrative Agent, which counsel may be employees of the Administrative Agent.

10.8. Administrative Agent's Reimbursement and Indemnification. The Lenders agree to reimburse and indemnify the Administrative Agent ratably in proportion to their respective

Commitments (or, if the Commitments have been terminated, in proportion to their Commitments immediately prior to such termination) (i) for any amounts not reimbursed by the Borrower for which the Administrative Agent is entitled to reimbursement by the Borrower under the Loan Documents, (ii) for any other expenses incurred by the Administrative Agent on behalf of the Lenders, in connection with the preparation, execution, delivery, administration and enforcement of the Loan Documents (including for any expenses incurred by the Administrative Agent in connection with any dispute between the Administrative Agent and any Lender or between two or more of the Lenders) and (iii) for any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever which may be imposed on, incurred by or asserted against the Administrative Agent in any way relating to or arising out of the Loan Documents or any other document delivered in connection therewith or the transactions contemplated thereby (including for any such amounts incurred by or asserted against the Administrative Agent in connection with any dispute between the Administrative Agent and any Lender or between two or more of the Lenders), or the enforcement of any of the terms of the Loan Documents or of any such other documents, *provided* that (i) no Lender shall be liable for any of the foregoing to the extent any of the foregoing is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Administrative Agent and (ii) any indemnification required pursuant to Section 3.4(vii) shall, notwithstanding the provisions of this Section 10.8, be paid by the relevant Lender in accordance with the provisions thereof. The obligations of the Lenders under this Section 10.8 shall survive payment of the Obligations and termination of this Agreement.

10.9. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Unmatured Default hereunder unless the Administrative Agent has received written notice from a Lender or the Borrower referring to this Agreement describing such Default or Unmatured Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders.

10.10. Rights as a Lender. In the event the Administrative Agent is a Lender, the Administrative Agent shall have the same rights and powers hereunder and under any other Loan Document with respect to its Commitment and its Loans as any Lender and may exercise the same as though it were not the Administrative Agent, and the term "Lender" or "Lenders" shall, at any time when the Administrative Agent is a Lender, unless the context otherwise indicates, include the Administrative Agent in its individual capacity. The Administrative Agent and its branches and Affiliates may accept deposits from, lend money to, and generally engage in any kind of trust, debt, equity or other transaction, in addition to those contemplated by this Agreement or any other Loan Document, with the Borrower or any of its Subsidiaries in which the Borrower or such Subsidiary is not restricted hereby from engaging with any other Person. The Administrative Agent, in its individual capacity, is not obligated to remain a Lender.

10.11. Lender Credit Decision. Each of the Lenders expressly acknowledges that neither the Administrative Agent nor any Arranger has made any representation or warranty to it, and that no act by the Administrative Agent or any Arranger hereafter taken, including any consent to, and acceptance of any assignment or review of, the affairs of the Borrower or any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative

Agent or any Arranger to any Lender as to any matter, including whether the Administrative Agent or any Arranger has disclosed material information in their (or their Related Parties') possession. Each of the Lenders represents to the Administrative Agent and each Arranger that it has, independently and without reliance upon the Administrative Agent, any Arranger, any other Lender, or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis of, appraisal of, and investigation into the business, prospects, operations, property, financial and other condition, and creditworthiness of the Borrower and its Subsidiaries, and all applicable bank or other regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower hereunder. Each of the Lenders also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger, any other Lender, or any of their Related Parties and based on such documents and information as it from time to time deems appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon any Loan Document or any related agreement or any document furnished thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition, and creditworthiness of the Borrower. Each of the Lenders (a) represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and certain other facilities set forth herein and (ii) it is engaged in making, acquiring or holding commercial loans, issuing or participating in letters of credit or providing other similar facilities in the ordinary course of its business and is entering into this Agreement as a Lender for the purpose of making, acquiring or holding commercial loans, issuing or participating in letters of credit, or providing other facilities set forth herein, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument such as a security, (b) agrees not to assert a claim in contravention of the foregoing, and (c) represents and warrants that it is sophisticated with respect to decisions to make, acquire or hold commercial loans, issue or participate in letters of credit, or provide other facilities set forth herein, and either it, or the Person exercising discretion in making its decision to make, acquire or hold such commercial loans, issue or participate in letters of credit, or provide such other facilities, is experienced in making, acquiring or holding such commercial loans, issuing or participating in letters of credit or providing such other facilities.

10.12. Successor Administrative Agent. The Administrative Agent may resign at any time by giving written notice thereof to the Lenders and the Borrower, such resignation to be effective upon the appointment of a successor Administrative Agent or, if no successor Administrative Agent has been appointed, 45 days after the retiring Administrative Agent gives notice of its intention to resign. The Administrative Agent may be removed at any time with or without cause by written notice received by the Administrative Agent from the Required Lenders, such removal to be effective on the date specified by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right to appoint, on behalf of the Borrower and the Lenders, a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Required Lenders within 30 days after the resigning Administrative Agent's giving notice of its intention to resign, then the resigning Administrative Agent may appoint, on behalf of the Borrower and the Lenders, a successor Administrative Agent. Notwithstanding the previous sentence, the Administrative Agent may at any time without the consent of the Borrower or any Lender, appoint any of its Affiliates which is a commercial bank as a successor Administrative Agent hereunder. If the Administrative Agent

has resigned or been removed and no successor Administrative Agent has been appointed, the Lenders may perform all the duties of the Administrative Agent hereunder and the Borrower shall make all payments in respect of the Obligations to the applicable Lender and for all other purposes shall deal directly with the Lenders. No successor Administrative Agent shall be deemed to be appointed hereunder until such successor Administrative Agent has accepted the appointment. Any such successor Administrative Agent shall be a commercial bank having capital and retained earnings of at least $100,000,000. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the resigning or removed Administrative Agent. Upon the effectiveness of the resignation or removal of the Administrative Agent, the resigning or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the Loan Documents. After the effectiveness of the resignation or removal of an Administrative Agent, the provisions of this Article X shall continue in effect for the benefit of such Administrative Agent in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent hereunder and under the other Loan Documents. In the event that there is a successor to the Administrative Agent by merger, or the Administrative Agent assigns its duties and obligations to an Affiliate pursuant to this Section 10.12, then the term "Prime Rate" as used in this Agreement shall mean the prime rate, base rate or other analogous rate of the new Administrative Agent.

10.13. Administrative Agent and Arranger Fees. The Borrower agrees to pay to the Administrative Agent and the Arranger, for their respective accounts, the fees agreed to by the Borrower, the Administrative Agent and the Arranger from time to time.

10.14. Delegation to Affiliates. The Borrower and the Lenders agree that the Administrative Agent may delegate any of its duties under this Agreement to any of its Affiliates. Any such Affiliate (and such Affiliate's directors, officers, agents and employees) which performs duties in connection with this Agreement shall be entitled to the same benefits of the indemnification, waiver and other protective provisions to which the Administrative Agent is entitled under Articles IX and X.

10.15. Other Agents. The Syndication Agent shall not have any duties or obligations of any kind under this Agreement.

10.16. Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under the Bankruptcy Code, the Administrative Agent (irrespective of whether the principal of any Loan is then due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent has made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective

agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 9.5) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent consents to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 9.5.

10.17. Certain ERISA Matters.

(i) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower, that at least one of the following is and will be true:

(a) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement;

(b) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement;

(c) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans and this Agreement; or

(d) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(ii) In addition, unless either (x) clause (a) of Section 10.17(i) is true with respect to a Lender or (y) a Lender has provided another representation, warranty and covenant in accordance with clause (d) of Section 10.17(i), such Lender further (A) represents and warrants, as of the date such Person became a Lender party hereto, to, and (B) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

10.18. Erroneous Payments.

(i) If the Administrative Agent notifies a Lender or other holder of any Obligations (each, a "Lender Party"), or any Person who has received funds on behalf of a Lender Party (any such Lender Party or other recipient, a "Payment Recipient"), that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under Section 10.18(ii)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously received by, such Payment Recipient (whether or not such error is known to any Payment Recipient) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Payment Recipient shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (i) shall be conclusive, absent manifest error.

(ii) Without limiting Section 10.18(i), if any Payment Recipient receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) that (x) is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) such Payment Recipient otherwise becomes aware was transmitted, or received, in error (in whole or in part):

(a) (1) in the case of immediately preceding clause (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (2) in the case of immediately preceding clause (z), an error has been made, in each case, with respect to such payment, prepayment or repayment; and

(b) such Payment Recipient shall promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 10.18(ii).

(iii) Each Lender Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender Party from any source, against any amount due to the Administrative Agent under Section 10.18(i) or under the indemnification provisions of this Agreement.

(iv) An Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations, except to the extent such Erroneous Payment comprises funds received by the Administrative Agent from the Borrower for the purpose of making such Erroneous Payment.

(v) To the extent permitted by applicable law, each Payment Recipient hereby agrees not to assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment, including without limitation any defense based on "discharge for value" or any similar doctrine, with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment.

(vi) Each party's agreements under this Section 10.18 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments, or the repayment, satisfaction or discharge of any or all Obligations.

ARTICLE XI

SETOFF; RATABLE PAYMENTS

11.1. Setoff. In addition to, and without limitation of, any rights of the Lenders under applicable law, if the Borrower becomes insolvent, however evidenced, or any Default occurs, any and all deposits (including all account balances, whether provisional or final and whether or not collected or available) and any other Indebtedness at any time held or owing by any Lender or any Affiliate of any Lender to or for the credit or account of the Borrower may be offset and applied toward the payment of the Obligations owing to such Lender, whether or not the Obligations, or any part thereof, shall then be due.

11.2. Ratable Payments. If any Lender, whether by setoff or otherwise, has payment made to it upon the principal of or interest on its Loans (other than payments received pursuant

to Section 3.1, 3.2, or 3.4) in a greater proportion than that received by any other Lender, such Lender agrees, promptly upon demand, to purchase a portion of the Loans held by the other Lenders so that after such purchase each Lender will hold its ratable proportion of all outstanding Loans. If any Lender, whether in connection with setoff or amounts which might be subject to setoff or otherwise, receives collateral or other protection for its Obligations or such amounts which may be subject to setoff, such Lender agrees, promptly upon demand, to take such action necessary such that all Lenders share in the benefits of such collateral ratably in proportion to their Loans. In case any such payment is disturbed by legal process, or otherwise, appropriate further adjustments shall be made.

ARTICLE XII

BENEFIT OF AGREEMENT; ASSIGNMENTS; PARTICIPATIONS

12.1. Successors and Assigns. The terms and provisions of the Loan Documents shall be binding upon and inure to the benefit of the Borrower and the Lenders and their respective successors and assigns, except that (i) the Borrower shall not have the right to assign its rights or obligations under the Loan Documents and (ii) any assignment by any Lender must be made in compliance with Section 12.3. The parties to this Agreement acknowledge that clause (ii) of this Section 12.1 relates only to absolute assignments and does not prohibit assignments creating security interests, including (x) any pledge or assignment by any Lender of all or any portion of its rights under this Agreement and any Note to a Federal Reserve Bank or (y) in the case of a Lender which is a Fund, any pledge or assignment of all or any portion of its rights under this Agreement and any Note to its trustee in support of its obligation to its trustees; *provided* that no such pledge or assignment creating a security interest shall release the transferor Lender from its obligations hereunder unless and until the parties thereto have complied with the provisions of Section 12.3. The Administrative Agent may treat the Person which made any Loan or which holds any Note as the owner thereof for all purposes hereof unless and until such Person complies with Section 12.3; *provided* that the Administrative Agent may in its discretion (but shall not be required to) follow instructions from the Person which made any Loan or which holds any Note to direct payments relating to such Loan or Note to another Person. Any assignee of the rights to any Loan or any Note agrees by acceptance of such assignment to be bound by all the terms and provisions of the Loan Documents. Any request, authority or consent of any Person, who at the time of making such request or giving such authority or consent is the owner of the rights to any Loan (whether or not a Note has been issued in evidence thereof), shall be conclusive and binding on any subsequent holder, transferee or assignee of the rights to such Loan.

12.2. Participations.

12.2.1. Permitted Participants; Effect. Any Lender may, without the consent of, or notice to, the Borrower, the Administrative Agent, sell participations to one or more banks or other entities (a "Participant"), other than an Ineligible Institution, in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrower, the

Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 8.2 that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.1, 3.2 and 3.4 (subject to the requirements and limitations therein, including the requirements under Sections 3.4(vi) (it being understood that the documentation required under Sections 3.4(vi) shall be delivered to the participating Lender and the information)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.3; provided that such Participant (A) agrees to be subject to the provisions of Section 3.6 as if it were an assignee under Section 12.3; and (B) shall not be entitled to receive any greater payment under Section 3.1 or 3.4, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.4(ii) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.1 as though it were a Lender; provided that such Participant agrees to be subject to Section 11.2 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

12.2.2. Voting Rights. Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, modification or waiver of any provision of the Loan Documents other than any amendment, modification or waiver with respect to any Advance or Commitment in which such Participant has an interest which would require consent of all of the Lenders pursuant to the terms of Section 8.2 or of any other Loan Document.

12.2.3. Benefit of Setoff. The Borrower agrees that each Participant shall be deemed to have the right of setoff provided in Section 11.1 in respect of its participating interest in amounts owing under the Loan Documents to the same extent as if the amount of its participating interest were owing directly to it as a Lender under the Loan Documents, *provided* that each Lender shall

retain the right of setoff provided in Section 11.1 with respect to the amount of participating interests sold to each Participant. The Lenders agree to share with each Participant, and each Participant, by exercising the right of setoff provided in Section 11.1, agrees to share with each Lender, any amount received pursuant to the exercise of its right of setoff, such amounts to be shared in accordance with Section 11.2 as if each Participant were a Lender.

12.3. Assignments.

12.3.1. Permitted Assignments. Any Lender may at any time assign to one or more banks or other entities ("Purchasers"), other than an Ineligible Institution, all or any part of its rights and obligations under the Loan Documents. Such assignment shall be substantially in the form of Exhibit C or in such other form as may be agreed to by the parties thereto (each an "Assignment and Assumption"). The consent of the Borrower and the Administrative Agent shall be required prior to an assignment becoming effective with respect to a Purchaser which is not a Lender or an Affiliate thereof; *provided* that if a Default has occurred and is continuing, the consent of the Borrower shall not be required. Such consent shall not be unreasonably withheld or delayed. Each such assignment with respect to a Purchaser which is not a Lender or an Affiliate thereof shall (unless each of the Borrower and the Administrative Agent otherwise consents) be in an amount not less than the lesser of (i) $5,000,000 or (ii) the remaining amount of the assigning Lender's Commitment (calculated as at the date of such assignment) or outstanding Loans (if the applicable Commitment has been terminated).

12.3.2. Effect; Effective Date. Upon (i) delivery to the Administrative Agent of an assignment, together with any consents required by Section 12.3.1, and (ii) payment of a $4,000 fee to the Administrative Agent for processing such assignment (unless such fee is waived by the Administrative Agent), such assignment shall become effective on the effective date specified in such assignment. The assignment shall contain a representation by the Purchaser to the effect that none of the consideration used to make the purchase of the Commitment and the outstanding Loans under the applicable assignment agreement constitutes "plan assets" as defined under ERISA and that the rights and interests of the Purchaser in and under the Loan Documents will not be "plan assets" under ERISA. On and after the effective date of such assignment, such Purchaser shall for all purposes be a Lender party to this Agreement and any other Loan Document executed by or on behalf of the Lenders and shall have all the rights and obligations of a Lender under the Loan Documents, to the same extent as if it were an original party hereto, and no further consent or action by the Borrower, the Lenders or the Administrative Agent shall be required to release the transferor Lender with respect to the percentage of the Aggregate Commitment assigned to such Purchaser. Upon the consummation of any assignment to a Purchaser pursuant to this Section 12.3.2, the transferor Lender, the Administrative Agent and the Borrower shall, if the Purchaser desires that its Loans be evidenced by a Note, make appropriate arrangements so that a Note is issued to such Purchaser.

12.3.3. Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each

Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower at any reasonable time and from time to time upon reasonable prior notice.

12.4. Dissemination of Information. The Borrower authorizes each Lender to disclose to any Participant or Purchaser or any other Person acquiring an interest in the Loan Documents by operation of law (each a "Transferee") and any prospective Transferee any and all information in such Lender's possession concerning the creditworthiness of the Borrower and its Subsidiaries, including any information contained in any Reports; *provided* that each Transferee and prospective Transferee agrees to be bound by Section 9.10 of this Agreement.

12.5. Tax Treatment. If any interest in any Loan Document is transferred to any Transferee which is organized under the laws of any jurisdiction other than the United States or any State thereof, the transferor Lender shall cause such Transferee, concurrently with the effectiveness of such transfer, to comply with the provisions of Section 3.4(iv).

12.6. Restriction on Transfer. Notwithstanding any other provision of this Agreement, no Lender may assign, sell a participation in or otherwise transfer any of its rights or obligations hereunder to the Borrower or any Affiliate thereof.

ARTICLE XIII

NOTICES

13.1. Notices.

(i) Except as otherwise permitted by Section 2.14 with respect to borrowing notices, all notices, requests and other communications to any party hereunder shall be in writing (including electronic transmission, facsimile transmission or similar writing) and shall be given to such party: (x) in the case of the Borrower or the Administrative Agent, at its address or facsimile number set forth on the signature pages hereof, (y) in the case of any Lender, at its address or facsimile number set forth in its administrative questionnaire delivered to the Administrative Agent or (z) in the case of any party, at such other address or facsimile number as such party may hereafter specify for the purpose by notice to the Administrative Agent and the Borrower in accordance with the provisions of this Section 13.1. Each such notice, request or other communication shall be effective (i) if given by facsimile transmission, when transmitted to the facsimile number specified in this Section and confirmation of receipt is received, (ii) if given by mail, 72 hours after such communication is deposited in the mails with first class postage prepaid, addressed as aforesaid, or (iii) if given by any other means, when delivered (or, in the case of electronic transmission, received) at the address specified in this Section; *provided* that notices to the Administrative Agent under Article II shall not be effective until received.

(ii) Notices and other communications to the Lenders hereunder may be delivered or furnished by using Approved Electronic Platforms pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The

Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(iii) Unless the Administrative Agent otherwise prescribes, (a) notices and other communications sent to an email address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return email or other written acknowledgement), and (b) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its email address as described in the foregoing clause (a) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (a) and (b) if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient,

13.2. Change of Address. The Borrower, the Administrative Agent and any Lender may each change the address for service of notice upon it by a notice in writing to the other parties hereto.

13.3. Platform.

(i) The Borrower agrees that the Administrative Agent may, but is not obligated to, make the Communications available to the Lenders by posting the Communications on the Platform.

(ii) The Platform is provided "as is" and "as available." The Administrative Agent does not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied, or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by the Administrative Agent or any Related Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any Related Party have any liability to the Borrower, any Lender or any other Person for damages of any kind, including direct or indirect, special, incidental, or consequential damages, losses, or expenses (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of communications through the Platform. "Communications" means, collectively, any notice, demand, communication, information, document, or other material provided by or on behalf of the Borrower pursuant to any Loan Document or the transactions contemplated therein that is distributed to the Administrative Agent or any Lender by means of electronic communications pursuant to this Article XIII, including through the Platform.

ARTICLE XIV

COUNTERPARTS; EFFECTIVENESS

14.1. Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute this Agreement by signing any such counterpart. This Agreement shall become effective when it has been executed by the Borrower, the Administrative Agent and the Lenders and each party has notified the Administrative Agent by facsimile transmission or telephone that it has taken such action.

14.2. Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including E-SIGN, the New York State Electronic Signatures and Records Act, or any other similar state laws based on UETA.

14.3. Document Imaging; Telecopy and PDF Signatures; Electronic Signatures. Without notice to or consent of the Borrower, the Administrative Agent and each Lender may create electronic images of any Loan Documents and destroy paper originals of any such imaged documents. Such images have the same legal force and effect as the paper originals and are enforceable against the Borrower and any other parties thereto. The Administrative Agent and each Lender may convert any Loan Document into a "transferrable record" as such term is defined under, and to the extent permitted by, UETA, with the image of such instrument in the Administrative Agent's or such Lender's possession constituting an "authoritative copy" under UETA. If the Administrative Agent agrees, in its sole discretion, to accept delivery by telecopy or PDF of an executed counterpart of a signature page of any Loan Document or other document required to be delivered under the Loan Documents, such delivery will be valid and effective as delivery of an original manually executed counterpart of such document for all purposes. If the Administrative Agent agrees, in its sole discretion, to accept any electronic signatures of any Loan Document or other document required to be delivered under the Loan Documents, the words "execution," "signed," and "signature," and words of like import, in or referring to any document so signed will deemed to include electronic signatures and/or the keeping of records in electronic form, which will be of the same legal effect, validity and enforceability as a manually executed signature and/or the use of a paper-based recordkeeping system, to the extent and as provided for in any applicable law, including UETA, E-SIGN, or any other state laws based on, or similar in effect to, such acts. The Administrative Agent and each Lender may rely on any such electronic signatures without further inquiry.

EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AGAINST THE BORROWER OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

15.3. WAIVER OF JURY TRIAL**.
