Explanatory Note

On May 19, 2017, MGE Energy filed a current report on Form 8-K disclosing the results of the voting at its annual meeting of stockholders held on May 16, 2017. The purpose of this Amendment is to disclose our decision, in light of that voting, as to how frequently MGE Energy will include in its proxy materials a nonbinding advisory stockholder vote on the compensation of its executive officers.

Item 5.07. Submission of Matters to a Vote of Security Holders.

As previously reported, the frequency of one year received the greatest number of votes in response to the question as to how frequently MGE Energy should include in its proxy materials a nonbinding advisory stockholder vote on the compensation of its executive officers as reported in those proxy materials. Based upon those results, which followed the MGE Energy Board's recommendation, the Board has determined that MGE Energy should schedule the nonbinding advisory stockholder vote on executive compensation each year until the next required stockholder advisory vote on the frequency of stockholder advisory votes on executive compensation.
